## Friday 19 May: Facilitator Skills Workshop

For experienced and new facilitators, and RYDA workshop coordinators, this interactive skills workshop is designed to learn from each other as we explore:

- what does best practice in road safety education look like,
- understanding the learning objectives of the workshop and individual sessions,
- common challenges our facilitators face and how to overcome them,
- getting the best out of your students (and teachers).

Facilitators are an essential component of bringing life-saving road safety education to novice drivers and their passengers. The Skills Workshop aims to help you be as effective as possible in this crucial role.

- 6.30pm **Arrival/Light Refreshments**
- 7.00pm **Welcome and getting to know each other**
- 7.15pm **Best-practice in road safety education and RYDA learning objectives**
- 7.30pm **How students learn**
- 7.45pm **Common challenges:** group exercise identifying and overcoming common challenges faced by RYDA facilitators
- 8.15pm **Interactive learning:** getting the best out of your students
- 8.45pm **Stand and Deliver:** sampling elements from each session
- 9.15pm **Review and next steps**
- 9.30pm **Close**

### Skills workshop hosts

Road Safety Education Limited (RSE) run RYDA Skills Workshops throughout Australia. This session will be facilitated by:

- **John Elliott**, Head of Marketing and Program Delivery (Australia)
- **Anton Hockey**, Program Coordinator for Victoria and South Australia.

### Re: International Tennis Fellowship of Rotarians- ITFR MELBOURNE!

#### REGISTRATIONS NOW OPEN!

The 17th ITFR World Championship will take place in **Melbourne Park** "The Home of Tennis", over 4 days from 23-26 May 2023, in the lead up to the RI Convention. Don't be put off by the "World Championships" tag, it's an event for tennis players of all ages and abilities.

ITFR's aim is to promote worldwide friendships for Rotarians with a common interest in tennis, with more than 2,000 members who come together from around the world for tournaments and fellowship. All proceeds from the event are donated to Polio Plus, with over US\$410,000 donated so far.

To participate in the Tournament, **you must be a member** of the International Tennis Fellowship of Rotarians (ITFR). Membership is free and open to Rotarians and Member's spouses at [ITFR.org](http://ITFR.org)

To find out more information about the event and register follow the link from the ITFR website, or go direct to <https://dasunpremadasa.wixsite.com/itfr2023>, and click on Registration.

In addition to the Tournament, there are two social events planned for Players, and Non-playing guests who can be registered at the time of player registration.

Don't miss this once in a lifetime opportunity to participate in a tournament, on the same courts as the greats of tennis, in an atmosphere of international fellowship.

# Amazing Club Support

**Rotary**  
District 9510

Clubs in our district have rallied behind sponsoring young people on the two special 7-day Youth Sailing Challenges, firstly the voyage to Melbourne, departing Adelaide on Friday 19th May, and secondly, the return voyage to Adelaide, departing Melbourne on 4th June.

We should be proud since in spite of the high cost of \$1900 (including extra days, student airfares and extra interstate charges for the One and All) a record number of 24 students have been sponsored by 9510 clubs, or in some instances pairs of clubs. In addition, the newly formed Rotary Youth Challenge Sail Committee in Victoria, are doing very well in attracting Victorian Rotary clubs to sponsor and select suitable for students for these two voyages ...so we are close to full capacity.

The huge benefits young people gain from these voyages has attracted further Commercial Sponsors including now the Baxter Grimshaw Foundation. These commercial sponsors have enabled a number of disadvantaged young people to participate.

## Want a Tall Ship Experience ?

A reminder to 9510 delegates going to the International Convention, Lunch and Dinner Cruises are available but are filling rapidly.

## SCIENCE AND ENGINEERING CHALLENGE

### Volunteer Expression of Interest

The Science and Engineering Challenge (SEC) has been operating since 2003 here in South Australia. The SEC aims to inspire and motivate year 9 and 10 students to begin a journey along a pathway to make a difference to our community by studying science and engineering at a senior level and increasing their awareness of related careers. The SEC provides a fun filled day with exciting and challenging activities that will engage the minds of our young participants!

To make this happen we need volunteer supervisors, working in small teams of 2 or 3 to supervise a group of students undertaking one of the hands-on activities. Full instructions and briefings are provided prior to the day.

Your main job will be encouraging the students to start and, shortly after, encouraging them to finish! Many volunteers return year after year they enjoy it so much!

#### Volunteers are required for the following dates:

- Wednesday 14 June @ Flinders Uni
- Thursday 15 June @ Flinders Uni
- Tuesday 8 August @ Findon
- Wednesday 9 August @ Findon
- Thursday 10 August @ Findon
- Friday 11 August @ Findon

If you can spare a day or more, please pop onto the [Rotary Club of Adelaide site and Register](#).
