Rotary WORKS

NEWSLETTER DECEMBER 2020

MISSION STATEMENT

Rotary Works is an initiative provided for Rotarians and Rotaractors within Zones 33 & 34 experiencing career transition. This initiative is comprised of three distinct programs, providing education, networking, and/or financial resources for participants, providing mentorship opportunities for personal and professional development.

MESSAGE FROM RID STEPHANIE

Hello Family of Rotary!

As Zones 33-34 Rotary International Director, I am pleased to announce we are launching a very special vocational project entitled Rotary Works.

Rotary Works is an initiative provided for Rotarians and Rotaractors within our Zones who are experiencing career transition. This initiative is comprised of three distinct programs that will provide education, networking, and/or financial resources for participants. Our first Rotary Works program to launch will be a "Career Development Series" offered monthly via Zoom beginning December 9, 2020.

During our first series we will spend time outlining exactly how Rotary Works works and how this initiative will support our members. Throughout the Career Development Series, we will collaborate with business professionals in career development to exchange ideas and have conversations with experts in their fields. These mentors (both inside and outside of Rotary) will provide information and inspiration for participants seeking opportunities in self-exploration, in self-improvement and ultimately in seeking employment prospects.

Our monthly series will be held consistently on the second Wednesday of each month, and the topics will vary from direct, self-help conversations to hands-on, developmental processes. Each month, our professionals will be available to discuss specific topics with you. The topics will be outlined every month in our Rotary Works newsletter, on our [website](#), as well as on [DACdb](#) for registration purposes.

In Spring 2021, we will launch our second phase, the "Zone Job Board". This will be a resource to search for, or post, employment opportunities. And finally, the third phase is our Impact Fund, designed to offer a one-time grant of \$500 for individuals in our Zones who have experienced financial stress due to career transitions. Criteria is being established providing eligible Rotarians and Rotaractors the ability to apply for these grants. We will direct our members to the Zone website for more information on that process and want to stress that these personal grants are a "hands-up" opportunity, not a "hand-out".
