## Another Great Rotary Youth Sailing Experience on offer !!

**School Holidays: Sunday, April 11<sup>th</sup> – Thursday, April 15<sup>th</sup> 2021**

Quite a number of Rotary Clubs are already organised to send students on this 5-day sailing adventure on the tall ship the 'One & All'.

If your Club has not yet been involved, then plan to join the ever-growing group seeing the outstanding benefits this unique program gives young people.

Modern youth rarely face a combination of real, physically and emotionally demanding challenges. A training voyage on the *One & All* gives this in bucket loads!! It is hard and demanding but the kids thrive on it and grow. It is also well supervised by experienced sailors and safe.

Quite a number of Rotary Clubs are already organised to send students on this 5-day sailing adventure on the tall ship the 'One & All'.

*"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Kaleidoscopic changes are taking place, many of them without our will. Even to hang on to the fringe of this fast-changing world is about all most of us can do. Rotary simply must continue to pioneer or be left in the rear of progress."*
