Rotary District 9510 – South Australia – District Committee

An invitation for you and your organisation to join us in a Parade

Hello

Rotary District 9510 in South Australia is seeking your and your organisation's support, by joining with us on **Saturday 25th November 2023**. This will be our inaugural annual peaceful Parade walk from **Victoria Square** to the **Pioneer Women's Memorial Gardens** (next to the Torrens Parade Ground) to raise awareness of Domestic Violence and Coercive Control. We also wish to demonstrate our united determination to support the diverse range of Domestic Violence support services in South Australia.

The Parade will start at **10am**, taking about 30 minutes to stroll 1.2km down King William Street where some key partners will address attendees to show to share their views. We aim to have coffee and food vans to encourage attendees to stay a while to mix'n'mingle with fellow walkers. Share stories. Make a new friend. Learn. Connect in Peace.

Importantly, we would like your organisation to **register swiftly to be a Group walking in the Parade**. Following that, we will ask you to encourage your staff; volunteers; customers and supporters, to walk behind your lead banner to promote your organisation and educational messages.

Group registration close on 16th Oct. Please see the accompanying flyer for more details

Click this link : <http://e.mybookingmanager.com/Say-No-To-DV-Parade-GROUP-registrations> or visit our Parade website : www.StopCoerciveControl.au

Once all of our Groups are locked in (*we are hoping for many dozens*) individual registrations will open. The Public (individual walkers) will be able to register **for FREE**. However, we will encourage them to Donate to the cause. Funds raised will help Rotary cover costs of running the Parade ... meaning we'll be able to return \$\$ back to the Groups like yours registering to walk in the Parade.

Rotary Says No to Domestic Violence is actually not new. For about 5 years in other Rotary Districts around Australia, New Zealand and surrounding islands, Rotary has been running awareness programmes. Now in 2023, it's South Australia's opportunity to shine. And we've passionate people to make it happen.

Although many individual Rotary clubs in South Australia have been assisting local Councils and Domestic Violence organisation for a long time, we would now like to spearhead this united walk to attract the wider community **and the media**. We are here to support your organisation!

Collectively, let's continue to reduce domestic violence for females, males and children through this general awareness and educational Parade. Let's continue to make our society better.

So, please do register your organisation by 16th October and then encourage fellow workers and supporters to walk. Show your support. It's a low cost event with the potential to do so much good.

This is a chance for all of us to make a peaceful, non-confrontational statement on Domestic Violence, while educating the wider community, particularly in recognising Coercive Control.

Dear Presidents, Secretaries and all Rotarians

As you would be aware the 2024 Rotary District Conference is being held in Loxton from 15th -17th March next year. This is shaping up to be a great event, with a variety of amazing Speakers, and great Riverland hospitality. The location is a great tourist destination on the magnificent Murray River and provides a wonderful opportunity to enjoy and explore the beautiful Riverland sights, great hospitality of the wine and food industries as well as other local goods & activities. It also provides an opportunity for Rotarians and partners from 90 Clubs across District 9510, to enjoy fellowship, sharing of ideas, and showcase their various Rotary Projects & activities that make a difference in the lives of others.

Registration - I encourage Members to Register early by checking out the Conference website (<https://2024loxtan.au/>) There are various incentives each month if you Register within that month. These incentives will be shown on the website. (Our first winner had their registration fees refunded).

Accommodation - It is also important to book your accommodation early – as there are other major events taking place in the Riverland at the same time – so demand on accommodation is at a premium. Details of a huge range of available accommodation options can be found on the Conference website

The Rotary Showcase - is a valuable opportunity for Clubs to promote the work that you do, by participating in the Showcase and displaying a project or achievement that your Club is involved in. There is no cost to participate, however Registration is required. This is a simple process of completing the application form which can be found in the Conference website. Opportunities such as this can open doors, and encourage clubs to acknowledge the work they do and share ideas or create connections. We still have 30 places available.

Soapbox - is a six - minute opportunity to speak about a key project or event that clubs are involved with. There are a few places left, so please book early. The simple application form is on the Conference website.

Club Banners - As part of the Conference activities, I am inviting each Club to bring along a "free standing" Banner (or two) that represents your Club, or its special activities. These Banners will be used as part of the display alongside the stage for the duration of the Conference. These will need to be onsite at the Precinct Venue, by 4.00pm on Friday 15th March. Please could any club that participates in this, contact me beforehand to confirm.
