Youth Leading a Healthier, Kinder, Greener Future

Dear Parent/Guardian,

Rotary District 7030 invites your child to participate in the **Rotary Youth Leadership Awards (RYLA)**, a structured youth development programme delivered across District 7030. RYLA is recognized internationally as Rotary's flagship leadership initiative for young people and is conducted in alignment with the Ministry of Education's guidelines for student safety, safeguarding, and extracurricular participation.

The programme is designed for youth ages **14–18** and focuses on developing confident, ethical, and community-minded young leaders. The curriculum includes interactive workshops, team-based challenges, expert presentations, and guided reflection. All activities are supervised by trained Rotary personnel and follow established youth-protection protocols.

Programme Themes

RYLA addresses four core areas relevant to the developmental needs of students across District 7030:

- **Leadership** – Encouraging responsible decision-making and positive peer influence
- **Bullying & Cyberbullying** – Promoting safe behaviours and empowering the bystander
- **Childhood Obesity Prevention** – Supporting healthy lifestyle choices in a positive, non-judgmental way
- **Environmental Sustainability** – Helping youth understand climate issues and take practical action
