

**‘Garden City Rotary Club’**  
(Rotary Club of Garden City (Georgetown) Guyana 17/09/20)

September 17<sup>th</sup> 2020 saw the birth of a new Rotary Club in District 7030 in this the 1<sup>st</sup> quarter of the Rotary year 2020/2021.

We Chartered 33 members strong, our membership includes Business Professionals, former Rotaractors, Interactors and 13 former Rotarians - “people of action” with over 105 years of serving communities across Guyana. We sit on a very strong foundation and combined with our diversity we are set to create lasting change locally and globally.

Our tag line is the “E.P.I.C” Team:

E- Enthusiastic

P – People

I – Influencing

C – Change

Our aim is to create a whole new club experience for our members that is fun, flexible, family oriented and with fulfilling service projects we believe we are a winning team - our ‘Value Proposition’ to members will set the tone for this.

Our Charter **President is Rotarian Arron Fraser** and our various committees are already at work developing our strategic initiatives.

We wish to take this opportunity to express our profound gratitude to the District Leadership led by DG Lisle and our own AG Renata Chuck-A-Sang for believing in our dream of creating a whole new Rotary Club experience – we will not disappoint!

We are a Cause Based Club with the Environment as our major focus. Our desire to contribute to saving ‘Planet Earth’ one community at a time is based on what is happening the world over – environmental degradation! This is detrimental since it threatens the long-term health of animals, humans and plants.

*In the words of Lady Bird Johnson ...*

*“The environment is where we all meet; where we all have a mutual interest; it is the one thing all of us share”*
