

Student Exchange with Japan 2026

Rotary Districts
7475 & 2670

July 1 – July 22, 2026

Students Age 15 -17

We are seeking high school students ages 15-17 to participate in a 3-week trip to Japan this July. This is the 48th year of this program with fellow Rotarians in Shikoku Japan, and over those years it has changed the lives of thousands of students and families.

Unlike a traditional tourist experience, the exchange creates deep cultural understanding and meaningful connections.

The cost of the trip is \$4,500 all inclusive, including airfare. Students must be recommended by a local Rotary Club and are selected through an application and interview process.
