Coolangatta is the venue for the 2025 Rotary Pacific Zone Conference, from the 31st October 2025 to the 2nd November 2025.

We are encouraging all Rotarians and Rotaractors to come together. All are welcome.

You will be inspired and motivated as we connect and share ideas to grow Rotary and activate the strategic priorities of Rotary International (RI) and The Rotary Foundation (TRF).

Our 2025 event will be held at the Twin Towns Conference and Function Centre, Tweed Heads, just a few minutes stroll to Coolangatta and Gold Coast Beaches.

Register early to enjoy Queensland's warm hospitality.

See you on the Gold Coast!

PDG Ingrid Waugh2025 Zone Conference Chair

D9510 YOUTH EXCHANGE PROGRAMME

Some Clubs of the wrong belief they are too old so cannot find host families.

All Clubs can be involved in some way, those of us with life experiences have much to offer an exchange student.

Can you make it happen?

“My youth exchange year was one of incredible change and growth for me. In addition to seeing so much of the rest of the world and making such wonderful friends, I changed in ways I never knew was possible. Thankyou Rotary for the best year of my life.”

Further details: Paul Thomas AM
Youth Exchange Chair
Mobile: 0438 211 600 email: pthomas1960@bigpond.com

Rotary Clubs of D9510 Appeal

South Australian Drought Relief Project

1,000+ Hay Bales to feed Starving Livestock

<https://RotaryAdelaideCentral.org.au/projects/save-sa-farmers-livestock-giant-hay-bales-appeal>

Farmers across SA, particularly in the mid-North region, are in desperate straits trying to source enough feed for their Sheep, Cattle, Horses and more.

*Food is running out! Animals are starving.
Suffering. Dying. The drought has hit hard!*

With your Club's help, we have a way to get hundreds of huge Round Hay Bales at a crazy discounted price of \$110 (current RRP ranges between \$170 and \$300) from Victorian farmers wanting to assist their SA compatriots, as we were able to assist them last year.

\$ 110 = 1 big round Hay Bale
\$ 3,520 = 1 truck load of 32 Bales
\$ 88,000 = 25 truck loads - 800 Bales
\$ 177,000 = 50 truck loads - 1,600 Bales ... etc

Your Club Can Help!
Every \$110 buys a Bale!

- Spread the word with your members, their families, friends and colleagues. Talk to your local Businesses.
- Engage your local Media & Social Media.
 - Know a Farmer desperate for Hay? Encourage them to Register for Help:- <https://access.berts.world/241128487290055>

SO, WHATS HAPPENING IN 2025?

Just a quick note to keep you in the loop with what's happening with our RYLA and RYPEN programs for 2025.

First, as of 2025 we have amalgamated the committees of both programs, which will give us the opportunity to streamline running the programs. RYLA has always sourced past RYLA graduates to staff the RYPEN program as well as the RYLA program, and our new combined committee will help with this.

As of 1/7/25 the RYLA program (and RYPEN as well) will be regionalised. On a club level there will be very little change for 2025. We are still covering the same area as when a 9510 District program and so will continue to use the 9510 District name to identify our program at this stage.

I will continue in my role as Committee Chair, but it will now be the RYLA/RYPEN Committee. There will be 2 new program co-ordinator roles on the committee to run each of the programs directly. Any correspondence for either program can be directed to my email address of ryla@rotary9510.org to answer any of your queries.

2025 PROGRAM DETAILS:

RYPEN - is being held Friday 29th to Sunday 31st August 2025 at the Nunyara Conference Centre with the cost of \$425 per participant (\$415 for subsequent applicants sponsored by the same club). Online applications will close on 28/7/25.

RYLA - is being held Saturday 20th to Friday 26th September 2025 at the Nunyara Conference Centre with the cost of \$1150 per participant (\$1100 for subsequent applicants sponsored by the same club). Online applications will close on 15/8/25.

There has been no increase in applicant sponsorship costs for 2025 and we again look forward to the support of your club in making these programs a success. If you have any queries please email me and we will get back to you. If your club would like a presentation on our programs contact me as soon as possible to arrange a date.

And on a final note, please drop by the Rotary Summit Showcase in May to say hi, have a chat and collect some of our updated flyers.

From Helen Marshall, Chair, RYLA/RYPEN Committee (9510)

FOUNDATION MOMENTS

Quick insights into your charity — The Rotary Foundation

How Does The Rotary Foundation Recognize Rotary Clubs?

Donations to the Foundation are essential to securing and expanding our programs throughout the world. We recognize with gratitude clubs that make extraordinary contributions.

- **100% Paul Harris Fellow Club:** All members are Paul Harris Fellows (one-time banner)
- **100% Foundation Giving Club:** \$100+ per capita annually; each member gives \$25+ to Rotary funds.
- **Every Rotarian, Every Year Club:** \$100+ per capita annually; each member gives \$25+ to the Annual Fund.
- **Top Three Per Capita in Annual Fund Giving:** Banners to top three clubs in each district with the highest per capita Annual Fund giving.
- **100% Paul Harris Society Club:** Banner is awarded to clubs in which every member contributes at least \$1,000+ annually to the Annual Fund, PolioPlus, or an approved global grant.
- **100% Rotary's Promise Club:** All members commit \$1,000 or more to the Endowment via gifts or estate plan. These clubs receive a certificate upon request.

Will you help your club be recognized by the Foundation this year?

< Visit my.rotary.org/donate

PLEASE HELP

Following record-breaking rainfall, western Queensland is being inundated by the worst floods to hit the region in fifty years, [with more rain forecast](#) for the next few days.

Hundreds of residents have been forced to evacuate, thousands of homes are at risk and [farmers are losing substantial amounts of stock](#), significantly impacting their families and livelihoods.

The full scale of this situation is still unfolding, but it is expected to be severe.

Districts 9620 and 9560 are working together to support impacted communities. They have already appointed a disaster coordinator, conducted an initial needs assessment, and contacted state and local government authorities to collaborate.

Addressing mental health issues will likely become a key focus of their efforts following the disaster.

How you can help

There are two ways you can support these efforts and be sure that the funds will help directly:

- Donate to the **District 9560 Disaster Fund Account** (NO tax deductibility, therefore suitable for **club and district donations**, for **immediate funding availability**) - BSB 633000 and Account Number 186414595

and/or

Donate to the **Rotary Foundation Disaster Response Fund** (WITH tax deductibility in Australia, therefore suitable for individuals, in support of the **Disaster Response Grant application** that is being prepared by the districts) - [DONATE HERE](#)

Thank you kindly for your consideration.

Yours in Rotary,

Andrew Gillespie & Sue Mulraney

RESILIENCE FIRST AID STARTER TRAINING

Discover Connected Resilience with RFAST's transformative 3-hour workshop, designed to equip you with essential tools and strategies for fostering mental well-being in yourself and others.

WHY ATTEND RESILIENCE FIRST AID STARTER TRAINING (RFAST)?

Delve into the evolving world of mental health prevention and learn how to create a supportive environment through psychosocial hazard awareness.

Join us to unlock your potential in promoting resilience and embark on a journey of personal growth and empowerment for the betterment of your community, workplace, and personal life.

Included in RFAST:

- RFAST Participant Workbook - Summary of the workshop content, space for notes, plus your own Active Strength analysis and personal Resilience A
- Completion Certificate - Evidence of ongoing development marking attended training

Date & Times:

TO BOOK - Email - admin@mentalhealthpartners.com.au or call 0402 749 850

Training Outcomes:

By participating in RFAST's workshop, you will:

- Develop an appreciation for mental health prevention strategies
- Understand the significance of supporting resilience in others
- Enhance your ability to recognise when someone needs resilience support
- Identify your strengths and create a resilience action plan

Curriculum Overview:

The RFAST workshop covers the following topics:

- The evolution of mental health towards prevention, emerging trends in therapies, and
- The concept of Connected Resilience and strategies for cultivating it
- The six resilience domains, including their highs, lows, and risk factor awareness
- Identifying your unique strengths and creating a tailored resilience action plan

RFAST Summary:

3-hour workshop Purpose:

- Preventative approach to mental health
- Develop a culture of resilience
- Psychosocial hazard awareness training
- Understand resilience & create an action plan

Open to anyone

Formats:

led

Fees: \$20 Booking Fee

All Inclusive

Vision of Islands

Tuesday 22 April 2025

6.00 pm – 8.00 pm, Bridgeport Hotel—Murray Bridge

The Rotary Club of Murray Bridge invites you to a special evening with ophthalmologist Dr John Willoughby OAM, the founder of Vision of Islands who will talk about his Island visits. Recently, carrying supplies by boat to the Pacific Islands, he and his team, together with indigenous staff, provided free-of-charge cataract removal for South Pacific Islanders (of all ages) who would otherwise be blind.

Vision of Islands is a non-profit volunteer eye surgical & clinical team who have been travelling to these areas since 1996 providing consultations, eye tests, cataract surgery and other clinical services. As a RAWCS (Rotary Australia World Community Service) project, you are invited to contribute via this link.

<https://directory.rawcs.com.au/58-2023-24>

Please RSVP by 14th April 2025

Secretary Julieanne on 0417 846 176 or murraybridgerotary@gmail.com

This presentation will occur at our regular dinner meeting. Please indicate your attendance as numbers are required for catering purposes. Cost including meal is \$27 per person.

Application for Interactive Classroom on Government School

Project title: Interactive Classroom_(Implementing Interactive Classrooms to Enhance Learning Outcomes in Nepali Government Schools)

Project Summary:

The objective of this project is to transform traditional classrooms into interactive learning environments in Nepali government schools. This will involve integrating technology, promoting active participation, enhancing collaboration, and fostering critical thinking among students. By doing so, the project aims to improve educational outcomes and equip students with the skills necessary for the 21st century.

Project Objectives:

1. **Engage Students Actively:** Foster active participation and involvement in learning activities.
2. **Enhance Understanding:** Use various interactive methods to deepen students' comprehension of the material.
3. **Promote Collaboration:** Encourage teamwork and peer-to-peer learning through group activities and discussions.
4. **Develop Critical Thinking:** Challenge students to think critically and solve problems through interactive tasks.
5. **Facilitate Immediate Feedback:** Provide real-time feedback to students to help them correct misunderstandings promptly.
6. **Increase Motivation:** Make learning more enjoyable and engaging to boost student motivation and interest.
7. **Personalize Learning:** Cater to different learning styles and paces through adaptive and personalized teaching techniques.
8. **Utilize Technology Effectively:** Incorporate technological tools and resources to enhance interactive learning experiences.
9. **Improve Communication Skills:** Develop students' verbal and written communication skills through interactive dialogue and presentations.

Foster a Positive Learning Environment: Create a supportive and inclusive atmosphere where students feel comfortable participating.

ADDITIONAL INFORMATION IS AVAILABLE BY CONTACTING THOSE BELOW

We seek your approval and support for this transformative initiative, which promises to make a significant positive impact on the education system in Nepal.

Thank you for considering our proposal.

Sincerely,

PP. Rtn. Resham Ghimire,

Secretary 2024-25 Rotary Club of Lamjung

The National Youth Science Forum (NYSF) program for 2025/26 is open for applications.

Here is the link [How to apply for the NYSF program](#) Here is a link to promotional material. <https://www.nysf.edu.au/2026-nysf-year-12-program-resources/>

Please encourage your Youth Director and all members of your club to spread the word to the young people in your lives to consider this great STEM opportunity for year 11 students.

The NYSF has had wonderful support from Rotary for many years and has provided great learning, friendship and development opportunities to students who have participated in years past.

The students will in the first place apply to NYSF where they will be directed to seek out a relationship with their local Rotary Club.

Students may also approach your Club directly in which case please refer them to the NYSF registration link above. Many parents pay all of the cost (about \$3000) but there are quite a few who struggle financially to meet the cost of the program. Students will be assessed by the NYSF application process and be informed of their result. Successful students may then approach your club for some contribution to the cost.

If your club is able to sponsor more than one student, which may occur is a number of students live in the same area, that is great, or you could refer them to another club that may not have been approached by a student. When you engage with a student, please explain that it is desirable if they could return to your club after the completion of the event to talk about their experience. This is a great public speaking opportunity in front of a friendly, supportive and encouraging audience for the student. As you engage with students, please remind them of the great opportunities that Rotary holds for your leadership development and community service. This is also an opportunity to develop relationships with the parents or other family members and friends of the student.

As you would know, we have, since COVID, had a new selection process in place. The privacy and child protection requirements are mandated by law and we all do our utmost to comply with these regulations.

As we move forward, the Rotary District NYSF Chairs are working with NYF to improve the processes for all involved. We are all learning, and we encourage feedback in the spirit of helping us all make the NYSF events something that the students will cherish and be encouraged in their endeavours.

It is my hope that we all work with a positive attitude to support this great STEM outreach initiative as Rotary has done so well for so many years. I thank you all for your help and hard work to support our youth as they face their futures and eventually contribute through the power of their collective experiences with the NYSF and Rotary.

Please contact me if you have questions, suggestions or comments.

Kind regards, Richard S. Bowyer ([SMIEEE](#))

CAN YOUR CLUB HELP?

This program is run and largely financed by the Rotary Club of Waikerie. Typical cost is \$14000 per event and whilst there is some sponsorship, additional cash is needed. Six regional High Schools participate being, Waikerie, Loxton, Renmark, Nuriootpa, Mannum and Faith Lutheran College. Last year 158 students, 12 teachers and 23 volunteers (predominantly Rotarians) participated in the event.

Maybe there is a point in your life, you experience difficulty in going out in various weather conditions, driving at night, trying to hear at noisy venues and eating alternate drop meals.

Perhaps you are experiencing mobility or vision loss issues.

Why not try something different - Unlike meetings where tables are in circles or back to back, we use a *Brady Bunch* screen display, so you can see ALL members all the time.

All this can be done from your computer, tablet or mobile phone.

Meet from the warmth and comfort of your own home without travel.

Enjoy a Rotary meeting in the comfort of your own home

Enjoy your own meal and some light refreshments

End Polio - Zone/International update

POLIO IN NUMBERS

<u>Year – Global totals</u>	<u>2025 ytd</u>	<u>2024</u>
Wild Polio Virus (WPV)	7	98
circulating Vaccine Derived Polio Virus (cVDPV)	15	278

Data as of 26 March 2025

Insight

The goal of a **Polio free world** is NOT beyond our reach.

The decrease in cVDPV cases, thanks to the Novel Oral Polio Vaccine, is very encouraging

Governments across the world are continuing to fund EPN campaigns.

News

Addressing Polio in Pakistan

At the beginning of February, GPEI and country partners successfully completed a nationwide immunization campaign in Pakistan, one of the last two countries where wild poliovirus (WPV) remains endemic.

The campaign aimed to vaccinate over 45 million children under the age of 5 across 159 of the country's 166 districts.

More than 400,000 frontline workers went house to house to ensure every child was reached

Thanks to **RC Morphett Vale for hosting an End Polio information night** on 2 April, with talks on:

Global Polio Eradication Initiative (GPEI) and Rotary's involvement;

First-hand experience living with Polio since contracting the virus before vaccines were available; and

A Rotarian's point of view from participating in an Indian vaccination program in 2024.

President Phil presented a cheque for A\$2,000 for the End Polio campaign – well done!

Many Clubs do not have EPN or Foundation giving goals. Similarly, many Clubs have not yet contributed any funds to the EPN campaign.

Please consider, as **any donation will attract a 2:1 benefit from the Bill & Melinda Gates Foundation.**

SEEKING VOLUNTEERS.

Join the ROMAC Team – Make a Life-Changing Impact!

ROMAC (Rotary Oceania Medical Aid for Children) is seeking passionate **Rotary People of Action** to help transform the lives of disadvantaged children through life-saving medical care. Volunteering with ROMAC is an incredibly rewarding experience—you'll witness firsthand the joy of seeing a child return home healthy and full of hope.

We are currently recruiting for:

- ◇ **HR, Training & Recruitment Chair** – Lead volunteer recruitment, onboarding, and training. A key role ensuring ROMAC's success.
- ◇ **Treasurer & Company Secretary (Director)**– Oversee financial management, compliance, and reporting as a Board member and company director.
- ◇ **Fundraising & Engagement Director** – Drive fundraising efforts and strengthen partnerships with Rotary, government, and industry supporters.

The above roles require Rotary membership in **Zone 8/South Pacific Region**.

- ◇ **Website Administrator** – Seeking a highly skilled and detail-oriented Web Administrator to be responsible for managing and maintaining our website.

Want to get involved? You can also volunteer at the **Regional ROMAC Committee** level in fundraising, media, hospital liaison, patient care, and more.

20 JUNE 2025. CALGARY, CANADA

Three Reasons to Attend

Unite Against Malaria

Strengthening Coordination for Success.

Current malaria organizations require coordinated strategies.

Collaboration has been proven to work with positive outcomes and increased energy.

Rotary's Reach: Volunteers have been increasing in numbers, with strengthened boots on the ground efforts in nearly all 85 endemic countries.

GMEC is a call for Unity: Enhancing collaboration can positively amplify our efforts against malaria.

Together We Can: Join forces to create a stronger, unified approach to eradication

End Malaria for Good

A Realistic Goal.

Success Stories: 25 countries have eliminated malaria since 2000.

Proven Strategies: Effective on-the-ground approaches are already established.

Collaborative Efforts: Global partnerships are enhancing eradication efforts.

Innovative Solutions: New technologies, vaccines and treatments are paving the way for progress.

Public Awareness: Educating communities is key to prevention and control.

Join the Fight: Together, we can make malaria history

Unlock Your Potential

Connect. Learn. Act.

Networking Opportunities: Forge valuable connections with peers and experts.

Insights from Thought Leaders: Gain knowledge from pioneers, experts and innovators.

Continuous Learning: Attend sessions that deepen your understanding of malaria eradication.

Meet Sponsors and Partners: Explore relationships that can amplify your impact.

Promote Action: Utilize the Rotary platform to drive meaningful initiatives and outcomes.

Join us at GMEC and become educated in our collective efforts to create a malaria-free future
