The Seaford Rotary Seaside Walk

This walk will be held on **Sunday, October 16**. This is a picturesque 5 km walk along The Esplanade from Port Noarlunga South to Moana. This event has raised in excess of \$20,000 for suicide prevention and mental health initiatives.

Please support this event [and](#) nominate a team from your club. Free sausage sizzle at the conclusion of the walk for all registered participants. Tickets <https://www.trybooking.com/CBRSR>

FROM YOUR DISTRICT PROTECTION OFFICER...

RI Policy requires all clubs to appoint a Protection Officer

It is expected (but not required) that the Club Youth Protection Officer is also the Club Insurance and/or Club Risk Management Officer.

The requirements of the Protection Officer will vary from Club to Club. In Clubs that host an exchange student or have a standalone Club youth program, the Protection Officer will need to oversee appreciably more than in Clubs that do not. In all Clubs the Protection Officer is to ensure that whenever a young person involved in a Rotary program comes to the Club or a Club event, they are treated respectfully.

It is strongly recommended that the Rotarian taking up the role of a Club Protection Officer attends a youth training session at least annually. They should also complete a RI e-training course at <https://learn.rotary.org/members/learn/course/422/Protecting%2520Youth%2520Program%2520Participants>

See the Master Protection Policy document Appendix 1 for details of the CPO's role. This document is found at <https://rotary9510.org/sitepage/governance-information>.

If you have any questions or queries about protection policy or matters in our District, please contact **Mark Thomas, District Protection Officer**, at either mthomas1947@bigpond.com or on 0401671850

NYSF YEAR 12 PROGRAM

National Youth
Science Forum

www.nysf.edu.au

Applications open early April

DIGITAL AND IN-PERSON
LAB VISITS • LECTURES • SITE TOURS • WORKSHOPS • SOCIAL EVENTS

ABOUT THE PROGRAM

The NYSF Year 12 Program has run for over 38 years and is one of the best-known science, technology, engineering and maths (STEM) experiences in Australia for young people. It has helped over 13,000 + alumni realise life-long STEM literacy.

This youth-led, program gives students a broad understanding of the diverse study and career options available in STEM. Students visit world-class facilities, participate in hands-on workshops and meet Australia's leaders in STEM.

"NYSF is an amazing opportunity to hear from a wide array of professionals, to get university, career and general life advice and to meet lots of friendly Year 12 students. It is a chance to think about the future of STEM and how a new generation of scientists can make an impact on the world for the better."

- 2021 NYSF Participant

Students currently studying in Year 11 are eligible to apply via www.nysf.edu.au

The 2023 NYSF Year 12 Program will run on weekdays between **10 – 24 January 2023**

The Program fee is \$1950, with an early-bird \$25 non-refundable application fee for applications submitted before 24 July 2022. A \$65 non-refundable application fee will apply for applications submitted between 25 July and 14 August 2022.

Learn more [here](#).

The Australian Golfing Fellowship of Rotarians will be holding their 45th Annual Tournament in Tura Beach, New South Wales, located on the picturesque Sapphire Coast, 4.9 km from Merimbula and approx. halfway between Sydney and Melbourne and 3 hrs from Canberra.

This event brings Rotarian Golfers and their partners together from across Australia to a wonderful week of competition fun and fellowship.

The Rotary Club of Merimbula are thrilled to be hosting this event which will be held at the magnificent Tura Beach Country Club, a true championship Peter Thomson designed golf course which offers spectacular views of the ocean and so much more. The beautiful 18-hole championship layout is a must-play for both serious and leisure golfers.

Superb tours have been planned for non-golfers and guests, while golfing Rotarians enjoy the Tura Beach Country Club Golf Course.

Proceeds will go towards the all abilities play area at Spencer Park, Merimbula.

The Welcome Dinner / Cocktail Party / Registration will be held at the Tura Beach Country Club on Sunday 26 March 2023, the Make Up Dinner at the RSL Club, Merimbula, on Tuesday 28 March and the Presentation Dinner at Club Sapphire, Merimbula, on Friday 31 March.

Thank you for your support

Two special Interstate Youth Challenge Sails

The One & All tall ship will be in Melbourne in May/June 2023 officially as part of the Rotary International World Convention. She will be taking Conference delegates on short cruises on the Yarra from Docklands.

She is also offering the opportunity to young people to set sail for one of two seven day voyages.

The first 7-day Sailing Challenge will be voyaging around the rugged SA/Vic coastline when the One & All departs **Adelaide on Friday 26th May 2023** bound for Melbourne. The second 7-day Sailing Challenge will be returning to Adelaide, departing **Melbourne on Sunday 4th June 2023**.

South Australian and Victorian young people will be involved in both of these voyages.

These special voyages have already created a lot of interest so we would urge clubs to inform us if they feel they may want to participate. The total cost of these Special Voyages is **\$1,900pp**. It comprises:

- the shipboard cost of the young people for seven days
- additional insurance and Melbourne Harbour costs for the One & All
- interstate air fares and sundry accommodation and transport costs for interstate young people joining or returning from a Challenge Sail.

We are expecting commercial sponsorship will cover some of these costs particularly for disadvantaged students but would ask clubs to select (where possible, otherwise we can help) suitable students remembering we wish to have a wide variety of young people including young people who are considered disadvantaged.

We hope that clubs will raise as much of the \$1,900 as possible with a minimum of \$1,100. There is an opportunity for clubs to share the cost. (We would hate to see a disadvantaged young person miss out, so if your club falls short of the total, contact us and we will see if commercial sponsorship may be able to assist in getting them aboard.)

For further information contact **David Binks 0438 221 937 dpbinks@senet.com.au** or
Don Will 0414 554 402 dwill@wilkingroup.com.au
