

**Rotary International Statement Regarding
Unauthorized Communication and Misuse of ClubRunner Member Data**

May 31, 2025

Unauthorized communications by any individual or group to members or clubs in the district, including misuse of ClubRunner member data, violates Rotary policy. The RI Board may take action up to and including removal of membership in Rotary for those found to be involved in such activities. Should you wish to contact members or clubs, please request permission from your district governor before each use.
