District Governor George R. Camp

February 2011

Camp's Corner...

For the first time this century a seated Rotary International President has come to OUR District for a celebration and promote the Rotary efforts of our Clubs and members. President Ray brought with him RI Vice President Tom

Thorfinnson, RI Director Ken Grabeau and his wife Ruth, RI Manager, PolioPlus Division Carol Pandak and a host of other Rotary Staff people to help us celebrate the 106th birthday of Rotary and to promote Rotary.

It was a time to remember for all of those who participated in the many events of the day. President Ray went from sun up to way pass sun down starting with meetings with members of our District Leadership Team and Club Officers and Directors.

Rotary representatives around the world rang the closing bell of the stock exchanges, with President Ray closing the New York Stock Exchange. After that we lit the NYSE with "End Polio Now" and finished the day with a VIP Reception and Cocktail Buffet. Hundreds of Rotarians and new Rotarians participated in the festivities. The Clubs in our District pledged over \$50,000 to be contributed to The Rotary Foundation.

As one person put it, "This was a once in a lifetime experience that I will never forget or have the opportunity to do again".

That is what Rotary does, we are "BUILDING COMMUNITIES – BRIDGING CONTINENTS" everyday. Everything starts with you. Let's keep moving forward.

“WORDS CHANGE WORLD”

On Monday, March 7th 2011 at Fogarty's in Bronxville, NY, District 7230 had their first very intense meeting with Literacy Chair Jewel R. Moolenaar- Marsh of the Rotary Club of Riverdale at the helm.

'Learn About Literacy for your Club' was the theme of this event. District Governor George Camp of the Rotary Club of Ossining opened our session with a warm welcome.

We had many special guests who shared their expertise in 'Literacy': Ward Vuillemot of "Books for the World"; Sharon Irving, President of the Rotary Club of Cortlandt Manor; Abbot Fleur, President of the Rotary Club of Bedford/Armonk; and Rachel Williams, District 7930 Literacy Coordinator for "Adopt A School."

There were many rotarians who shared a great meal, fellowship and a very informative session. PDG Ward Vuillemot of District 7150 and member of the Rotary Club of Skaneateles, gave an extensive presentation on "Books for the World." Sharon Irving and Abbot Fleur gave a wonderful presentation. Our final speaker, Rachel Williams shared a powerpoint presentation of her extensive travels in her quest to make the world 'Literate' as Literacy Coordinator for "Adopt A School."

If you had the opportunity to participate, you took away a new insight to literacy and how you can be instrumental to promote it in your club. We applaud Jewel R. Moolenaar-Marsh for her leadership. As a retired high school principal, Jewel has a passion for learning and has accomplished much. She was the coordinator and liaison for the Bronx Schools for Somers RC book project: "On My Mind", that featured the talents of Somers, NY; Brooklyn, NY, Bronx, NY; and Nashville, TN High School students. A mover and shaker, Jewel undertook this project, and says, "Where children have the ability to express themselves and be recognized, and their work will be published!."

For more information about our speakers you may contact: Ward Vuillemot of "Books for the World" at www.CNYBooksForTheWorld.org. For info on other speakers or to purchase the 200+ page "On My Mind" book please contact Ms. Jewel Moolenaar-Marsh at 914-319-2009 for your book.

This very inspiring book is a great gift for the youth in your life!
