What is RYLA

The Rotary Youth Leadership Awards is a 7-day residential leadership seminar for 19 to 26 year olds, held annually at the Nunyara Conference Centre, Belair.

The program is fully funded by local Rotary Clubs and is a recognised Rotary International Program.

RYLA is an opportunity for young adults keen to exercise their leadership potential to participate in a range of formal and informal activities, promoting the development of leadership skills.

It is a chance for upcoming young leaders in our community to add to, or build, the skills to use in their educational or work life, personal life and in their community.

RYLA is a peer led, Rotary supported program hosting a diverse group of 19 to 26 year olds, communicating and learning from each other.

Activities

Awardees will be supported and encouraged through activities like:

- Guest Speakers
- Forums
- Seminar Sessions
- Team Building
- Problem Solving
- Sport & Recreation

RYLA incorporates guest speakers who cover a diverse array of topics including public speaking, conflict resolution, ethics, living your passions, goal setting, self-defence, volunteering & leadership. The week incorporates self-development through a variety of mechanisms including reflection (individually and as a team), team work, sports and outdoor activities, dancing and many others. Although awardees will be challenged, RYLA is a fun and engaging program. RYLA also provides the opportunity for awardees to make new friends and connections.

Skills

Through these activities, awardees will learn and reinforce valuable leadership skills, including but not limited to:

- Public Speaking
- Self Confidence
- Presentation
- Conflict Resolution
- Corporate & Social Ethics
- Creative Thinking
- Problem Solving
- Team Building
- Being a Valuable Team Member
- Goal Setting
- Building Relationships

RYLA's focus is on assisting young people to develop their abilities as leaders, and to encourage them to reach their full potential as valuable members of society.

Participants are given the opportunity to develop their leadership, communication and problem-solving skills, practicing new behaviours, forging life-long friends and challenging their personal belief systems and values.
