

# District Grants

## \$41,000 Available

Want to do a project? Receive up to \$5,000 from District 7820. The process is easy, just follow these five steps. Actually, you only do four. 🙄

**1**  
**IDEA**

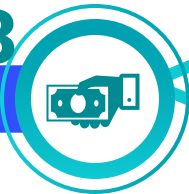

Discuss with friends in your club any idea to improve your community. Your District can match up to \$5,000 per application.

We have a fully functioning online portal. Choose one: <https://grant.clubrunner.ca/6083/Grant/> or Member Resources, Rotary Foundation, Grants. You can submit an initial proposal for feedback before submitting the full application. The portal is open from January 1 to May 15 each year.

**2**  
**Apply**

**3**  
**Evaluate**

The District team asks questions and evaluates your application by June 30. Rotary International needs to approve your application, typically by July 31. The District will then notify you of your project status.

This is the part of the project where the magic happens. Enjoy putting your project into action and helping your community. Thank you for your service.

**4**  
**Execute**

**5**  
**Report**

**CRITICAL:** Brief reports are required, using the District 7820 Grants Portal: Interim report by February 15; Final report with itemized financial information by May 31; Share your project on Rotary Showcase [www.rotary.org/showcase](http://www.rotary.org/showcase).
