CONNECT SHARE GROW

GOLD COAST 2025

Coolangatta is the venue for the 2025 Rotary Pacific Zone Conference, from the 31st October 2025 to the 2nd November 2025.

We are encouraging all Rotarians and Rotaractors to come together. All are welcome.

You will be inspired and motivated as we connect and share ideas to grow Rotary and activate the strategic priorities of Rotary International (RI) and The Rotary Foundation (TRF).

Our 2025 event will be held at the Twin Towns Conference and Function Centre, Tweed Heads, just a few minutes stroll to Coolangatta and Gold Coast Beaches.

Register early to enjoy Queensland's warm hospitality.

See you on the Gold Coast!

GET MICHAEL COOK MOVING

Rotary
Club of Berri

Australian
Rotary
Districts

& the Berri Bike Boys

The project seeks funding to assist in the purchase and modification of a wheelchair-accessible vehicle—a Toyota Hiace bus—for Michael Cook, a respected Riverland community member who became an incomplete quadriplegic following a cycling accident in April 2023.

Michael, a former Rotarian of 20 years, Past President and GSE Team Leader. He was a Paramedic with SA Ambulance for 30 years and spent the past 30 years volunteering with Operation Flinders, CFS, SES and St John Ambulance. The vehicle will enable Michael to travel to essential medical appointments, attend community events, and reconnect with the social groups and volunteer networks that have long been part of his life. The project is community-led, with fundraising coordinated through the Rotary Club of Berri and the Berri Bike Boys cycling club

CONGRATULATIONS

Congratulations to the Clubs listed below who have received a Club Excellence Award for the 2024-25 year.

Enter your Club's Goals in Rotary Club Central for 2025-26, achieve the required number of Goals and your Club could be a recipient of an Excellence Award

The Club Excellence awards recognize clubs that achieve specific goals throughout the year, such as increasing their membership, engaging members in sustainable service projects, giving to The Rotary Foundation, building awareness of Rotary in your community, and having an up-to-date strategic plan.
When clubs achieve these goals, they contribute to Rotary's overall health and culture for generations to come.

We honour the following Rotary Clubs for receiving this award in 2024/25

Edwardstown, Elizabeth, Gawler Light, Glenelg, Lightsview, Magill Sunrise, Murray Bridge, Seaford, St. Peters, Whyalla

Free - Microsoft 365 - Not For Profit

Which Australian organisations are eligible? Microsoft's not-for-profit offers are available to organisations that are either, Not-for-profit or non-governmental organisations with recognised legal status in their respective country. In Australia, this means organisations must be either: deductible gift recipients endorsed by the Australian Taxation Office (ATO) or listed by name in the tax law; registered as a charity with the Australian Charities and Not-for-profits Commission; or income tax exempt not-for-profit organisations as defined by the ATO.

Full eligibility details can be found here: <https://www.microsoft.com/en-us/nonprofits/eligibility>. If you are unsure whether your organisation meets the eligibility criteria, we recommend you register and have your eligibility assessed by Microsoft.

How do I register for Microsoft's not-for-profit offers?

You can register by going to <https://nonprofit.microsoft.com/en-us/getting-started>. Microsoft will evaluate your organisation's eligibility and, if approved, you will be able to start taking advantage of the available offers.

2025-26 The Rotary Leadership Institute courses

REGISTRATIONS NOW OPEN

We, in District 9510 are invited to access the RLI courses offered virtually by District 9685, with the facilitators based in Sydney. Please consider taking up these excellent, cost effective learning opportunities.

RLI courses offer development opportunities for all Rotary members, newcomers to seasoned leaders seeking to refresh their skills to amplify their impact.

LEVEL ONE: RLI New Member Orientation Program

Supporting clubs to help orientate new members to Rotary, we are offering a 4-hour program which will help new members to begin to understand Rotary International with some hands-on tips on how to navigate the vastness that is Rotary.

Cost: is only \$15 via Zoom

Level 1 Schedule

- ❖ via Zoom: Sunday 24th August 2025 9am - 1pm
- ❖ via Zoom: Wednesday 25th AND Thursday 26th Feb 2026 6pm – 8.30pm
- ❖ via Zoom: Saturday 16th May 2026 9am – 1pm

LEVEL TWO: RLI Cornerstone Program

This program seeks to have Rotary clubs identify members with more than 12 months Rotary experience, who show potential for future club leadership (within their club and beyond, not just as future presidents) so they can be provided a quality education in Rotary knowledge and leadership skills, unique to voluntary organisations, and then apply them with confidence.

Cost: is only \$30 via Zoom (multiple sessions, 10 hrs in total)

Level 2 Schedule

- ❖ via Zoom: Wed/Thurs 3rd & 4th AND Wed/Thurs 10-11th September 2025 6pm – 8.30pm
- ❖ via Zoom: Sundays 8th & 15th March 2026 9am – 3pm

LEVEL THREE: Graduate Program

Experienced Rotarians taking their leadership to the next level with advanced knowledge. By bringing real opportunities to the workshop, participants can enhance their impact, through insights from the program and the peer coaching & mentoring from facilitators and fellow Rotary members.

Cost: only \$15 via Zoom (Standalone 6 Hour workshop format)

Level 3 Schedule

- ❖ via Zoom: Sunday 12th October 2025 9am – 3pm
- ❖ via Zoom: Wed 22nd & Thurs 23rd April 2026 6pm – 9pm

These courses are delivered by a team of district facilitators with all support materials provided.

We are looking at holding a face to face RLI course here in our district, once we have appointed a convener. The intent is to hold it in April, 2026.

It is usual for clubs to reimburse payment for their members to attend RLI course.

For more information about RLI please visit -

<https://rotarydistrict9685.org.au/sitepage/rotary-leadership-institute>

The Rotary Club of Henley Beach in collaboration with the Rotary Club of Jerez International are combining to walk sections of The Camino in Spain to raise money for Rotary's End Polio Now program.

Krystina from the Rotary Club of Henley Beach, along with her husband John, will join some of the members of the Rotary Club of Jerez International in the walk. Along the way we will speak to other walkers and community members about the work Rotary does towards eradicating Polio and seek donations for the program.

If you would like to follow us on our journey, look us up on the Rotary Club of Henley Beach Facebook page where there will be daily updates from 10/9/25.

If you would like to contribute either by sponsoring for kms walked or set dollar amount that would be great! Please forward any moneys to:

Quick insights into *your* charity — The Rotary Foundation

DRIVING EFFECTIVE DDF DISTRIBUTION PLAN

Starting 30 June 2026, unused District Designated Funds (DDF) older than five years will be reallocated by the district to approved Rotary programs. Now it is a great time to review your DDF reports and actively plan to use older funds. Districts must notify The Rotary Foundation by that date regarding unspent funds from the 30 June 2021 rollover.

Alternatively, districts are encouraged to support Global Grant applications using their rollover DDF.

Please consider making a donation to The Rotary Foundation before 30 June. Let's make every dollar count for meaningful change in our communities!

LIFT THE LID WALK

REGENCY PARK ROTARY

Regency Park Rotary Club meets every Friday morning throughout the year for a morning walk, a chat and a cuppa. **It's fellowship at its best.**

This coming **October** there are 5 Fridays in the month and all of them will be a **Lift the Lid Walk**.

You are invited to Join us, preferably for all 5 Fridays, but at least for 1.

The Kilometres that you walk each Friday will be accumulated though the month and at the end, tallied up.

What we would like you to do is nominate how many Km you will walk in the month and nominate a \$\$ value per Km.

But, before you start, find some family/friends/businesses who will sponsor your walks. Ask your Club to sponsor you. Your option, you can either pay for the Km that you walk yourself, or you collect from your sponsors. (or both).

There is no entry/nomination fee, but you will need to register your participation.

The 5 walks start each Friday morning (of October) at 7:45am, they last for about 45mins, then we gather at a café for a cuppa and a chat. The average walk is about 3km, but you can do more or less as suits you.

We meet outside the Caledonian Hotel Barton Tce West, North Adelaide then after the walk gather at Pellegrini Café O'Connell St, North Adelaide.

Next month we will provide registration details.

Get fit, walk with friends, meet new ones, enjoy a chat over a cuppa and importantly raise funds for **MENTAL HEALTH RESEARCH through Australian Rotary Health.**

PS: Pass this on to Family & Friends, the More the Merrier.

South Australian Drought Relief Project

1,000+ Hay Bales to feed Starving Livestock

<https://RotaryAdelaideCentral.org.au/projects/save-sa-farmers-livestock-giant-hay-bales-appeal>

Farmers across SA, particularly in the mid-North region, are in desperate straits trying to source enough feed for their Sheep, Cattle, Horses and more.

Food is running out! Animals are starving. Suffering. Dying. The drought has hit hard!

With your Club's help, we have a way to get hundreds of huge Round Hay Bales at a crazy discounted price of \$110 (current RRP ranges between \$170 and \$300) from Victorian farmers wanting to assist their SA compatriots, as we were able to assist them last year.

- \$ 110 = 1 biground Hay Bale
- \$ 3,520 = 1 truck load of 32 Bales
- \$ 88,000 = 25 truck loads - 800 Bales
- \$ 177,000 = 50 truck loads - 1,600 Bales ... etc

Your Club Can Help!

Every \$110 buys a Bale!

- Spread the word with your members, their families, friends and colleagues. Talk to your local Businesses.
- Engage your local Media & Social Media.

Australian Rotarians
Against Malaria

ATTENTION ALL ROTARIANS

Malaria is a dangerous illness causing 397,000 deaths annually worldwide (World Health Organization, 2024, Malaria Report), but can be treated successfully, if detected early. Malaria can be easily prevented as well. I had just about completed a blog on organic insecticides for World Mosquito Day, but this morning Friday, August 8th, I received a report from Professor Michael Good at Griffith University that there have been **71 cases of malaria** so far this year, on the Torres Strait Island of Boigu. Boigu is in Australia but only five kilometres from Papua/New Guinea (PNG). There is a treaty between PNG and Australia allowing reasonably free movement of people between PNG and Boigu (ABC News, Queensland, June 5th, 2025). The number of malaria cases is rising exponentially in Papua/New Guinea due to poor management (Good, 2025; The World Health Organization, 2024). Sick people often come by boat from PNG to be treated at Boigu. Mosquitoes do not mind travelling in boats, or aeroplanes either for that matter. Good (2025) is also concerned that changes in the manufacture of bed nets has rendered them less effective, that mosquito biting behaviour in PNG has changed to commencing in the early evening when people are still working outside, and funding for malaria control has vastly diminished. Of concern is the fact that two cases were locally acquired, that is acquired from another infected person living in the same vicinity, not introduced. Climate change also plays a major role.

The main malaria mosquito vector in the South west Pacific is **anopheles farauti** of which there are seven sub species, several of which are native to Australia (you learn something new every day) **Safe, reliable personal insect repellents**, an essential component of malaria prevention and management, are usually easy to access in Australia. Insect repellents usually contain DEET or Neem (Howard, 2013). Many people would have Neem Oil (related to Cedar and T Tree Oils) in their gardening shed. but I do not recommend trying this. Oil of Nutmeg is also promising but needs more research. The Queensland Health Department has sent public health teams to the Torres Strait Islands, The best strategy is not to be bitten by mosquitoes in the first place. This involves health promotion, with the use of screens, bed nets, light clothing that covers the entire body, an appropriate insect repellent, eliminating pools of water and spraying for mosquitos (ABC News, Queensland, June 5th, 2025). This is all happening as we speak.

Would you like to continue your Rotary Journey? ...and all from home

<https://rotary9510online.org>

Maybe there is a point in your life, you experience difficulty in going out in various weather conditions, driving at night, trying to hear at noisy venues and eating alternate drop meals. Perhaps you are experiencing mobility or vision loss issues.

Why not try something different - Unlike meetings where tables are in circles or back to back, we use a *Brady Bunch* screen display, so you can see ALL members all the time. All this can be done from your computer, tablet or mobile phone. Meet from the warmth and comfort of your own home without travel.

Enjoy a Rotary meeting in the comfort of your own home
Enjoy your own meal and some light refreshments

SO, WHATS HAPPENING IN 2025?

Just a quick note to keep you in the loop with what's happening with our RYLA and RYPEN programs for 2025.

First, as of 2025 we have amalgamated the committees of both programs, which will give us the opportunity to streamline running the programs. RYLA has always sourced past RYLA graduates to staff the RYPEN program as well as the RYLA program, and our new combined committee will help with this.

As of 1/7/25 the RYLA program (and RYPEN as well) will be regionalised. On a club level there will be very little change for 2025. We are still covering the same area as when a 9510 District program and so will continue to use the 9510 District name to identify our program at this stage.

I will continue in my role as Committee Chair, but it will now be the RYLA/RYPEN Committee. There will be 2 new program co-ordinator roles on the committee to run each of the programs directly. Any correspondence for either program can be directed to my email address of ryla@rotary9510.org to answer any of your queries.

2025 PROGRAM DETAILS:

RYPEN - is being held Friday 29th to Sunday 31st August 2025 at the Nunyara Conference Centre with the cost of \$425 per participant (\$415 for subsequent applicants sponsored by the same club). Online applications will close on 28/7/25.

RYLA - is being held Saturday 20th to Friday 26th September 2025 at the Nunyara Conference Centre with the cost of \$1150 per participant (\$1100 for subsequent applicants sponsored by the same club). Online applications will close on 15/8/25.

There has been no increase in applicant sponsorship costs for 2025 and we again look forward to the support of your club in making these programs a success. If you have any queries please email me and we will get back to you. If your club would like a presentation on our programs contact me as soon as possible to arrange a date.

And on a final note, please drop by the Rotary Summit Showcase in May to say hi, have a chat and collect some of our updated flyers.

From Helen Marshall, Chair, RYLA/RYPEN Committee (9510)

End Polio - Zone/International update

POLIO IN NUMBERS

<u>Year – Global totals</u>	<u>2025 ytd</u>	<u>2024</u>
Wild Polio Virus (WPV)	12	98
circulating Vaccine Derived Polio Virus (cVDPV)	55	278

Data as of 27 May 2025

Insight

The goal of a Polio free world is NOT beyond our reach.

The decrease in cVDPV cases, thanks to the Novel Oral Polio Vaccine, is encouraging. Governments across the world are continuing to fund EPN campaigns (confirmed at recent World Health Assembly, Geneva on 17-25 May).

News

On 9 May 2025, WHO was notified of the detection of circulating Vaccine-Derived PolioVirus type 2 (cVDPV2) from stool specimens of two healthy children from Lae city, Morobe province, Papua New Guinea (PNG). Detection was part of an in-depth epidemiological investigation in the catchment area.

Papua New Guinea was certified polio-free in 2000, along with the rest of the countries in the WHO Western Pacific Region, following the last reported case of wild poliovirus (WPV) in 1996.

However, in 2018, an outbreak of circulating vaccine-derived poliovirus type 1 (cVDPV1) was declared in Lae City, in Morobe province, the same city now considered to be experiencing a new poliovirus outbreak. The current detection of cVDPV2 in an environmental sample and in healthy children in Lae city is both unusual and unexpected, as it is not related to the previous cVDPV1 polio outbreak in 2018.

In Papua New Guinea, vaccination coverage is low, which may facilitate the spread of cVDPV2. As of 2024, national vaccination coverage for the third dose of oral polio vaccine (OPV3) was 44%. In Morobe province, where the virus is currently detected, coverage with bivalent OPV (bOPV) remained below 40% over the past five years, ranging from 28-37%. Coverage for the first dose of inactivated polio vaccine (IPV1) has remained between 52-54%. However, Lae city has higher coverage, with 73% for bOPV and 90% for IPV1.

Effective vaccination coverage is the only way to prevent the spread of Polio in any form.

Many Clubs do not have EPN or Foundation giving goals. Similarly, many Clubs have not yet contributed any funds to the EPN campaign.

Grant Report

New Beginnings 2024-2025

Project of the Rotary Club of Mawson Lakes Inc

Year 5

Between the months of December 2024 and April 2025 our club has purchased supplies to create approximately 30 home starter packs for women setting up new homes after escaping violent home situations/homelessness.

Participants were offered a choice of products by Women's Safety Services workers -Northern area, at the time clients left emergency accommodation.

Goods were purchased on- line and delivered to the Women's Safety Services for distribution. With the shift in accommodation and availability of on site storage, we can now have most items delivered direct without the need for volunteer travel.

A budget of approximately \$100 per kit is used as a guideline, approximately 20% more than when we started 5 years ago. Not all recipients choose a full kit.

Service Manager Clare reports a steady demand for emergency support stating that the placement of women and children in motels is at its peak and any practical support for families in crisis is much appreciated. Whilst government funding has recently been made available for purchase of whitegoods, the provision of small start-up items is still a legitimate contribution to assist those with limited financial means.

One individual who is in contact with our club revealed she was a recipient of a kit and still uses some of the products several years later.

The picture below left is of the first kit wrapped for the launch of the project in 2020. We do not usually wrap the products. Below right -the latest delivery of frypans and saucepans from a new supplier. We are constantly looking for economic products that will serve the purpose of home start up
