On the Road Again.....

The RV Fellowship group (RVFR) is organising a three week muster in Australia to coincide with the May 2023 Rotary International Conference in Melbourne. Travelling from Melbourne through Adelaide, Mildura, Echuca and back to Melbourne, they will be arriving in time for the conference.

RVFR is one of the many fellowships within Rotary in which the members have a common bond, in their case a love for camping with caravans and motorhomes in various locations in Australia. We come together several times a year, which we label musters, and explore places of interest of this great country, These musters are organised with activities in a pre-determined location. For a more detailed description, go to on our web site <http://www.rvfr-aus.org.au>

There will be approximately 50 persons (25 RV's) all at retirement age, from all over Australia and the world, touring in motorhomes and caravans, heading to Melbourne for the conference.

The Australian Golfing Fellowship of Rotarians will be holding their 45th Annual Tournament in Tura Beach, New South Wales, located on the picturesque Sapphire Coast, 4.9 km from Merimbula and approx. halfway between Sydney and Melbourne and 3 hrs from Canberra.

This event brings Rotarian Golfers and their partners together from across Australia to a wonderful week of competition fun and fellowship.

The Rotary Club of Merimbula are thrilled to be hosting this event which will be held at the magnificent Tura Beach Country Club, a true championship Peter Thomson designed golf course which offers spectacular views of the ocean and so much more. The beautiful 18-hole championship layout is a must-play for both serious and leisure golfers.

Superb tours have been planned for non-golfers and guests, while golfing Rotarians enjoy the Tura Beach Country Club Golf Course.

Proceeds will go towards the all abilities play area at Spencer Park, Merimbula.

The Welcome Dinner / Cocktail Party / Registration will be held at the Tura Beach Country Club on Sunday 26 March 2023, the Make Up Dinner at the RSL Club, Merimbula, on Tuesday 28 March and the Presentation Dinner at Club Sapphire, Merimbula, on Friday 31 March.

Two Special 7-day Challenge Sails

The **One and All** tall ship will be in Melbourne in May/June 2023 as part of the International Convention's activities. She will be taking Conference delegates on short lunch and dinner cruises on the Yarra from Docklands.

This offers the opportunity for approx. **40 students** aged **15-18** to help crew one of **two special 7-day Sailing Challenge voyages** from Adelaide to Melbourne and return. A representation of both South Australian and Victorian students will partake on each voyage.

Voyage 1 – Approx 20 students will be voyaging around the rugged SA/Vic coastline when the One & All departs Adelaide on Friday 19th May 2023 bound for Melbourne.

Voyage 2 – Approx 20 students will be voyaging back to Adelaide from Melbourne departing Sunday 4th June 2023.

These special voyages have already created a lot of interest so we urge clubs to inform us if they feel they may participate.

The total cost for each of these Special Voyages is **\$1,900pp**. It comprises

- The shipboard cost of the young people for seven days (instead of the normal five)
- Additional insurance and Melbourne Harbour costs for the *One & All*
- Interstate air fares and sundry accommodation and transport costs for interstate young people joining or returning from a special Challenge Sail.
- Melbourne/Adelaide airfares for volunteer crew joining or leaving the ship while she is in Melbourne.

If your club wishes to be involved

- Select (where possible, otherwise we can help) suitable students remembering we wish to have a wide variety of young people but particularly some who are in some way disadvantaged but show promise.
- Raise as much of the \$1,900 as possible by :
 - ⇒ the club contributing a minimum of \$1,200 (more if possible).
 - ⇒ have those parents who are able to contribute part of the cost.
 - ⇒ encourage individual club members who can to contribute.
 - ⇒ two clubs could combine to send a young person, contributing \$950 each.

We do not want any worthy disadvantaged young person to miss out, so if your club falls short of the total, contact us and we will see if commercial sponsorship may be available to assist in getting them aboard.
