**Details: [www.alicespringsrotary.org](http://www.alicespringsrotary.org)**

The Rotary Club of Alice Springs

Historically the first Bangtail Muster was held in 1959 with The Rotary Club of Alice Springs taking it over as a Project in 1961. After the cattle were mustered, cattlemen would cut off the hairy end of the cattle's tails. By counting each tuft they could ascertain the number of cattle mustered.

The parade brings schools, early childhood centres, sporting and community groups, businesses and tourism together. It celebrates some of the history of Alice Springs and brings financial income and community spirit together.

## RING PULLS TRANSFORM LIVES

### Did you know ...

- 1.5 million ring pulls weighs about 421 kgs!
- 26,000 ring pulls – just over 7 kgs - are needed to make a wheelchair!
- 3,000 ring pulls – less than 1 kg - are needed to make a pair of prosthetic legs!

### FACTS ABOUT RING PULLS

They are sold to scrap metal merchants for aluminium scrap value.

Money is used to produce prosthetic limbs and wheelchairs, which are distributed free of charge.

### THOSE LITTLE RING PULLS CAN TRANSFORM LIVES!

Simple ring pulls from drink cans can be used to transform the lives of people who have suffered disfigurement, whatever the cause.

And the Scouts and Girl Guides still can collect the cans and make money for their projects!

### YOU CAN HELP!

Transform lives by collecting ring pulls for the Rotary Club of Barossa Valley.

Just remove the ring pull from each can before you take it to the recycling depot and pop them in a container, then when your container is full - any quantity is welcome! - contact us to arrange collection.

Rotary Club of Barossa Valley  
[secretary@barossavalleyrotary.org](mailto:secretary@barossavalleyrotary.org)  
 OR call Bryce on 0432 110 421

OR deliver your collection of ring pulls to  
 IJF Australia, 41 Cormack Road, Wingfield.

Ask your family, friends, workmates and teammates to help the Rotary Club of Barossa Valley transform lives by collecting ring pulls!

## RORP Rotary Overseas Relocated Playgrounds

## Calperum: Time for Rotary Clubs to Re-engage

Calperum is undergoing a major transformation. An expanded focus on ecotourism with new accommodation is creating more opportunities for visitors to explore and enjoy the lands, creeks, lakes, and river, and learn about the special environment and aboriginal culture.

Calperum is also expanding its education offerings in stem programs, international programs, school programs, and indigenous programs.

Rotary's involvement with Calperum has been a major effort over the past decade with over 30 clubs assisting in many ways such as environmental monitoring, tree planting, the clearance old fences, and handyman jobs.

Now is the time for clubs to re-engage as Calperum will need continuing assistance during this transformation. Assistance will be required for:

- Creating bush gardens and revegetation around the four accommodation buildings currently being upgraded by Rotary clubs.
- Installation of a reliable internet service to all buildings,
- Provision of solar power to buildings planned for the near future to assist with cost savings and enable an environmentally friendly solution.

Financial assistance is needed for both the internet and solar power initiatives and any contributions by clubs would be much appreciated.

Further information about Rotary's projects at Calperum can be provided by the district 9510 Calperum and Environment Committee (CATE) which coordinates Rotary's engagement with Calperum. The committee would appreciate being copied in on any individual club projects at Calperum. Contact CATE Secretary Jeff Cluse ([jeffcluse@gmail.com](mailto:jeffcluse@gmail.com)) or Chair Don Will ([will4444sa@gmail.com](mailto:will4444sa@gmail.com)).

The Quarterly CATE Newsletter keeps Rotarians informed about the array of environmental work at Calperum. Click here for the latest edition <https://clubrunner.blob.core.windows.net/00000050352/en-ca/files/homepage/calperum-summer-22-newsletter/CATE-Newsletter-Summer-22F.pdf>.

# Mount Serle Station

A unique Rotary Opportunity

## UPDATE

Would you and/or your Rotary Club like to become involved in a Rotary Project that is adventurous, thinks outside the square, and provides an opportunity for new horizons in a remote and beautiful part of our state? The Rotary Club of Maitland is creating just such an opportunity, BUT it needs your help, advice and assistance. The Rotary Club of Maitland is seeking to create an Eco wilderness experience opportunity in conjunction with the Iga Warta Community situated in the northern Flinders Ranges, this opportunity is to be created on Mount Serle Station[Iga Warta is the lessee] and commences with renovation work within the Homestead complex.

If you would like to be part of the action please refer to [mountserlestation.com](http://mountserlestation.com) and follow the prompts or contact David Amery direct on 0455 839 885 or 0476 996 882/ [coraliea1947@hotmail.com](mailto:coraliea1947@hotmail.com)

## Responding to the Ukraine crisis

The Rotary Foundation has launched a *worldwide appeal* to support the Ukrainian people affected by the current fighting in their country.

From now until 30 April 2022, all donations to the Foundation's *Disaster Response Fund* will be made available to the Rotary District in Ukraine and to designated Rotary Districts bordering Ukraine sheltering refugees from the war-torn country. From now until 30 June 2022 those Rotary Districts will be able to access this Fund to apply for *disaster response grants* to purchase items such as water, food, shelter, medicine and clothing.

The first Rotary club was established in Ukraine in 1929. During and after WW2, Rotary International made a decision to suspend Rotary activity in the Ukrainian Occupied Territories. The first postwar Rotary club was established in Kyiv in 1991 and Rotary has grown throughout the country since then. Rotary is also well-established in neighbouring countries particularly in Poland where many refugees have fled.

In 2021 local Rotary clubs established a *Rotary Peace Square* in Kyiv.

Rotary volunteers on the ground in Ukraine and these neighbouring countries will be able to use the funds raised to help the suffering Ukrainian people.

Those wanting to make a donation can go to *Rotary Foundation Australia* website [here](#) and click on the *Ukraine* link on the homepage.

For more information please telephone Maurie Stack 0427 668 821 or Mark Anderson 0408 622 698

The advertisement features a background image of a woman in a white shirt looking through a hole in a damaged, grey brick wall. In the top left corner is the ShelterBox Australia logo, which consists of a green circle with a white house icon and the text 'ShelterBox AUSTRALIA'. On the right side, the text 'PROVIDING SHELTER AFTER DISASTER' is written in large, white, bold, sans-serif capital letters. Below this, in smaller white text, it says 'ShelterBox is responding to the Ukraine crisis.' Further down, another line of white text reads: 'Right now we are sending a team to Eastern Europe to understand the type of emergency shelter people fleeing Ukraine need. We are also exploring whether our aid will be suitable, and which locations we might be able to work in.' Below that, more white text states: 'Your support today could provide lifesaving aid for families affected by the Ukraine crisis, or in other countries where we work, like Yemen, Syria or the Philippines.' At the bottom right, a red rectangular button contains the white text 'UKRAINE CRISIS URGENT APPEAL'.

This book was a 3 year project of the Rotary Club of Mawson Lakes precipitated by the 30<sup>th</sup> anniversary of women's right to join Rotary. It features 40 amazing women, celebrates their contributions to Rotary District 9510 (formerly Districts 9500 and 9520) and highlights the diverse contributions made by Rotarians to each other and to their communities. These women are inspiring and their ideas and experiences will help us to understand the way forward for Rotary.

# RAWCS Flood Relief Appeal

A national flood appeal has been set up to provide assistance for flood victims in Queensland and Northern NSW. Australians impacted by the recent floods will be the beneficiaries of money raised by Flood Appeal and will be able to liaise with their local Rotary Club to advise of their needs. The fundraising campaign was launched to support the communities in need after yet another disaster impacting Australians.

*"The money raised from the Appeal will go directly and quickly to support those impacted, providing essential items and financial support where Disaster relief and Insurance claims won't stretch,"* said Rotary Australia World Community Service Ltd CEO Andrew Woodward

Tax-Deductible Donations to the appeal can be made here: <https://donations.rawcs.com.au/flood-appeal> or from the Rotary Australia World Community Service website at <https://rawcs.org.au>

## Rotary Peace Fellowship 2023

Applications are now open for aspiring graduate students in Rotary District 9510 for a fully funded scholarship, Rotary Peace Fellowship. Courses are available for a Master's Degree Program at one of 5 universities around the world, or a Certificate Program at 2 universities.

These graduate students must have a strong commitment to peace as demonstrated in their professional and academic achievements, and personal or community service.

Our Rotary District 9510 Foundation Scholarships Chair is Sam Cozens, [samliz@internode.on.net](mailto:samliz@internode.on.net) 0429 145 532 for further information.

**The Application must be completed and submitted before 15<sup>th</sup> May 2022.**

Local Rotary Clubs can assist candidates by offering information on what Rotarians do to support people in need both locally and in the international scene.

## Public Image Update

The Public Image team is here to assist clubs and to promote Rotary

The Public Image Team loved seeing so many club members come up and speak with us at the conference and we enjoyed being part of the fantastic weekend. Thank you to everyone who came and approached us in the showcase and if you didn't get to speak to us at the conference and would still like to ask us something please reach out to us via email:

[PublicImage@Rotary9510.org](mailto:PublicImage@Rotary9510.org)

**A few things the team was sharing at Conference.**

- 1) QR codes was one of the ideas that the team was encouraging at the conference, have a business card for your club members and put a QR code on the back that takes you to the club Facebook page or your clubs Website (which is more up to date).
- 2) Club events on Facebook - If your club creates an event on your Facebook page, invite District 9510 as a co-host and followers of District 9510 can see it too. (more reach)
- 3) Any branding questions please reach out via email, happy to assist and it only takes a moment as our Logo experts are quick with responding.
- 4) Radio or Television announcements - We encourage you to connect if you think you have a story to tell through these channels.
- 5) Next Rotary Radio Broadcast Session - Is on Wednesday 20/4/2022 at 9.15 (15 minutes) 88.7 Coast FM - yes our own Rotarian Rob McLennan, will be interviewing Rotary Club of Largs Bay and Rotary Club of Charles Sturt Grange Members about their Wheelchair project and Toy Boys project. Please tune in and encourage your work colleagues, family and friends to listen too.
- 6) Signarama Website for purchasing Rotary branded items <https://www.signs-adelaide.com.au>

### IMPORTANT INFORMATION

Do you know what to do if someone reports an incident of harassment to you?

The [Preventing and Addressing Harassment](#) course will help you understand Rotary's policy on a harassment-free environment. It defines harassment and lists what steps you can take if you've been harassed, witness an incident, or have an incident reported to you.

Take this course to learn how to respond and how you can create a harassment-free environment.

As we do every year, **Malaria Awareness Day** is observed on **30 April** in conjunction with **World Malaria Day** on 25 April. In particular, RAM's national campaign to coincide with Malaria Awareness Day will be a 'Walk in Solidarity'.

You can find out more about Malaria Awareness Day on our website: <https://ram.rawcs.com.au/malaria-awareness-day/>.

### WALK IN SOLIDARITY

We ask you to walk for 4km representing the hundreds of lives lost to malaria each year. You can register for \$20 or make a donation—and ask your friends to get involved too, or donate to support you.

RAM polo-shirts are also available for sale at \$35 per shirt. Please let us know if you want one in the notes when you pay the registration fee. We are asking you to take a photo of yourself doing the challenge (or a selfie) so that we can share on our social media.

## SCIENCE AND ENGINEERING CHALLENGE

### Volunteer Expression of Interest

The Science and Engineering Challenge (SEC) has been operating since 2003 here in South Australia. The SEC aims to inspire and motivate year 9 and 10 students to begin a journey along a pathway to make a difference to our community by studying science and engineering at a senior level and increasing their awareness of related careers. The SEC provides a fun filled day with exciting and challenging activities that will engage the minds of our young participants!

To make this happen we need volunteer supervisors, working in small teams of 2 or 3 to supervise a group of students undertaking one of the hands-on activities. Full instructions and briefings are provided prior to the day.

Your main job will be encouraging the students to start and, shortly after, encouraging them to finish!

### Volunteers are required for the following dates:

- Wednesday 8<sup>th</sup> June (Findon, 36er's Basketball Arena)
- Thursday 9<sup>th</sup> June (Findon, 36er's Basketball Arena)
- Friday 10<sup>th</sup> June (Findon, 36er's Basketball Arena)
- Wednesday 15<sup>th</sup> June (Flinders University)
- Thursday 16<sup>th</sup> June (Flinders University)

To volunteer for either of these dates as an individual or club group click [here](#)
