Rotary Day at the UN –Nov 1st Youth & Rotarian Programs

All Rotarians are encouraged to experience a "Rotary Day at the United Nations. This popular event is Saturday, November 1st at the UN in New York City. Register at www.riunday.org.

Rotary International, a participating of writing the UN Charter that was signed on June 26, 1945 and has continued a long history of working together and sharing similar visions for a more peaceful world.

Attend Rotary UN Day and sit where history is being made.

PDG Matts & Sundra Ingemanson would NOT miss this special occasion! Join us on November 1st.

Organized by RI representations to the UN, this year's event will feature presentation from Senior UN State and Rotary leaders as well as panel discussions on health, water, literacy and youth.

High School-Age Students, including Interactors, Rotaractors and Rotary Youth Exchange participants are encouraged to attend a special session.

Please note that the seats will go quickly.

Meet Our Presidents

A Recurring Column for the District Light Up Rotary Newsletter

Taylor Eskew, Rotary Club of Chinatown

I was born in and raised in Atlanta, Georgia, the oldest of 6 children. I am a boomer born in 1946, the year Truman officially proclaimed the end of WWII and the UN held its first General Assembly. Oh, and Tide was introduced. The Girl Scouts, church activities, and art school occupied my free time and kept me out of trouble.

I was one of the first women at Georgia Tech, following in my father's footsteps, but couldn't stick the course (discrimination big time) so off to the University of Denver. With a BFA under my belt I headed for Europe and the traditional grand tour. In Trafalgar Square I saw Neil Armstrong walk on the moon and was proud to be an American. I went to NYC and got a job and acceptance into the graduate school at Pratt and achieved a Master of Science in Environmental Design. And I learned to live in NYC.

I served as Project Manager of Habitat for Humanity on the Lower East Side leading the first 2 Jimmy Carter work camps, and served as Executive Director of Habitat Newark. Through Habitat I got my picture on the front page of the NYTimes and in People magazine. I learned to believe in miracles and learned the joy and adventure in working at something you love and that helps others. Later as a construction project manager for NYS Dormitory Authority I worked with leading architects and learned about working with bureaucracy. I left the DA to work for a small woman owned business that served nonprofits. I am now retired and working full time as a Rotarian and wife.

I am an active Quaker and have served on the AFSC Board, been the chair of the Board Committee on Race Relations, and chair of the Immigrant Rights Committee for the NE region. I am an active member of the New Paliz Monthly Meeting. Being a Quaker sits well with being a Rotarian.

I have been a Rotarian for 21 years - 18 years in the Bronx Club before transferring to the Rotary Club of Chinatown. I have served as president of the Bronx Club, Assistant Governor for Area 7, Manhattan, and chair of the GSE subcommittee for the district. This year I am the Permanent Fund subcommittee chair and was a member of the Million Dollar Dinner committee.

I am married to Jack Levy who retired from dentistry to play the violin. I have 2 adult sons who are the light of my life along with Jack. Kendall is 27 and writes code for Fiserv, one of those jobs that I don't understand. He also owns the Thirsty Quaker, a craft brew store in Jersey City, and is engaged (whew). Robert is in law enforcement in Essex County NJ and has a landscaping business. He is cohabiting (we have our fingers crossed). They are true mensches. Jack and I divide our time between NYC and Kripplebush in Ulster County. We plan to travel the world until we can't walk. India and Bhutan are in our sights but London in January where Jack has a music workshop is next.

The best part of Rotary is being an active part of a world community. Through Rotary I have the opportunity to know young people who wow me and give me hope for the future. And I have a chance to give those young people opportunities to follow their passions and be part of that world community.

Dunkin' for Dollars at Rotary Club of North Shore

BEFORE: North Shore Rotary President Christine DeHart

AFTER: Working together with DG David. (look in tank window)

The Rotary Club of North Shore, Staten Island "Got All Wet" and profited by \$1,200. On August 23rd, they set up and operated a fun, fun, fun fundraiser in conjunction with the Commons Café at 2 Teleport Drive, Staten Island. These entrepreneurial Rotarians earned \$400 per hour by running a ride concession, a dunk tank, getting 10% of the profit from food sales at the Commons Café, and a 50/50 Raffle.

Special thanks to good sport Rotary members Diana Arneith, Dennis Surmanek, Frank Wilkinson, Regina Dasoro & President Christine DeHart for "being all wet." christinedehart@aol.com.

REVISED DATES!

On-to-Bermuda Better Than Ever!

Please join us on our 58th exciting trip to that beautiful island. We'll be staying at the exquisite Coco Reef Resort. Some of you may remember we stayed there, some time ago when it was Stonington Beach. The location is great, a short trip to Hamilton, and close to the other club meeting locations. Coco is next to Elbow Beach, with their many restaurants, and one of the best beaches in Bermuda.

We chose this venue, as the rate was attractive, as well as the other amenities, including a great dining experience, as they are part of a dine around package.

6-Day, 5-Night Trip, Oct.25 - Oct. 30, 2014 - \$871.00 per person, double occupancy - Single - \$1497.00

To reserve your space, send your deposit of \$200.00 per person by Sept. 15, 2014 to: Mr. Coby Ellingwood, c/o Altour, 287 Bowman Ave., Purchase, NY 10577. Final balance is due by Oct. 1, 2014.

For more details call: 914-993-4044 or email: coburn.ellingwood@altour.com.

Join fellow Rotarians in Bermuda at an Int'l Evening in a lovely garden setting, benefiting Polio Plus. \$125 including Dinner. (Plus receive 125 pts toward your next PHF.)

Attention Club Foundation Chairs

PDG Janet
DiBenedetto

A record-setting year

Owing to the leadership and financial support of Rotarians around the world, 2013-14 was a record-setting year for our Annual Fund. Preliminary results suggest that more than \$250 million was contributed to help change lives locally and in communities around the world. Thank you!

New year and new goals

Has your club set Foundation giving goals for 2014-15? If not, there is still time to evaluate your club's fundraising efforts last year and submit goals for this year in Rotary Club Central. With your help, we can achieve our worldwide Annual Fund goal of \$123 million by 30 June. **All clubs are encouraged to complete EREY by the end of The Rotary Foundation Month - November 30, 2014.**

New Foundation funding model

The Rotary Foundation Trustees have approved a new model for funding the Foundation's operating costs. Effective 1 July 2015, the Foundation will direct 5 percent of Annual Fund donations to

administrative and fund development expenses and to build a strong operating reserve. The Foundation will also draw on other funding sources, including 5 percent of cash contributions for global grants. Most not-for-profit organizations allocate a percentage of their contributions to support future fundraising efforts. Looking ahead, the Foundation will continue its strong record of financial accountability and transparency. Read more about the new funding model.

GRANT UPDATES

Packaged grants to be phased out

Despite some successes with packaged grants, an evaluation revealed significant differences between the grants' goals and the actual experience of Rotarians. Therefore, the Trustees decided to allow options with the Foundation's strategic partners to expire at the end of their current terms. Packaged grants will end when all active grants are closed.

Grant terms and conditions updated

Grant terms and conditions are periodically updated for the sake of clarity and to incorporate policy changes. Most recently, the eligibility guide-

lines for district grants were expanded. District grants can now fund youth programs (including Youth Exchange, RYLA, Rotaract, and Interact), construction (including low-cost shelters), travel for staff of cooperating organizations, scholar orientation seminars, grant management seminars, and activities primarily implemented by an organization other than Rotary. See the current version of grant terms and conditions, which includes these changes.

Return of funds

If you need to return unused funds from your global or district grant, make sure to provide one check per project, and clearly indicate the project identification number on the check (or wire transfer). Also alert your district's regional grant officer. Note that funds returned to the Foundation without identification are recorded as a contribution to the Annual Fund. Email questions to grant.payments@rotary.org.

Year-end grant statistics

Rotarians worldwide enthusiastically participated in the new grants during 2013-14. The Foundation approved 492 district grants, 858 global grants, and 18 packaged grants.

Meet Our Presidents

Continued from page 2

Brian Benevento, Rotary Club of South Shore

Brian Benevento, 2014-15 President of the Rotary Club of South Shore was born on September 12, 1956 and raised in the Oakwood section of Staten Island. By only 3 days, he missed Elvis Presley's first appearance on the Ed Sullivan Show on September 9th with the first transatlantic TV cable went into operation, and, as we all remember, the IBM RAMAC 305 was introduced as the first commercial computer that used magnetic disk storage.

Brian is the son of an automobile mechanic who later became a bar owner. His mother was a housewife. Rick, Brian's only brother, is 11 years older. During his early years, Brian was a Boy Scout but spent most "of his time as a member of a local rock band in the early 70's playing the drums!" He is a graduate of Monsignor Farrell High School and received a certificate in digital electronics from DeVry Institute.

Brian served for 34 years with the US Postal Service starting as a Letter Carrier to Postmaster. His most favorite position was as Postmaster of Morristown, NJ. His career took him to Manhattan, Staten Island, Freehold, NJ, Morristown, NJ & Elizabeth, NJ.

His wife Karen is an EKG technician at Staten Island Hospital South. They are the parents of 3 children. Kristen who is 34 and has been a surgical coordinator at Mt. Sinai Hospital and is currently back in school to become a social worker. Brian, who had passed away at the age of 31 in July of 2013, worked for the Department of Sanitation in Brooklyn, NY, and Thomas, who is 28, works as an accountant for a company in Staten Island.

His main hobby is golf but, to quote him, "Or should I say, I own clubs and swing them a lot." I also have been working as a community mediator for The New York Center for Interpersonal Development. Most issues include small claims court matters and community related claims.

Camaraderie is what he likes about Rotary and that is, of course, in addition to helping people in need and giving back to the community.

Brian's dream is to live long enough to see his children realize their goals and ambitions and be happy.

(DG Note: It has been a special pleasure for me to get to know Brian at district training levels. He must believe that engaging district programs enhances leadership skills for everyone and adds depth of understanding for his club. – My personal thanks to Brian.)

Q: Why is RYLA So Much Fun? A: Because the Staff is a Lot of Fun!

Our District RYLA Staff is made up of volunteer Rotarians, Rotaractors, and Counselors in Training (CITs) from the prior camp and Junior Counselors who attended RYLA two years before. The RYLARIANS are 10th grade students learn leadership techniques, team building techniques and relationship building with both individuals and groups. The program is delivered with group activities, lectures, skits and interactive development within each the 'family units.' All of this learning is disguised as fun. All campers leave camp excited about new friendships and with a spirit toward Rotary that is "Over the Top." RYLA creates positive memories that last a lifetime. Sending a child to RYLA Camp is one of the most cost effective, impactful project a Rotary Club can do that will improve a child's future.

Anna Kobelka

Barbara Edwards

Visit Rotary7230.org for more information for email Anna Kobelka, gabby-anna5@aim.com OR Barbara Edwards, barbarae@@northrock.bm. Clubs may visit camp and see the program and/or sign up to conduct an activity during camp.

The Leader Inside

Don Nelson

By Don Nelson,
LCSW

Last month I posed the question: What is the difference between self-consciousness and self-awareness?

Self-consciousness is essentially a pre-occupation of how other people perceive us. In most cases the person imagines a negative view. It is a reflection of their inner view of themselves. What I call in my book the negative house critic .

A self-aware person develops an internal mediator who manages this house critic. And this is a pre-requisite for genuine leadership.

Don speaks at Rotary clubs. don@don-nelson.com

Funding for You Club Projects

Doris Benson
Grants Sub-Committee Chair

So many wonderful projects can be done with the help of a district grant, whether a feeding program, literacy project, or health initiative, or another great idea your club has developed. Over 20 clubs participated last year in the grant process.

Now is the time that clubs with outstanding grants should be submitting their final reports, which are due by September 15th.

And, now is also the time to submit a grant request for the 2014-2015 year. The deadline is October 31st; however, the grants will be evaluated in the order received. We have \$20,500 to distribute. If the grant requests exceed this amount, the 'early bird will get the worm'!

Good news from the Foundation! Eligibility guidelines for district grants have been significantly expanded. The new areas are:

Rotary Youth Exchange: District grant funds may be used to pay for the airfare of a youth exchange student. Funds may also be used for program expenses.

RYLA: DG funds may be used to pay for registration fees for individual participants. DG funds may also be used for program expenses.

Rotaract/Interact: DG funds may be used to support service projects of Rotaract/Interact clubs working in cooperation with a Rotary club. Funds could pay for Rotaract/Interact events such as a motivational speaker, leadership workshop, or team-building activities.

Activities implemented by another organization: For example, DG funds may be used to support an ongoing community health outreach fair initiated and run by a local hospital

on an annual basis.

Whether you are reporting on a current grant, or requesting a new one, the process is simple. Log on to the district website, www.rotary7230.org. Sign in via member access. On the page with your personal information, click on 'document library' in the top right hand corner. If you are reporting on a current grant, use the 'individual project report' form in the library. If your club has not signed the grant Memo of Understanding (MOU), download it and submit the signature page along with the required documentation – cancelled checks, invoices, receipts. If you are requesting a new grant, use the District Grant Proposal Form. Guidelines for district grants are also in the library. Nothing could be easier!

District 7230
PEACE SCHOLAR
Claudia Maffettone

RYLA North America 2014

The RYLA North America 2014 Program was an intense leadership training program held in Washington D.C. that was designed to recognize, encourage, and further develop the leadership skills of 18-30 year olds who have shown a potential for rendering important service to their local communities.

Rotactors, from around the world, attended a private dinner at and reception at the Embassy of Austria. Our district was represented by Immediately Past Presidents Leonid Levit, Pace Rotaract and Zineb Touzani, UN Rotaract. levitleonid@gmail.com.

Dear Rotarians,

I am very excited to embark on this incredible new journey! After spending time with my family in Italy, I will be flying to Bradford on the 13th of September to join the other Rotary Peace Fellows for Orientation Week. We have been exchanging emails on accommodation and bank accounts, and the British Rotarians (District 1040) have already shown us incredible support by sharing all the necessary information to get us started with our MA program and life in the UK. Grateful for your support, I look forward to keeping District 7230 updated!

Annual Family Picnic Area 7 at Ft. Tryon Park

Manhattan Rotarians, families, and friends are enjoying a picnic in NYC's best kept secret – Ft Tryon Park at the Linden Terrace on Sunday 7 September from 1-5. The suggested contribution of \$10 for adults covers paper goods, soft drinks, and dessert. Any funds left go to NYC No Kid Hungry. Tickets are available at <http://rotaryarea7.bpt.me>. It is pot luck. Bring food to share. Inwood Club is our host. Come enjoy fellowship and the glory of Ft Tryon Park. Coming out of the 190th Street station onto Ft. Washington Ave. is a wonderful experience. There are trees everywhere – everything is green and leafy.

Friends & Family Picnic

On Saturday, August 16th the Cortlandt Rotary Club held their 5th Annual Rotary Friends & Family Picnic at the Hudson Valley Marina in Verplanck. Hosted by Rotarians Herb & Vickie Winkelmann it was a perfect weather day to enjoy the fellowship and friendship between the club, the Rotary Community Corps of Keon members, plus families and friends of all. Everyone brought a dish to add to the burgers, hot dogs, ribs, pulled pork, fresh corn and other things prepared on the grill by host Herb! Great event left us more than full and ready to enjoy the next one in 2015!

DG Annual Visit to RC of Inwood

The Rotary Club of Inwood was the 6th club visited of 7 as of August 17th. Visiting Rotary Clubs is about celebrating its successes. Congratulations to President Ky and club members for their advance preparation. It was impressive and interesting. 21. Our Inwood Rotary club is active in significant and meaningful ways in their local neighborhood and on the International scene with Disaster work. The neighborhood work and awards from the city and community groups are thanks to the leadership of President Ky. The International work in Haiti and the Philippines are led by past president Jim Kushner. In addition to receiving a written report and banner, a video was shown of their work in the Philippines to help with feeding and sheltering the victims. Good job Inwood! Two members of Inwood, so far, are looking at the District Conference in Valley Forge where they can show all conference attendees their good work.

Note: All clubs are asked to bring any citation that is received this year to display them.

Purple Pinkie Project Idea

Purple Pinkie is a campaign by a Rotary District or Rotary Club to raise money to End Polio Now – The world's largest immunization program. In its first year, it was a tremendous success capturing the imagination of the public and to build on that success, Purple Pinkie is coming up with many more innovative ideas - full of fun - with something for all ages.

Dr. Larry Severino

Polio has no cure. It is a crippling and potentially fatal disease and children under the age of five are at greatest risk. However Polio is easy to prevent by vaccination that costs just 70 cents. When we immunized a child in the early stages of Global Polio Eradication Initiative, health care workers, Rotarians and other volunteers would dip a child's pinkie in a bottle of Gentian Violet (Gentian violet is an antiseptic dye used to treat fungal infections of the skin (e.g., ringworm, athlete's foot). It also has weak antibacterial effects and may be used on minor cuts and scrapes to prevent infection) and stain the child's left pinkie. This then helped us identify the children that were already immunized. Today Rotarians and health care workers use magic markers (which is not as messy).

New Members Welcomed to Rotary

DG David Del Monte

DG David offers to welcome each of your new members to Rotary.

Club Membership chairs are asked to email the Club name, new member's name, Telephone number(s) and email Address for ease of contact. At least two telephone call attempts will be made before an email message.

Rotaract Club of the UN Installs New Officers

At a recent ceremony at "The Liberty" (29 West 35th St) the incoming officers of the Rotaract Club of the UN were installed (seen above l. to r.): Anne-Lise Bighinatti, 2014-15 Secretary, Justin Sharma, 2014-15 Treasurer, Alanna Walker, 2014-15 President, Piyumi Buddhakorala, 2014-15 Vice President and Maria Gozon, 2014-15 Director of Events. Not pictured: Angela Amico, 2014-15 International Liaison.

This "Handover" of responsibility was also attended by DG David Del Monte & Dede and PDG Matts Ingemanson & Sundra.

Would your club like to start a ROTARACT CLUB? Email alanna131@gmail.com for guidance.

Extension of Rotary Clubs are Encouraged!

Mike Fix

District Membership Chair for Expansion, Michael Fix, a Rotarian with the Rotary Club of Eastchester, is identifying possible locations around the District for the formation of new clubs. New Clubs formations will be the project of an existing Club. The most popular meeting time for new Rotary clubs today, is during the breakfast hour and always includes a speaker or program. Often called "Sunrise" clubs, they meet between 7 and 8 AM or whatever time the club decides. DG David Del Monte is quoted as saying, "In addition to our continual efforts to assist with the strengthening our existing clubs, our district must form 5 or 6 new Rotary Clubs each year. At this pace, our district will reach our 1999 membership of 2,100 members within 5 or 10 years."

Rotary Networking Meeting

Bill Fishman A Rotary Networking Meeting is scheduled for Thursday, September 18, 2014 at 8 a.m. Please RSVP by August 17.

Our mission is "Promoting networking in Rotary, and promoting Rotary in the business community."

Begun in the Rotary Club of White Plains, we invite Rotarians from every Club and prospective members who a Rotarian thinks may be a good candidate for a Rotary Club. We begin and end promptly so people can get to work; cost is only \$5 and includes breakfast – great deal!

Meetings are scheduled for the third Thursday of each month at the law offices of Bill Fishman, 11 Martine Avenue, 12th Floor, White Plains, NY 10606, but please contact Bill Fishman at: lwf7471@gmail.com to confirm the time and place and for more information.

EREY Leadership

Don Feldman

Thank you and congratulations to President Don Feldman of the Rotary Club of Peekskill for his leadership in motivating his club to achieve

the honor of being a 100% EREY Club* by September 19th. **How? Simple... With a Challenge!**

President Don challenged each of Peekskill's 80 members to participate in TRF Annual Giving campaign, EREY (Every Rotarian, Every Year). If 100% EREY participation was achieved by the 19th, he allow his club to dye his hair BLOND.

***Every Member contributes some amount. If the per capita totals \$100, the EREY Club Award is bestowed of that club.**

Is Rotary Club Central up to date for YOUR Club?

RCY-EY Does More Good Work

On July 30 the Rotary of Yonkers-East Yonkers presented awards to two of our ten Grant recipients, who detailed how their Grants will be utilized. Both organizations are part of the Family

Services Society of Yonkers. Janice Lubin Kirschner's group, JCY, has the largest volunteer literacy program in the State, and Carolyn Fluckinger oversees the Kinship Program in which grandparents are raising their grandchildren.

JCY's Grant recognized the SMART reading program in schools, using volunteer adults working with individual students. Kinship Program's Grant recognized their Summer Program for those children who were unable to attend a summer camp. www.eastyonkersrotary.org

New District 7230 Newsletter Submission Schedule

Please note that the submission schedule for the District 7230 newsletter has changed. Please send your stories, photos and captions to newsletter@rotary7230.org by the 15th of the month for inclusion in the following month's "Lightletter." Please limit your write ups to 100 words and provide links for further information.

As always, please edit your copy before submitting, submit as a Word document or text in the body of an email. Photos always enhance your message, so try to provide hi res jpegs with captions where possible. Please avoid submitting images of published articles (ie: scan of a newspaper article) as these are not editable text and will need to be keyboarded.
