

## **Risk Management**

**The U.S. Rotary Club & District Liability Insurance Program (U.S. Club Program) provides all U.S. Rotary clubs, districts, and Rotaract clubs with commercial general liability insurance and directors & officers/employment practices liability insurance, subject to policy terms and conditions.**

You have received this email because you are an officer or officer-elect of your U.S. Rotary club.

**Renewal Notification:** We are writing to inform you that current U.S. Rotary Club & District Liability Insurance Program policies will expire 1 July 2025. To ensure continuous coverage, new insurance policies will be purchased. Risk Management will strive to match the same coverage provided by the expiring policies.

Insurance assessment rates are influenced by several factors. These include the overall state of the U.S. insurance market (which is stable but experiencing modest rate increases), costs of the U.S. Club Program insurance policies, expenses incurred to manage the U.S. Club Program, and the rising cost of claims (due to increasing medical and legal expenses). These factors will likely contribute to a modest assessment rate increase.

For budgeting purposes, the new insurance assessment rates for Rotary clubs will be sent to you in June 2025 and will be billed on the July club invoice.

In the coming months, Risk Management will email you about:

- Firework Displays
- 2025-26 insurance assessment rates (June)
- 2025-26 insurance policies (July)

Certificates of insurance for the 1 July 2025-26 policy year will be available in June 2025 and posted on the Insurance Portal (along with other insurance resources).
