

**2019 District Conference
Wyndham Hotel
May 3 – 5, 2019**

**Friday and Saturday night accommodation are
included in the conference registration fee.**

Wyndham Hotel Overview

Gettysburg is a destination filled with American history. The Wyndham embodies this Old-World charm with its patriotic decor and presidential ambience. Everyone will feel like a royal guest as they enter the elegant lobby. A good first stop is the onsite Gateway Theater, which plays a 30-minute film that depicts the Battle of Gettysburg. Rooms are designed with a combination of period pieces and modern amenities. Families can opt for suites with more space or standard rooms. Kids can spend some quality time at the indoor pool or game room. Pets are welcome and kids stay free! Two restaurants await your family at the hotel — the 1863 Restaurant and Old Eagle Grill. Wyndham encourages guests to see all there is to see outside of the hotel. Gettysburg is teeming with family-friendly activities. Families can visit the National Park Museum or take a popular ghost town downtown.

Retreat to a sprawling hotel, dining and entertainment campus near the heart of one of America's most historic and beloved cities. Our charming, family-friendly hotel, the Wyndham Gettysburg features beautifully appointed, stately rooms and suites, farm-fresh cuisine, and easy access to Gettysburg's historic monuments and sights. Take your pick of adventures from touring epic battlefields to wine tasting at local vineyards.
