The Vision for RYLA – 2012-2013

Past District 7230 RYLA participants.

Our vision for RYLA for the upcoming year will be to build on the terrific success of this past year. We had an incredibly diverse group of 40 kids from 16 clubs from district 7230. It was a terrific experience for all who attended including our high school sophomores, facilitators, leaders, resident Rotarians and visiting Rotarians. All-in-all, there were nearly 70 people involved. Our Facebook site, RYLA7230 has dozens and dozens of pictures from 2012 and 2010.

This year, we want representation from every club in our district, including at least one from each of our four Bermuda clubs. While the 2012 RYLA camp had an incredible diversity, representation from all of our clubs will add incredibly to the experience. We're looking to start our planning for the 2013 camp in late fall of 2012 with a target date of mid-April for another incredibly successful RYLA. Be a part of something great!
