

**Madison Rotary**  
**Family Membership Policy**  
**Adopted June 13, 2019**

Madison Rotary recognizes the emphasis that Rotarians place on their families and strives to be more family-friendly in our programs and services. Our family membership initiative encourages Rotarians to invite family members to join Madison Rotary in giving back to the community through the well-organized structures of Rotary. Rotary offers an excellent vehicle for leadership development and business networking, provides a medium for learning about community needs in a variety of areas, and gives opportunities to participate in hand-on service projects in ways that truly impact the local and global communities.

Madison Rotary offers the following family pricing incentives:

- Primary member of a family is responsible for paying full membership price.
- Additional family member(s) who reside(s) at the same address (e.g., spouse, partner, parents, children, grandparents, grandchildren, etc.) can elect to have club dues waived by contacting the membership secretary.
- Additional family member(s) is (are) responsible for district and Rotary International dues.
- Additional family member(s) will enjoy full Rotary membership.
- There are no limits to the number of additional family members.
- All Rotarians are responsible for paying their own meals.
