What is a Rotary?

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For almost 120 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our more than 45,000 clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

Our mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

What is a District Conference?

A Rotary District Conference is a yearly event that brings together Rotary club members and community leaders to learn, network, and celebrate Rotary's impact.

This year, we are planning a weekend dedicated to fellowship, innovation, and insights on how we amplify our impact in the community and beyond. We will highlight the African Nova Scotian communities and engage in meaningful conversation about ways we can collaborate for the greater good.

We are seeking your support in exchange for some great visibility, acknowledgement, and gratitude.

Sponsorship Levels

As a sponsor, you'll have the opportunity to connect directly with over 300 attendees and reach numerous Rotarians through our newsletters, websites, and social media. Your contribution will help us elevate our impact in the community.
