FUNDRAISING LUNCHEON SUNDAY, 29TH AUGUST 2021

12:30PM TO 4PM

AT THE ADELAIDE PAVILION SOUTH TERRACE, ADELAIDE

The last twelve months have really impacted on all our lives and ROMAC is no exception. Fundraising has been limited, yet as borders are lifted, we have many children from Pacific countries desperately needing ROMAC's support for life-saving and life-changing surgery here in Australia that they cannot get in their own countries. This special fundraising luncheon will help make that happen so please come along.

The luncheon features:

- a welcome dance from a Pacific Island cultural group;
- exuberant and well known compere, Tony Pilkington;
- a delicious two-course meal;
- an inspirational presentation from Rosie Lotawa, who came to Adelaide as ROMAC's 5th patient in 1991 and is now our ROMAC Ambassador;

ROSIE LOTAWA

- a 75 minute recital from the outstanding 14 piece band "Brilliant Brass".

The all-inclusive cost is \$65 and the Hall will be set up in tables of 12.

Rotarians and Rotary Clubs can help support ROMAC and the children we help by:

- Organising and booking a table of fellow Rotarians and/or friends;
- Sourcing items for the silent auction we will be holding during the luncheon.

For further details, to make bookings and to tell us of your special auction items, please contact:

PRESENTED BY ROTARY CLUB OF WEST TORRENS

When Mathew Flinders met Nicolas Baudin in Encounter Bay, aboard their ships, their countries were at war.

Instead of exchanging shells, they exchanged navigational information and maps of their voyages to date. Flinders continued his anticlockwise circumnavigation of Australia to Sydney and Baudin, with a decimated crew, sailed back to Europe.

In 1811, this map was published showing French names for our Southern coastline.

You can own a copy of this piece of Australian history - and help Rotary Youth Projects too.

AND HELP ROTARY YOUTH!**

The map is 640mm deep x 875mm wide and cost only \$30.00 each plus \$15 p&h if rolled into a tube and posted to you in Australia.

Rotary Youth Sailing Challenge

What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed.

It involves learning the complexities of sailing, climbing the rigging, navigating, helming the ship, working as a team, standing 4 hour watches, instantly obeying orders and keeping the vessel ship shape.

All this happens on a moving deck without mobile phone contact.

How can Rotary Clubs become involved?

- Identify and sponsor a suitable 15-18 year old student
- Voyages in the Sep/Oct and April school holidays

For more information:

Cost for 5 days \$950

- See our website at www.youthsailing.com.au or
- Contact David Binks (0438 221 937) or Bill Walsh (0427 396 258)
