2024 DISTRICT CONFERENCE LOXTON

NEWSFLASH !

2024 ROTARY DISTRICT 9510 CONFERENCE – NOVEMBER UPDATE

As we approach the 2024 District Conference being held from 15th -17th March, in the beautiful town of Loxton, “By the River” – it is timely to update Members on where we are now, and where we need to be. This will be the final District Conference, as we move to Regionalisation. *Let’s make it an Event to remember!* Please check the Conference Website for information using the following link -<https://2024loxtton.au/>

Registrations: are continuing to grow steadily, which is pleasing, however it is important that Rotarians Register as early as possible, due to the demand on Accommodation, and to assist with planning activities, such as registration for the various events as places are limited, and numbers are increasing. To Register, simply click on the link, which takes you to the Webpage, click on Registration (in the Blue Header) and follow the prompts. Each item and event that you wish to register for is listed, with prices. Make your selection follow the prompts and once complete, you will receive a receipt

Accommodation availability: We have been receiving queries concerning accommodation bookings and/or availability for the Conference. This problem seems to have arisen due to attempts to book on line rather than contacting the Venue directly. After investigating the matter - it seems to be that where Venues are “have blocked out” rooms for Rotary – confusion arises if folks are not mentioning the Conference.

Having now investigated this with the venues listed below, I can confirm that a wide range of accommodation options are available in all Riverland towns, however, due to the number of major community (and private events such as weddings) taking place over the Conference weekend, not all properties are holding bookings specifically for the Rotary Conference. Some will hold until the end of this month.

I encourage everyone to make their bookings as soon as possible, contacting the venues directly (see phone details listed below. Using the following link <https://2024loxtton.au/> which will bring up all the details of accommodation options. *I have listed currently available accommodation below- so get in early!*

When making your booking, please advise that you are a delegate for the Rotary District Conference in March 2024- (Please remember that each individual is responsible for payment of their accommodation. A range of Disability Access options are also available. Please enquire at the Venue when booking

Please Note: It is more appropriate to contact the accommodation provider Directly, by telephone instead of booking on line. Contact numbers are provided below. State that you are attending the Rotary Conference.

The following is a list of what is still available in Berri (which is 15 Minutes from Loxton) and Renmark, which is approximately 30+ Minutes from Loxton. (It is highly likely that accommodation in Loxton has now been fully booked)

Rotary Showcase Places: The response has been really great, with 17 applications on hand, and 14 more spaces left – so please send in an application. Every Club will have something to be proud of as an achievement or “Flagship Project” lets share it! I particularly encourage the Clubs that are far flung in the District such as Alice Springs, Broken Hill, Mildura and Far West SA. Everyone has a story to tell!

Club Banner Display: Please contact me if you will be providing a Banner for Display at the Conference. It is a fantastic way to promote your Clubs or Highlight a particular event or Program that you support. What an amazing and colourful display for the Venue.

We are hoping that the graphic attached (and below) and the suggested wording (below) will help make it very easy for you to put the post up, to encourage not only your own members to walk, but the wider public following your Club.

We are so delighted that already, about 20 Rotary Clubs have formally registered to be a part of this wonderful project. Our sincere thanks to everyone for your enthusiasm.

We're hoping to have a few thousand walking on the day. Your help over the next couple of weeks to spread the word through your Social Media Channels will be greatly appreciated to achieve this goal and excite our local media to attend.

Rotary in Southern Australia (District 9510) has joined the national 'Rotary Says NO to Domestic Violence' initiative by holding a peaceful 'Walk for Respect' from Victoria Square, Adelaide on the morning of Saturday 25 November 2023.

WE INVITE YOU to walk with us on the day, either behind our Rotary District 9510 lead banner – or behind one of the many local Domestic Violence Support Groups participating on the day. We'll meet from 9am in Victoria Square and from 10am walk up King William Street (1.2km) to the Pioneer Women's Memorial Garden (opposite the Festival Theatre).

This peaceful parade aims to raise awareness of Domestic Violence (in particular Coercive Control) in our community, in a way that will educate the wider population to recognise the signs of DV and Coercive Control as it affects survivors among us. Maybe you'll see the signs in someone you know!

Then between 10.30am and Noon (for as long as you'd like to hang around the memorial garden) we'll hear some inspirational speakers and mix and mingle with one another over a coffee.
