# **SA POLICE OFFICER OF THE YEAR AWARD 2021**

#### **NOMINATE NOW**

This is a project of the Rotary club of Unley, working closely with SAPOL and has successfully been run annually since **1978.** Through nominations from individuals and groups from the community, we seek to find and select a worthy Officer of SA Police, from all roles and responsibilities, who during 2021 and years prior, has demonstrated outstanding performance in the line of duty and off duty service to the community.

We invite our fellow Rotarians to consider identifying and/or supporting the nomination of such SA Police officers for this award, from their own knowledge or from friends and acquaintances who have experienced such service.

# Nominations are OPEN NOW and CLOSE on the 16<sup>th</sup> of July 2021

# This prestigious award will be presented at a public ceremony at the Royal Adelaide Show in September.

For more details regarding this program and to access NOMINATION forms and procedures, please visit our website at: unleyrotary.org.au

Your support will be much appreciated in continuing the success and importance of the this AWARD

In January 2020, when I announced my presidential theme, *Rotary Opens Opportunities*, and spoke of the changes that Rotary needed to embrace, none of us had any idea how quickly change would arrive. But I am a longtime believer in seeing challenges as opportunities. This year, we seized new opportunities to reimagine what Rotary could be. For years, we had discussed ways to make Rotary flexible and adaptable, and we had tried a few experiments. This year, we all experimented — and succeeded!

Online meetings are a regular fixture now as clubs invite guests from across the globe.

Queries to treasurerrckt@ gmail. com

Funds raised will support our youth and community projects

STEM Explorer Program is a 5 day residential program is based out of Mylor Adventure camp in the Adelaide Hills, running from **Monday 12 to Friday 16 July 2021** and promote s STEM pathways in Year 7 to 9s. Like the Year 12 Program, the program is facilitated by previous Year 12 Program Alumni, called Youth Advisors. This

volunteer team is under the guidance of their Youth Coordinator and the Programs team.

Rotary Volunteers required to provide pastoral care and basic first aid to the students and Youth Advisors and would not involve facilitation of the program or administrative tasks. They play a significant role in the evenings and at night, providing extra supervision and support to the Youth Advisors. The role is designed to be "low profile", stepping in to provide support when needed but otherwise observing and enjoying the program.

As the program is residential, Rotarians would need to stay at Mylor for the duration of the program. They will be housed in dormitory-style accommodation (sharing with one other Rotarian volunteer) and an attached bathroom. To participate in the program, you will need to have, or be able to obtain, a current first aid certificate (including CPR) and a Working with Children's Check valid in South Australia. The NYSF would contribute to fuel expenses to travel to Mylor, provide all meals, a fully stocked first aid kit for use during the program, an NYSF t-shirt and backpack and coverage under NYSF's insurance policy.

# **CULTURAL NIGHT 2021**

"Cultural Night is a successful platform to reflect our society's multicultural mosaic highlighting diverse celebrations of our shared humanitarian values. Due to popular demand with 2019 being a sell -out event, Cultural Night 2021 is already set to be even bigger and better.

WHEN: Saturday, September 18th, 2021

TIME: 7:00pm - 10:30pm

WHERE: Latvian Hall, 4 Clark St, Wayville SA 5034

TICKETS: <a href="https://events.humanitix.com/cultural-night-2021">https://events.humanitix.com/cultural-night-2021</a> See Flyer on following page

General Admission - \$40 Child (5 - 14) - \$25 Child (4 and under) - FREE

#### WHAT'S INCLUDED IN MY TICKET?

- 3 servings of food with your passport
- Performances
- Activities
- A rich, spicy experience!

#### ABOUT...

Adelaide is a thriving city with a rich diversity of cultural, ethnic, linguistic and religious backgrounds. Cultural Night is the signature event for the Adelaide University Rotaract Club having now become South Australia's largest youth-led multicultural festival. Established in 2017, the event celebrates 'Unity in Diversity' with a colourful celebration of multiculturalism featuring performances, food, language, traditions, customs, costume and music while raising funds for a local South Australian charity: No Barriers Education Foundation Inc.

# Rotary Youth Sailing Challenge

#### What is it?

Five challenge-filled days sailing a tall ship, where great life lessons are learnt and wonderful friendships formed.

It involves learning the complexities of sailing, climbing the rigging, navigating, helming the ship, working as a team, standing 4 hour watches, instantly obeying orders and keeping the vessel ship shape.

All this happens on a moving deck without mobile phone contact.

#### How can Rotary Clubs become involved?

- Identify and sponsor a suitable 15-18 year old student
- · Voyages in the Sep/Oct and April school holidays

#### For more information:

- See our website at www.youthsailing.com.au or
- Contact David Binks (0438 221 937) or Bill Walsh (0427 396 258)

# THROUGH Rotary

#### THINK TAX TIME – THINK THE ROTARY FOUNDATION (even if you are retired and no longer pay tax)

Dear Rotarians, many of you are already passionate supporters of and donors to the Rotary Foundation – Rotary's own charity and for very important reasons. Not only is the Foundation consistently in the top 10 charities according to Charity Navigator, but also this is the charity that funds our District and Global Grants used to perform our work here and across the world.

We also continue the mission to eradicate Polio from the world and with just 2 cases so far this year we have hope that we are reaching the end goal. Whilst this may sound really close, remember that we still need to deliver 450 million doses of Polio vaccine per year to continue that journey.

As we reach the end of the Rotary Year many Rotary and community members will see their achievements acknowledged with a "Paul Harris Fellow" (PHF) Award which recognises your club or its members' donation of US\$1000 to the Foundation.

Some of you may think that you are unable to commit to \$100 a year to become a Centurion, or US\$1000 to become a member of the Paul Harris Society, but perhaps you haven't thought in terms of say a \$10 monthly direct debit (less than the cost of a cup of coffee per week) to also become a Centurion or \$120 per month to become a PHS member.

One-off donations, large or small are always welcome at any time, we simply encourage you to consider your own Rotary Foundation, when choosing where to put your charity dollar.

For others you may be searching for a way to make a more significant donation now or in the future, perhaps from your future estate and I would be happy to direct you to the right person from our RISPPO office to help you organise this.

For our ongoing Centurion donors and Paul Harris Society members, we thank you for your continued support and this is of course a reminder for those who have not yet made this year's contribution that the end of year is fast approaching. To track your donations:

Go to rotary.org

Click on Member Center and log in

Click on the V at the right of your name in top right hand corner

Go to your My Donations which opens up the Donor Self Service page

Then on the right Click Donor History Report

It will slowly open up to "View your contribution history"

In "Individual Reports", click on "Donor History Report"

This will then show last year's and current year's donation in US DOLLARS and of course your total On the right are your Recognition Points in US Dollars, every person's will vary even if they pay the same amount each year, depending on the exchange rate at the time they donated.

To donate visit **rotary9510.org** and download a form from the Rotary Foundation dropdown or alternatively use the Rotary Foundation link <a href="https://my.rotary.org/en/donate">https://my.rotary.org/en/donate</a>

District 9510 Foundation Committee - Giving

### **FOOD HYGIENE & SAFETY SAUSAGE SIZZLES**

Sausage sizzles can be a great fundraiser for charities and community groups. By following a few basic guidelines you will ensure that the food served is safe to eat.

#### PREPARATION & STORAGE OF FOOD

 Store and transport uncooked meat, including sausages and meat patties, in a refrigerator or on ice in an esky until you are ready to cook them. This will help prevent contamination by dust and flies and the cool temperature will slow down the growth of bacteria.

- Meat is a high risk food, therefore must be stored either below 50 C or above 600 C.
- Slicing, marinating or skewering of raw meat products should be completed prior to leaving for the site.
- Food must be protected from flies, rodents and other insects as well as from the public.
- Raw food must be kept separated from cooked food to avoid cross contamination. Never place cooked meat back on trays that held raw meat.
- Food must be stored above ground level in clean containers with lids.

#### **COOKING**

- Use thin sausages rather than fat ones.
- Sausages are safe when they are cooked all the way through and this is easier to do with thin ones.
- Cook over moderate heat. This will help the meat to be cooked right through. Make sure the juices run clear and there is no pink meat in the middle.
- Food must be cooked at a high enough temperature to destroy bacteria. Make sure food is steaming hot

   test the centre to see.
- Don't cook too much food at once. Cook food in small batches rather than one large batch.
- Keep cooked sausages on the BBQ hotplate above 600 C and serve cooked food directly from the barbeque.

#### HANDWASHING FACILITIES

- Adequate hand washing facilities, including running water, soap and disposable paper towels must be available.
- Temporary food premises can provide running water by filling large water containers that have a tap valve at the base. Where possible, these containers should be filled with warm water. Another container (eg bucket) should be placed under the tap to collect the waste water and keep the site clean and dry.
- Hands must be washed thoroughly before preparing food, after handling raw meat and after visiting the toilet, wiping nose, touching hair, etc.

#### **FOOD HANDLERS**

- Do not handle food if suffering from gastroenteritis, coughs, colds or with uncovered or open sores.
- Keep all equipment and utensils thoroughly clean.
- Do not smoke whilst handing food.
- Food handlers must have clean protective clothing.
- Food handlers should not handle money at the same time as handling food. One person should be the cook and another designated to take the money.
- Use tongs, forks and other utensils to handle food. Bare hands must not come into contact with food which is to be consumed without any further heat processing.
- Food should be wrapped in a serviette before given to public.
- Rubbish should not be allowed to accumulate.

#### **'HEALTH OF THE RIVER' 2021 FORUM**

# MONDAY 20<sup>th</sup> September - Friday 24<sup>th</sup> September, 2021

Applications commence June 1st

CALPERUM STATION, Renmark, South Australia

#### WHERE SCIENCE, THE ENVIRONMENT & COMMUNITY COMBINE

The Health of the River Forum is for Yr. 9 & 10 students interested in science, protecting the environment & natural resource management. It provides hands on learning and mentoring from specialist ecologists on a working conservation and research property. Supported by Rotary Clubs, the Forum provides transport, accommodation, meals, a wonderful learning experience and lifelong memories.

Students will rotate through diverse and interesting activities during the programme. They will work alongside

Calperum Ecologists and Researchers, learning about and participating in, environmental research and management projects, with an emphasis on 'River Health'. Activities will include a focus on sustainable water management and irrigation practices, salinity issues, environmental flows, conservation, land degradation and rehabilitation and more!

Throughout the program participants will be exposed to challenges and scenarios which help develop a range of skills essential for not only science work, but also everyday life. These include: Team work, Analytical thinking, Research Methodology, Data collection and Reporting.

This 5 day camp brings together students from across 3 states and includes fun and social activities that will bond the students together and provide lasting memories of this special opportunity.

# Cost: \$590 (paid by your local Rotary Club)

# Service Clubs Association of SA (SCASA)

Applications are now open for the Premier's Service Clubs Awards so we would love to hear about the activities / projects Clubs have been involved in over the last 18 months. Nominations forms and the criteria for the different categories can be found on our website https://scasa.org.au/projects-awards

Have you been involved in a Health, Youth or Social Inclusion activity?

Then tell us about it in 500 words and you may be the winner of the category and win a monetary prize

Each of the winning entries then have the opportunity to be selected as the Premier's Distinction Award The judging panel for the Awards will be made up of independent individuals who are not part of the committee or are involved in a Service Club but a cross section of our South Australian community

Have you joined with 2 or more Service Clubs on a project?

Have you been involved in a Community Activity or Education

Then please tell us about it and you may be a winner

WE ALSO HAVE SPECIAL INDIVIDUAL AWARDS TO ACKNOWLEDGE PEOPLE IN OUR COMMUNITY FOR THEIR VOLUNTEER SERVICE

**HEIDE TAYLOR AWARD** Recognises an individual who has shown exceptional Community Service

**ALLAN SLOAN AWARD** Recognises a young person who has offered volunteer service to the community

HARRY TILLYER AWARD Recognises a school which has encouraged and participated in Community Service

These individuals do not have to belong or be connected to a service club to be nominated

This Year as a once off we are going to offer an Award for a project that has been undertaken due to COVID Bushfires or Drought.

SAVE THE DATE Sunday 31<sup>st</sup> October for our awards luncheon at the Glenelg Golf Club

Every Friday morning at 7:45am our Walking Group meets outside the Caledonian Hotel on Barton Tce West, North Adelaide.

We walk for about 45mins, then gather for a cuppa and a chat at Pellegrini Café, O'Connell St Currently we have members from 3 clubs, Friends of the club and others who join us weekly Anyone is welcome.

Please come and join us for some healthy exercise and great fellowship.

On the last Friday of the month we have an "Away Walk" and meet in another suburb. Phone Russell on 0417672559 for details.

# **Calling for Volunteers!**

The Road Transport Historical Society Inc in Alice Springs, NT is a not-for profit organisation that runs the Road Transport Hall of Fame Museum and the Old Ghan Museum. We rely heavily on volunteers to run, maintain and provide an engaging experience for visitors.

Due to Covid-19, and border closures over the last 12 months, our volunteer numbers have dropped significantly.

In exchange for volunteering for a reasonable of hours per week you would be entitled to FREE powered or unpowered ( if you prefer ) camping site within our grounds.

Volunteering jobs range from cleaning, counter service, café work, retail, grounds maintenance, vehicle restorations, construction of displays and so many more things. There are no limits on the length of volunteering time, whether it be 2 days or 2 months.

# No matter your experience or capabilities we would love to have you.

Give us a call on 08 8952 7161 or email office@roadtransporthall.com to have a chat about how we could work together.

The Community Workshop, a project of Rotary Club of Morialta operates daily in morning and afternoon blocks of approx. 3 hours and Saturday mornings. We currently have 60 active members who enjoy fellowship and skill sharing whilst engaged in various personal projects, such as restorations and many projects destined for community use or sale, such as bread boards and bird nesting boxes.
