

## July 2025 Edition

Dear Rotarians and Rotaractors from District 9510,

Thank you for giving your time to read our district classifieds. I had the pleasure of meeting some of you and will use every opportunity to meet as many of you as possible over the next 12 months.

As you would be aware, Rotary in South Pacific is in the midst of a transformation. We are all in it together to ensure that Rotary gears up to meet the challenges and continues to serve the community. My personal journey in Rotary commenced decades ago and I had the honour of serving as the 100<sup>th</sup> President of my club, Rotary Club of Adelaide. I had the privilege of meeting many incredible Rotarians in our district and witnessing first hand the amazing work that they do exemplifying the fact that Rotarians are people of action.

Immediate past district governor Marie-louise Lees (M-l) should be thanked for ensuring that Rotary activities in our district progressed in a smooth manner despite the uncertainties and changes due to the pilot. I would like to take this opportunity to inform you that the multi district summit format that M-l and Michael Lapina started will continue next year also. Three districts (9780, 9800 and 9510) will be coming together to host the multi district conference in Horsham, Victoria on the 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> of March 2026. I have booked my accommodation in Horsham and I suggest you do the same. Another exciting Rotary event that I have already registered for is the Rotary International convention in June 2026. The home of the semi-conductor industry, vibrant and colourful city of Taipei, Taiwan will be hosting the Rotary International convention in 2026. Early bird registration is now open and I suggest you book now to get good deals on both the registration and accommodation, you will find more details inside this classifieds edition.

I would like to conclude by introducing your district board for 2025-26:

District Secretary – Pam Vaughton  
District Finance Chair– Tony Simmons  
Service Projects and Programs – Florian Ploeckl  
Corporate and Admin – Andrew Johnson  
IT and Communications – Robin LeGallez  
District Foundation Chair – Peter Schaefer  
Learning and Development – Di Clements  
District Rotaract Representative – Steph Hopkins  
District Governor Elect – Tim Mee  
District Governor Nominee – Damian Leach  
Immediate Past District Governor– Marie-Louise Lees

Look forward to Uniting for Good and working with you all while serving above self in this new Rotary year

Thank you

Kind regards

Rajeev Kamineni

# HELP US GET MICHAEL COOK MOVING

Rotary  
Club of Berri

& the Berri Bike Boys

The project seeks funding to assist in the purchase and modification of a wheelchair-accessible vehicle—a Toyota Hiace bus—for Michael Cook, a respected Riverland community member who became an incomplete quadriplegic following a cycling accident in April 2023.

Michael, a former Rotarian of 20 years, Past President and GSE Team Leader. He was a Paramedic with SA Ambulance for 30 years and spent the past 30 years volunteering with Operation Flinders, CFS, SES and St John Ambulance. The vehicle will enable Michael to travel to essential medical appointments, attend community events, and reconnect with the social groups and volunteer networks that have long been part of his life. The project is community-led, with fundraising coordinated through the Rotary Club of Berri and the Berri Bike Boys cycling club

### DRIVING EFFECTIVE DDF DISTRIBUTION PLAN

Starting 30 June 2026, unused District Designated Funds (DDF) older than five years will be reallocated by the district to approved Rotary programs. Now it is a great time to review your DDF reports and actively plan to use older funds. Districts must notify The Rotary Foundation by that date regarding unspent funds from the 30 June 2021 rollover.

Alternatively, districts are encouraged to support Global Grant applications using their rollover DDF.

Please consider making a donation to The Rotary Foundation before 30 June. Let's make every dollar count for meaningful change in our communities!

Will and I are fundraising for the Adelaide Plunge.

We have a team of 3 passionate Rotaractors, myself Tyson and Jess!

We all have to raise a minimum of \$850 each to abseil down the Intercontinental.

**28<sup>th</sup> September 2025**

*The Regal Cinema, Kensington Road  
Kensington Park*

Arrive 1.30pm for movie at 2.30pm

Though scant details of the new film have been released, it's likely the action will pick up when *A New Era* left off, particularly as it has been revealed that Dominic West will be reprising his role as the actor Guy Dexter, last seen riding off into the sunset with butler Thomas by his side. The marriage of Lady Mary and Henry Talbot was on the rocks in the last film, and though she didn't stray, his absence points to a divorce or estrangement in this new film. Meanwhile, the family will be adjusting to life without their great matriarch, Lady Violet, and we might also see some of the children growing up and getting up to mischief.

## 1,000+ Hay Bales to feed Starving Livestock

<https://RotaryAdelaideCentral.org.au/projects/save-sa-farmers-livestock-giant-hay-bales-appeal>

Farmers across SA, particularly in the mid-North region, are in desperate straits trying to source enough feed for their Sheep, Cattle, Horses and more.

*Food is running out! Animals are starving. Suffering. Dying. The drought has hit hard!*

With your Club's help, we have a way to get hundreds of huge Round Hay Bales at a crazy discounted price of \$110 (current RRP ranges between \$170 and \$300) from Victorian farmers wanting to assist their SA compatriots, as we were able to assist them last year.

- \$ 110 = 1 biground Hay Bale
- \$ 3,520 = 1 truck load of 32 Bales
- \$ 88,000 = 25 truck loads - 800 Bales
- \$ 177,000 = 50 truck loads - 1,600 Bales ... etc

## FOR SALE—BBQ TRAILER

Adelaide Footy League are in the process of moving premises and cleaning house so to speak.

We have BBQ Trailer as per below. We've had since new just prior to COVID19 and in that time its probably cooked about 10 Sausages.

We purchased it for around \$7500 but before we advertise it generally, we thought we'd offer it to other Not For Profits first.

If you have any clubs interested, we'd be more than happy to part ways with it for \$4000 or thereabouts.

## SO, WHATS HAPPENING IN 2025?

Just a quick note to keep you in the loop with what's happening with our RYLA and RYPEN programs for 2025.

First, as of 2025 we have amalgamated the committees of both programs, which will give us the opportunity to streamline running the programs. RYLA has always sourced past RYLA graduates to staff the RYPEN program as well as the RYLA program, and our new combined committee will help with this.

As of 1/7/25 the RYLA program (and RYPEN as well) will be regionalised. On a club level there will be very little change for 2025. We are still covering the same area as when a 9510 District program and so will continue to use the 9510 District name to identify our program at this stage.

I will continue in my role as Committee Chair, but it will now be the RYLA/RYPEN Committee. There will be 2 new program co-ordinator roles on the committee to run each of the programs directly. Any correspondence for either program can be directed to my email address of [ryla@rotary9510.org](mailto:ryla@rotary9510.org) to answer any of your queries.

### 2025 PROGRAM DETAILS:

**RYPEN** - is being held Friday 29th to Sunday 31st August 2025 at the Nunyara Conference Centre with the cost of \$425 per participant (\$415 for subsequent applicants sponsored by the same club). Online applications will close on 28/7/25.

**RYLA** - is being held Saturday 20th to Friday 26th September 2025 at the Nunyara Conference Centre with the cost of \$1150 per participant (\$1100 for subsequent applicants sponsored by the same club). Online applications will close on 15/8/25.

There has been no increase in applicant sponsorship costs for 2025 and we again look forward to the support of your club in making these programs a success. If you have any queries please email me and we will get back to you. If your club would like a presentation on our programs contact me as soon as possible to arrange a date.

And on a final note, please drop by the Rotary Summit Showcase in May to say hi, have a chat and collect some of our updated flyers.

*From Helen Marshall, Chair, RYLA/RYPEN Committee (9510)*

# End Polio - Zone/International update

## POLIO IN NUMBERS

<u>Year – Global totals</u>	<u>2025 ytd</u>	<u>2024</u>
<b>Wild Polio Virus (WPV)</b>	12	98
<b>circulating Vaccine Derived Polio Virus (cVDPV)</b>	55	278

Data as of 27 May 2025

### **Insight**

**The goal of a Polio free world is NOT beyond our reach.**

The decrease in cVDPV cases, thanks to the Novel Oral Polio Vaccine, is encouraging. Governments across the world are continuing to fund EPN campaigns (confirmed at recent World Health Assembly, Geneva on 17-25 May).

### News

On 9 May 2025, WHO was notified of the detection of circulating Vaccine-Derived PolioVirus type 2 (cVDPV2) from stool specimens of two healthy children from Lae city, Morobe province, Papua New Guinea (PNG). Detection was part of an in-depth epidemiological investigation in the catchment area.

Papua New Guinea was certified polio-free in 2000, along with the rest of the countries in the WHO Western Pacific Region, following the last reported case of wild poliovirus (WPV) in 1996.

However, in 2018, an outbreak of circulating vaccine-derived poliovirus type 1 (cVDPV1) was declared in Lae City, in Morobe province, the same city now considered to be experiencing a new poliovirus outbreak. The current detection of cVDPV2 in an environmental sample and in healthy children in Lae city is both unusual and unexpected, as it is not related to the previous cVDPV1 polio outbreak in 2018.

**In Papua New Guinea, vaccination coverage is low**, which may facilitate the spread of cVDPV2. As of 2024, national vaccination coverage for the third dose of oral polio vaccine (OPV3) was 44%. In Morobe province, where the virus is currently detected, coverage with bivalent OPV (bOPV) remained below 40% over the past five years, ranging from 28-37%. Coverage for the first dose of inactivated polio vaccine (IPV1) has remained between 52-54%. However, Lae city has higher coverage, with 73% for bOPV and 90% for IPV1.

**Effective vaccination coverage is the only way to prevent the spread of Polio in any form.**

Many Clubs do not have EPN or Foundation giving goals. Similarly, many Clubs have not yet contributed any funds to the EPN campaign.

Please consider as **any donation will attract a 2:1 benefit from the Bill & Melinda Gates Foundation**

# DISTRICT GRANTS IN ACTION

## WHY NOT APPLY FOR A GRANT?

### **Rotary Club of Holdfast Bay Report for District Grant for Community Purposes**

The Rotary Club of Holdfast Bay has a long association with St Andrew's by the Sea Uniting Church, St Peter's Church of England, St Vincent de Paul Society and St Paul's Lutheran Church. Each of these churches have outreach programs where they assist those in need living in the Glenelg.

In the lead into winter the club purchases coats, socks and underwear for men and women. These goods are given to those in charge of the outreach programs so that these organisations can determine who should be the recipients of these goods.

The goods were purchase at K Mart Kuralta Park and totalled \$2,172.00, K Mart gave the club a \$200 discount and therefore the total amount outlaid was \$1,972.00 which is slightly under what we applied for.

We must acknowledge the support of K Mart in providing a discount on these goods.

The goods have been delivered to the 4 churches and have been gratefully received. Although we have had unseasonably warm weather there will be a point when all of these items are given out to those in need.

This project will be promoted on our facebook page.
