Nobles and Ladies please be advised that as of today all payments for events, functions, dues, donations etc. that are to be paid by credit card must be phoned in rather than sending the information on the registration forms or e-mails. This is a restriction imposed by the credit card companies for your safety, ours and that of the credit card companies to avoid credit card fraud. Our fees for processing will be increased substantially unless this change is made. Registration forms etc. can still be filled in with the usual information about what you want to register for but you will have to either call the Shrine Centre with your credit card number or stop by the office if you wish to pay by debit, cash or cheque (cheques of course can also be mailed). We appreciate your help in complying with these regulations and we are just a call away if you need assistance. The purchaser agrees to purchase the items selected below. Payment if made by VISA or M/C, the amount due will be charged to my card prior to delivery. All checks must clear bank accounts prior to delivery. Cash is readily accepted.
