MEMBERSHIP, KEY OF ROTARY

Starting my clubs visits with Grenada, I would like to highlight three things:

- The unwavering commitment of our first District Governor Sir John WATTS;
- The contribution of all the Rotarians of Grenada to the success of our last district conference;
- The example that gives us AG Alana WILSON in carrying out the responsibility of Assistant Governor as Immediate Past President of her club!

Yes, if there is something that differentiates a Rotarian of any other service club member, it is her/his **ENGAGEMENT** to **CHANGE LIVE**.

Membership month, month of changes in perspective:

- ✓ with the support of RI Staff, I took the initiative to launch the establishment of the first District 7030 e-club: in a few months, we will be happy to provide an additional tool to recruit members of quality;
- ✓ the Rotary Club of Portsmouth, second club of Dominica, is on track to be chartered in a few weeks: visit the achievements of this provisional club at www.rotaryportsmouth.org

ENGAGE ROTARY, CHANGE LIVES !

District Constitution and By-Laws Process

by DG Hervé HONORE

The proper functioning of our district must rely on rules and procedures known to all.

Like the District 7020 (North Caribbean Islands), which has similar characteristics to ours (insularity, multiplicity of countries, three languages, etc.), and closest to us to our District 7030 Rotaract clubs, it is time that we have Constitution and By-laws in RI District 7030.

Wishing to associate all Rotarians, the following process will be implemented so that at the next district conference (from 22nd to 26th April 2014 in Martinique), they can be ratified:

- July/August 2013: establish of a first draft by DG Hervé, DGE Elwin and DGN Milton with PDGs advices
- August/September 2013: clubs analyzes and amendments.
- **26th October 2013**: Council of Governors (DG, DGE, DGN, PDGs) et Clubs Presidents meeting to establish the Final Draft of Constitution and By-laws (in Barbados)
- November/December 2013: Draft approval by clubs during club assembly
- **26th April 2014**: District ratification during District Assembly.

At the end of this process, every Rotarian will know with transparency how our district is administered.

District Grants

In District 7030 Strategic Plan for 2013-2016, the budget mobilized for District Grants in the Rotary year 2013/2014 district is:

- 28 000 US\$ for Rotary Clubs
- 4 000 US\$ for Rotaract/Interact Clubs.

Forms must be sent to DG Hervé HONORE, PDG Cees DILWEG, as District Rotary Foundation Chair and PDG David EDWARDS, as District Grants Subcommittee Chair.

We will do an update on District Grants allowed.

Official Visit to Grenada Clubs

It was a unique opportunity that was given to me in Grenada to meet Rotarians, visit successful projects, speak with the Prime Minister and the Governor General, and attend the Rotary Club of Grenada Handing Over. Special mention to the members of the Rotaract of Grenada for our Saturday morning meeting!

Official Visit to Sainte-Lucia Clubs

Neighbors of Martinique, Rotarians of Saint Lucia have given to me a particular welcome. The three Rotary Clubs (Gros Islet, Castries and Vieux Fort) and the Rotaract Club were able to highlight their commitment to serve. A little extra with the evening fellowship on the old rig. Thanks to MJ!

Rotary Club de Maracas/St Joseph Hand Over

"Engage Rotary, Change Lives," was the new Rotary theme for 2013-2014 as pointed out by in-coming President Julian Wilkins during his acceptance speech at The Rotary Club of Maracas / St. Joseph President's Handover Ceremony on June 30th 2013, Great House Ortinola.

Addressing fellow Rotarians and their Partners in Service, President Wilkins said, *"Engage Rotary, Change Lives is a powerful theme as highlighted by Rotary International's President Ron Burton. While there's a lot different about Rotary today, the ethos of Rotary has remained the same which is service above self. Today is a new day, a day where we look towards serving our communities with a greater passion to make a difference."*

He was congratulated by Assistant Governor Dr. Balmattie Sukha who said, *"President Julian and his team like all other Rotarians are change agents and together as Rotarians we can change the lives of others. Imagine the positive impact we can have on society when we provide meals to elderly? Imagine the investment we give to children by providing stationery or training programmes? Imagine the future we are leaving for our next generation when we rally to preserve our environment?"*

In Memoriam

PP Claude PRUFER (RC St-Pierre)

In 1972, Claude joined the Rotary Club of Saint-Pierre. He has held almost all the positions and was President in 1987/88. He received his PHF by District Governor Gerard PETIT in July 1993. Very involved in the life of the city, he was Municipal Delegate in Saint-Pierre citytown.

In Memoriam

Pierre RENAISON (RC Basse-Terre)

Pierre was a Rotarian for the very first time. It is part of the Group of 4 administrative advisers, with Enrique HIGUERA, Raymond-François JULIEN, Georges XAVIER and Henri THOMASSET, who were first responsible for administration of the Rotary Clubs of our region and had to manage the delicate willingness of attachment to a district of France which manifested by successive leaders of Rotary Clubs in Guadeloupe, French Guiana and Martinique.

Geographical grouping of the clubs will be the criteria adopted by RI and will determine the creation of our district in 1974.

Pierre RENAISON was this time there and which is francophone clubs today to be in the District 7030.
