## The day's guest speaker was Mr. John Victorin NSDC Centre Supervisor for the south of Saint Lucia

The guest speaker was introduced by Dir Selma

Mr. Victorin works with young people in the Laborie area.  
The topic of his presentation was "youth in conflict with the law."

After a detailed outline of issues and challenges facing young people before and after serious and not so serious brushes with the law and in cases "visits" to Bordelais the speaker took questions from Rotarians like Joanna, Chester and Leevie. Due to time constraints PP Charles eventually called an end to the question and answer session

## Presentation to Cadet Corps

As part of the celebrations at the beginning of Cadets Year 2013-14 on Saturday September 21 the Rotary Club of Saint Lucia made a presentation of musical instruments to the Cadets

In a beautiful ceremony that was only marred by the high temperature the cadets were addressed by their commanding officers and promotions were announced. As a result of the hot sun bearing down on the young cadets several of them suffered severely in the heat and some collapsed or had to step away. One cadet had to be taken to the hospital for observation and the Rotary Club is currently assisting her with follow up medical care.
