## WELCOME TO THE 101ST DCA

WHERE FELLOWSHIP, PURPOSE, AND IMPACT MEET

It is a joy to welcome you to this year's District Conference and Assembly and to present the **DCA 101 Delegate Companion**.

As we gather at **Speke Resort Munyonyo, Kampala**, from **23 to 25 April 2026**, we are honoured to host Rotary and Rotaract leaders, members, partners, and friends from across Uganda, Tanzania, and beyond for what promises to be a truly memorable District experience.

This companion has been thoughtfully prepared as your pocket guide for the conference. Within it, you will find essential information to help you navigate the experience with ease, from venue guidance and protocol notes to practical details that will make your stay smoother and more enjoyable.

While compact in size, its purpose is simple: to keep you informed, prepared, and fully connected to the experience of DCA 101.

We hope these days leave you inspired by the conversations, enriched by the fellowship, and proud to be part of a District on the move.

Welcome to DCA 101. Welcome to connection, celebration, and impact.

**Bildard Baguma**  
**Chair, 101st District Conference and Assembly**  
**Rotary Club of Muyenga Tankhill**

## A DEFINING MOMENT IN OUR ROTARY JOURNEY

It fills me with great joy to welcome you to this special gathering. The District Conference and Assembly is always a defining moment in our Rotary year, but this one carries special significance. It is a moment to reflect on how far we have come, celebrate what we have built together, and look ahead with renewed courage and purpose.

Over the next three days in Munyonyo, you will experience the very best of our District. As we gather, we will also celebrate four key pillars that are reflected in the programme ahead and that continue to shape the strength and future of our District: Membership, Partnerships, Innovation, and Continuity. These pillars speak to who we are becoming and to the kind of impact we are committed to sustaining together.

You will meet people whose stories will inspire you, hear ideas that will challenge you, and share moments that will stay with you long after the conference closes.

Come ready to engage fully. Come ready to celebrate our journey. Come ready to see why this is more than a conference; it is an experience of Rotary at its finest.

Welcome to DCA 101. Let us gather, learn, and continue moving forward together, one act at a time.

**Rtn. Christine Kyeyune Kawooya**  
District Governor, Rotary District 9214  
Rotary Club of Muyenga Tankhill

## ENERGY. FELLOWSHIP. THE FUTURE IN MOTION.

What a joy it is to welcome you to this incredible District experience. For Rotaractors especially, DCA is one of those moments that reminds us why we belong, why we lead, and why this journey matters. It is where energy meets purpose, where friendships deepen, and where the future of Rotary and Rotaract feels real, visible, and exciting.

This year, I hope you do not simply attend the conference; I hope you live it. Step into every conversation. Show up for every meaningful moment. Meet new people. Learn boldly. Celebrate loudly. And take pride in being part of a generation that is shaping impact in fresh and powerful ways.

DCA 101 is not just a place to be informed. It is a place to feel inspired, seen, and challenged to dream bigger.

Welcome to the fellowship. Welcome to the movement. Welcome to DCA 101.

**Rtr. Alebar Kanyonza**  
District Rotaract Representative, Rotary  
District 9214  
Rotaract Club of Kyengera

# BE THERE FOR THE EXPERIENCE THAT WILL STAY WITH YOU

It is a great honour to share in the 101st District Conference and Assembly, a gathering that represents some of the very best of Rotary. A District Conference is not simply an annual event on the calendar. It is one of the most powerful expressions of Rotary life, where fellowship is strengthened, service is celebrated, ideas are exchanged, and leaders are renewed for the work ahead.

What makes this moment especially important is that it brings together many different voices and experiences under one shared purpose. In these few days, delegates will not only hear important messages and engage with inspiring speakers, but they will also witness the strength of partnership, the beauty of Rotary fellowship, and the collective commitment to making a lasting difference in our communities.

I encourage you to make the most of every moment. Enter each session ready to listen. Join every conversation with openness. Celebrate every success with gratitude. Build new friendships and strengthen old ones. The value of a conference like this often goes far beyond the programme itself. It lives in the ideas you carry home, the people you meet, and the renewed sense of purpose you gain.

May this conference leave you inspired, encouraged, and even more committed to Rotary service.

**PDG Victor Paa Kwesi Mensah**  
Rotary International President's Personal Representative

# AFRICA IS RISING: GROW TO SERVE

As we gather for the 101st District Conference and Assembly, we do so at a time of great possibility for our region and our continent. Africa is rising, and Rotary must rise with it, not only in numbers, but in relevance, visibility, leadership, and impact. This moment calls us to grow with purpose so that we may serve more boldly, more strategically, and more sustainably.

District Conferences are important because they bring together the full energy of Rotary in one place. They remind us that we are part of something larger than our individual clubs and projects. They create space for reflection, learning, partnership, fellowship, and renewed commitment. They allow us to celebrate progress while also challenging ourselves to think bigger about the future we are building.

I encourage every delegate to approach this conference with intention. Come ready to learn from others. Come ready to build meaningful connections. Come ready to discover new possibilities for membership growth, stronger clubs, deeper public image, and greater service impact. Most of all, come ready to be inspired by what is possible when Rotarians and Rotaractors move together with shared purpose.

Africa is rising. Let Rotary grow to serve it even better.

**Emmanuel Katongole**  
Rotary International Director,  
2026 - 2028
