# Mount Serle Station

A unique Rotary Opportunity

The Rotary Club of Maitland [S.A.] is partnering with the Iga Warta Community of the Northern Flinders with the aim of establishing an Eco-wilderness experience on Mount Serle Station situated east of Copley, a few kms north of the Copley Arkaroola Road.

In order to create this opportunity there is the need for the Mount Serle Homestead complex to be 'rejuvenated' [the complex has been empty to the elements and feral intrusions for some years]. It is hoped that in 2022 two working groups will travel to Mount Serle Station in order to begin preliminary cleaning, repairs as necessary and painting.

The Maitland Club however has a particular problem in that most of its members are retired farmers – **WE HAVE NO TRADESPEOPLE IN OUR CLUB** e.g plumbers, builders, electricians etc, who can advise and/or assist with this project.

The Club is therefore seeking to partner with another club that may wish to be involved in this exciting project. It is also seeking the assistance of tradespeople as indicated who may be willing to advise and / or assist as required.

The Mount Serle Homestead complex features two ex-Leigh Creek houses, the main homestead together with shearer's quarters and shearer's cooks facilities. One of the ex-Leigh Creek houses is able to provide accommodation [three bedrooms plus further sleeping space if required, bathroom, toilet facilities, equipped kitchen & laundry] with the opportunity also provided for those so desiring to hook up for power to support caravans or campervans [240 volt power is supplied by direct line i.e. there is no generator required].

At this stage Maitland Rotary Club is not seeking financial assistance but rather assistance and Advice as to how the project might best proceed.

It is envisaged that in addition to work with reference to the project, those attending will be able to enjoy great fellowship in a unique wilderness area.

**Clubs or individuals interested in becoming involved are asked to contact President Elect David Amery, 0476996882 or 0455 839 885 /or email [coraliea1947@hotmail.com](mailto:coraliea1947@hotmail.com) or PO Box 40 Port Victoria S.A. 5573.**

## Responding to the Ukraine crisis

The Rotary Foundation has launched a *worldwide appeal* to support the Ukrainian people affected by the current fighting in their country.

From now until 30 April 2022, all donations to the Foundation's *Disaster Response Fund* will be made available to the Rotary District in Ukraine and to designated Rotary Districts bordering Ukraine sheltering refugees from the war-torn country. From now until 30 June 2022 those Rotary Districts will be able to access this Fund to apply for *disaster response grants* to purchase items such as water, food, shelter, medicine and clothing.

The first Rotary club was established in Ukraine in 1929. During and after WW2, Rotary International made a decision to suspend Rotary activity in the Ukrainian Occupied Territories. The first postwar Rotary club was established in Kyiv in 1991 and Rotary has grown throughout the country since then. Rotary is also well-established in neighbouring countries particularly in Poland where many refugees have fled.

In 2021 local Rotary clubs established a *Rotary Peace Square* in Kyiv.

Rotary volunteers on the ground in Ukraine and these neighbouring countries will be able to use the funds raised to help the suffering Ukrainian people.

Those wanting to make a donation can go to *Rotary Foundation Australia* website [here](#) and click on the *Ukraine* link on the homepage.

For more information please telephone Maurie Stack 0427 668 821 or Mark Anderson 0408 622 698

# PROVIDING SHELTER AFTER DISASTER

ShelterBox is responding to the Ukraine crisis.

Right now we are sending a team to Eastern Europe to understand the type of emergency shelter people fleeing Ukraine need. We are also exploring whether our aid will be suitable, and which locations we might be able to work in.

Your support today could provide lifesaving aid for families affected by the Ukraine crisis, or in other countries where we work, like Yemen, Syria or the Philippines.

## Peacebuilders group update

We are all concerned about the situation in Ukraine and no doubt hoping there is something we can do to assist. Here are some things that you may want to do (and share with others):

1 Sign the petition at [Petition · ROTARIANS SAY NO TO WAR · Change.org](#) This is a message of peace. Let the world know we want peace.

2 Read and share the Rotary International Statement:

<https://my.rotary.org/en/statement-rotary-international-ukraine>

### Rotary International statement on Ukraine conflict

It is a tragic and sad time for the people of Ukraine and the world.

At Rotary, we are deeply concerned by the deteriorating situation in Ukraine and the escalating loss of life and humanitarian hardship there. Continued military action against Ukraine will not only devastate the region, but also risk spreading tragic consequences across Europe and the world.

As one of the world's largest humanitarian organizations, we have made peace the cornerstone of our global mission. We join the international community in calling for an immediate cease fire, withdrawal of Russian forces, and a restoration of diplomatic efforts to resolve this conflict through dialogue.

In the past decade, Rotary clubs in Ukraine, Russia and nearby countries have transcended national differences and have actively engaged in peace-building projects to promote goodwill and to marshal assistance for the victims of war and violence. Today, our thoughts are with our fellow Rotary members and others in Ukraine coping with these tragic events. Rotary International will do everything in its power to bring aid, support and peace to the region.

# RAWCS Flood Relief Appeal

A national flood appeal has been set up to provide assistance for flood victims in Queensland and Northern NSW. Australians impacted by the recent floods will be the beneficiaries of money raised by Flood Appeal and will be able to liaise with their local Rotary Club to advise of their needs. The fundraising campaign was launched to support the communities in need after yet another disaster impacting Australians.

*“The money raised from the Appeal will go directly and quickly to support those impacted, providing essential items and financial support where Disaster relief and Insurance claims won’t stretch,”* said Rotary Australia World Community Service Ltd CEO Andrew Woodward

Tax-Deductible Donations to the appeal can be made here: <https://donations.rawcs.com.au/flood-appeal> or from the Rotary Australia World Community Service website at <https://rawcs.org.au>

## SCIENCE AND ENGINEERING CHALLENGE

### Volunteer Expression of Interest

The Science and Engineering Challenge (SEC) has been operating since 2003 here in South Australia. The SEC aims to inspire and motivate year 9 and 10 students to begin a journey along a pathway to make a difference to our community by studying science and engineering at a senior level and increasing their awareness of related careers. The SEC provides a fun filled day with exciting and challenging activities that will engage the minds of our young participants!

To make this happen we need volunteer supervisors, working in small teams of 2 or 3 to supervise a group of students undertaking one of the hands-on activities. Full instructions and briefings are provided prior to the day.

Your main job will be encouraging the students to start and, shortly after, encouraging them to finish!

### Volunteers are required for the following dates:

- Wednesday 8<sup>th</sup> June (Findon, 36er's Basketball Arena)
- Thursday 9<sup>th</sup> June (Findon, 36er's Basketball Arena)
- Friday 10<sup>th</sup> June (Findon, 36er's Basketball Arena)
- Wednesday 15<sup>th</sup> June (Flinders University)
- Thursday 16<sup>th</sup> June (Flinders University)

# Cross Egypt Challenge®

a cross-country rally throughout Egypt

Cross Egypt Challenge is an international cross-country motorcycle and scooter adventure tour conducted throughout the majestic and fascinating Egypt. This amazing Rotary project started in 2011 for the purpose of promoting tourism to Egypt, and for the past 11 years, Rotarians and riders from over 50 countries took part in this adventurous challenge.

The 2022 season of Cross Egypt Challenge will start on **October 6, last for 10 days** and will pass by Egypt's top attractions and off the beaten track destinations including Sinai, Luxor, the Red Sea Riviera and the Egyptian Eastern Desert

Participation is open for Rotarians and non-rotarians and their accompanying spouses or friends from around the globe. People who do not ride motorcycles or scooters can also join this amazing adventure and be hosted in air-conditioned chase vans.
