### Join the Rotary D9510 on-line Footy Tipping competition

to determine the best-of-the-best in this *major field of endeavour*

(and the added benefit of a little inter-club rivalry).

### How it works:

- It's open to Rotarians, family, friends, alumni, pets - anyone;
- The Entry fee is only \$20
- There will be weekly cash and give-away prizes plus bragging rights through the season;
- Major end-of-season prizes will be determined once the number of participants is known;
- The competition is part of the [www.footytips.com.au](http://www.footytips.com.au) on-line competition so it's super-simple;
- Anyone with internet access can tip and check their standing (and it's also easy for the club Sergeant to pick up fines).

***Payment instructions will be provided once you have emailed your interest or registered online.***

***Round 1 commences Thursday 18<sup>th</sup> March 2021 so **ACT NOW*****

#### **All you need to do is:**

# Another Great Rotary Youth Sailing Experience on offer !!

**School Holidays: Sunday, April 11<sup>th</sup> – Thursday, April 15<sup>th</sup> 2021**

Quite a number of Rotary Clubs are already organised to send students on this 5-day sailing adventure on the tall ship the 'One & All'.

If your Club has not yet been involved, then plan to join the ever-growing group seeing the outstanding benefits this unique program gives young people.

Modern youth rarely face a combination of real, physically and emotionally demanding challenges. A training voyage on the *One & All* gives this in bucket loads!! It is hard and demanding but the kids thrive on it and grow. It is also well supervised by experienced sailors and safe.

Quite a number of Rotary Clubs are already organised to send students on this 5-day sailing adventure on the tall ship the 'One & All'.

## **DISTRICT 9510 ENVIRONMENTAL ACHIEVEMENTS CONFERENCE DISPLAY**

It has become obvious that many Clubs have long-standing or new projects supporting the ENVIRONMENT. At the forthcoming District Conference we aim to celebrate and share our great community work in this direction. Each club can have a space allocated to display an A3 size poster of their best Environment project in recent times. Please make sure there isn't an empty space where your Club's poster should be. Your poster design is up to you and your creativity. All we require is size A3, hopefully colourful, and clearly showing your Club name. See a couple of simple examples.

ROTARY CLUB OF ZZZZZ.

SIGNAGE IN OUR LOCAL RESERVE

All posters required by **9th April** AT THE LATEST.  
Email to [will4444sa@gmail.com](mailto:will4444sa@gmail.com) and we can print for you. Alternative send to Lvl 3, 97 Pirie St Adelaide in a circular tube for protection.
