

"Spotlight On..." DISTRICT 7230 NEWSLETTER

Volume 1 - No. 1

George R. Camp, District Governor

July 1, 2010

Message from DG George...

Dear Fellow Rotarians:

This coming year promises to be exciting and a lot of fun. We have scheduled several Multi-District functions that will bring some of the top names in the Rotary world to our District.

Again, this year Hedy Marin-Manzke, will be publishing our monthly District Newsletter which will chronicle all of our activities. Each Area in the District will have a chance to report on the amazing things they are doing for their communities as well as around the world. If there are special things that are happening in your area we want to get the news out on a timely basis, so contact Hedy with any critical news that should be published. You can email information to Hedy at rotary7230hedy@earthlink.net.

Please keep this Newsletter which contains the Important Dates for upcoming District Events.

I am looking forward to meeting each Rotarian in the District during my visits to the Clubs which will start in July. We have a lot to talk about. The most important is what is happening in Your Club and how the District can help you accomplish your goals for the year.

Yours in Rotary Service,

*George R. Camp
District Governor 2010-2011*
