SCIENCE AND ENGINEERING CHALLENGE

Volunteer Expression of Interest

The Science and Engineering Challenge (SEC) has been operating since 2003 here in South Australia. The SEC aims to inspire and motivate year 9 and 10 students to begin a journey along a pathway to make a difference to our community by studying science and engineering at a senior level and increasing their awareness of related careers. The SEC provides a fun filled day with exciting and challenging activities that will engage the minds of our young participants!

To make this happen we need volunteer supervisors, working in small teams of 2 or 3 to supervise a group of students undertaking one of the hands-on activities. Full instructions and briefings are provided prior to the day.

Your main job will be encouraging the students to start and, shortly after, encouraging them to finish! Many volunteers return year after year they enjoy it so much!

Volunteers are required for the following dates:

- Wednesday 14 June @ Flinders Uni
- Thursday 15 June @ Flinders Uni
- Tuesday 8 August @ Findon
- Wednesday 9 August @ Findon
- Thursday 10 August @ Findon
- Friday 11 August @ Findon

If you can spare a day or more, please pop onto the [Rotary Club of Adelaide site and Register](#).
