## Rotary YOUTH EXCHANGE AUSTRALIA RYEA

For **students aged 15-17** who are interested in travelling and experiencing a new culture.

Through Rotary Youth Exchange, you will spend a year studying abroad living with Rotary volunteer host families who will introduce you to a new culture, language, and lifestyle in one of over 12 countries.

## NEW GENERATIONS Service EXCHANGE NGSE

New Generations Service Exchange is a three month program for university students and young professionals aged 23 to 30 to go overseas on an educational, cultural and/or volunteer exchange (or a combination of all).

## Rotary Youth Leadership AWARDS RYLA

RYLA is a 7 day residential leadership seminar for aspiring leaders aged **18 to 25 years**. The week incorporates a lot of self development through a variety of mechanisms including reflection (individually and as a team), team work, sports and outdoor activities, dancing, and many others.

Participants can seize the opportunity to develop leadership, communication and problem solving skills, can practice new behaviours, forge life-long friends and challenge their personal belief systems and values.

## Rotary Youth Program of ENRICHMENT RYPEN

RYPEN provides a group of **young people aged 14-17** an opportunity to develop valuable leadership skills.

This weekend long program will see you engage with likeminded people, while having fun and learning new skills in areas such as problem solving and public speaking.

On top of learning these skills, RYPEN will give you a chance to put them to practical use, through debate and physical activity.

## National Youth Science Forum NYSF

For Year 11 students passionate about science, NYSF gives an opportunity to visit a large variety of some of Australia's leading scientific facilities and talk to many of our top scientists enabling informed career choices to be made.

It's also a fantastic opportunity to meet like-minded people and establish professional relations and life-long friendships.

## THE SCIENCE EXPERIENCE

The ConocoPhillips Science Experience is a fun 3 or 4 days of science activities for Year 9 and 10 students who are interested in science. Participants perform experiments in the laboratories, meet and hear senior lecturers in the lecture theatres, attend site visits and walk around and experience what it is like to be on the campus of a university or tertiary institution.
