## DG David's Broadway Debut was a Success!

What fun it was to 'act' on a Broadway (off) stage on Saturday, September 27. The lively audience of Rotary friends, family and neighbors were in good spirits and enjoyed the musical comedy "My Big Gay Italian Wedding". The house was 'sold' out for this Rotary Day event so Annual giving will benefit by a generous \$500 check for DG David's debut! <https://www.facebook.com/mybiggayitalianwedding>.

## Message from DGE Marilyn

DGE Marilyn Masiero

Congratulations on starting the 2014-15 Rotary year with a bang! It is apparent that the theme of "Light Up Rotary" is happening all around. There are club fund raisers, celebrations, grants to write and expert speakers to enlighten us about world issues.

October brings even more awareness of Rotary's efforts to win the battle to eradicate polio. October 24th has been designated as "World End Polio Day." Our District will indeed celebrate the day by making a strong effort to raise the much needed money to complete our goal. "We are this close."

All clubs are asked to send in Polio Contributions by the end of November, perhaps \$10 per member. See the auto-populate, multiple donor form at [Rotary.org](http://Rotary.org) > Manage > contributions > bottom.

## Kayaking Rotarian Shines Light on Guatemalan Children & Visits South Shore

Dr. Deb Walters – a grandmother from Maine, retired scientist, university leader, and Rotarian – kayaked into Great Kills, Staten Island shores on Monday September 22 for some rest and relaxation to prepare to continue her 2,500 miles kayaking journey to Guatemala.

"Dr. Deb wants to share the story of children living in less than acceptable conditions in Guatemala City's garbage dump," said Brian Benevento, president, South Shore Rotary, Staten Island. "The South Shore welcomes her to our Staten Island shores and applauds her adventurous efforts to improve the lives of children."

Her journey from Maine began in July (2014) and is expected to continue for one year. Dr. Walters stayed overnight as a guest of the family of South Shore Rotarian Chris Williams. She resumed her journey on Tuesday September 23.

## White Plains Rotary Club Celebrates 53-Year Members

Drs. Ira Bernstein and John Ramsdell have been members of the W.P. Rotary Club for 53 years. The Club celebrated that this week.

In 1961, John F. Kennedy was president, the first human traveled in space, "Gunsmoke" was the most popular TV show, the average home cost \$12,500, and two young doctors joined the Rotary Club of White Plains. Drs. Ira Bernstein and John Ramsdell are still members. Their long service was the inspiration for a special celebration at the Club's weekly luncheon this Tuesday, attended by friends, family and Club members.

Both have served as Club president, Dr. Bernstein in 1974, and Dr. Ramsdell in 1996. That and their many contributions to

Pictured l. to r.: Dr. John Ramsdell, Dr. Ira Bernstein and Bill Fishman.

the Club were praised in live and recorded video tributes

The Rotary Club of White Plains meets Tuesdays at noon at the Crowne Plaza Hotel. Visitors are welcome. For information: [rotarywpl.org](http://rotarywpl.org).

Continued from page 2

### Gregory Smith Rotary Club of Hamilton

I was born in Trowbridge, Wiltshire, England on the 26th May, 1945, two weeks after the war in Europe ended. Whilst I consider myself a post-war baby, I was not considered part of the baby boomer group, which had its start in 1946.

When I was born my father was in training as a surveyor and town planner, having worked as a dredger driver during the war, helping to keep the river clear for water transport. In 1950 we moved to Bristol, which had been heavily damaged during the war, where he worked on the redevelopment of the city. My brother is four years older than me and was offered a scholarship to attend the Bristol Cathedral School but refused because he didn't like the uniform – a long black robe and orange socks. My mother worked as a librarian and later became a teacher.

From high school I went to college to train as a teacher, working for two years in Devon, UK before taking up a teaching position in Bermuda in January, 1969. In 1975 I went to train as a guidance counsellor at Keele University in the UK and then in 1980 studied for a Masters degree in educational management at Bath University in Avon, UK. In 1981, I was seconded to the Department of Education in Bermuda to work on the certification programme

for high schools, becoming an education officer in 1990.

Ten years later I took early retirement, having had three serious illnesses in the space of eighteen months. In June, 2000, I was appointed as the General Manager of the Bermuda School of Music, a part time position which eventually managed a staff of twenty five and a student body of over 1000, including everyone from babies of 18 months to eighty year olds.

My wife, Elaine and I became parents in 1976, our son being born whilst we were in the UK for a year on study leave. Adam has just completed a doctorate in applied physiology and is the father of our grandchildren – Hailey (11) and Kaden (5). Our daughter, Rebecca, was born in 1983, has a degree in French and Spanish, is married to James and works for Windreach, a charity for the disabled in Bermuda.

I joined Hamilton Rotary Club in 2006, was responsible for overseas exchange students for three years and then became the secretary. I was due to be the President in 2013 but my son's serious bike accident caused that to be delayed until after the 90th anniversary of the club. I enjoy our Tuesday lunchtimes, meeting with a diverse group of people and listening to

many challenging talks on a wide variety of topics. Our challenge is to encourage more members to attend on a regular basis and to be inviting to prospective members.

My passion is in the area of encouraging diversity, having been the treasurer of the Diversity Institute for over ten years, my hobbies include walking, swimming and DIY. Currently, I am the Presbytery elder and representative of Christ Church in Warwick at Presbytery of Europe meetings in Gibraltar and Budapest this year.

### DG Asks for a 'Light Up Rotary' Favor

DG David Del Monte

Now that we are one-third the way through our 2014-15 Rotary year, our president are 'getting legs' I am sure. They are working hard for us, always present, always on time and always prepared. I ask you to 'Light Up Rotary' with one candle. Pay your president a compliment for something you see that you like. A thank you for serving works well, too. Sometimes it is lonely 'at the top' and it's always nice to know that we are all working together and appreciated.

### 3rd Guest Bartender Fundraiser Stuffs GOL Piggy Bank for Wall Street

The Rotary Club of Wall Street would like to thank all the Rotarians and friends who supported the Third Guest Bartender Fundraiser for the Gift of Life Foundation. On September 24th, Maggie's Place Bar and Restaurant was filled with old friends and new acquaintances who were very generous in leaving large tips on the bar for an inexperienced Rotarian bartender. The "spirited" crowd was enthusiastic about providing a life-saving heart operation for a young child and learning more about Rotary. The evening ended with \$1,093 collected and an application for membership by a candidate new member. Inquiries about future opportunities for partnership can be sent to Stan at [stan.kules@gmail.com](mailto:stan.kules@gmail.com).

Rotarians Adolfo Villeta & Jahnbaz Almas count all the tips dropped in the Piggy Banks on the bar"

## Elmsford Rotary = Continuity

Strengthening our clubs is our goal. One strengthening feature is continuity of presidents – Shown here is (l-r) Immediate Past president Kim Griffith, President Barbara Eannazzo, President-elect Michael Kinkel. RESULTS: Growth from 17 to 27 in one year, a staggering long project list including fundraisers, community service, social events, high morale and good spirit. Also in photo,

clockwise are: Treasurer John Bojko, Membership Chair Syed Alirahi; DG David; Frank Confalone.

The Rotary Club of Elmsford held their 18th annual Golf Outing on September 15, 2014. Another very successful fundraiser! Weather was great and everyone had a terrific time. We were honored to have DG David DelMonte at our meeting on September 25, 2014. It was truly a great exchange of ideas. Our next fundraiser was on October 28, 2014 at Captain Lawrence Brewery in Elmsford, NY. This year's theme was a Monster Bash. We have been chosen by Subaru for their "Share the Love" program and will be hosting an event in the near future- will keep you posted. We will soon be into holiday season and have a great deal planned this year.

## Scarsdale Rotary & Pure Water

The Rotary Club of Scarsdale is committed to seeing change come to the people of Cité Soleil, Haiti. Cité Soleil is regarded as the worst slum in the western hemisphere today. With over 400,000 people living in abject poverty, and very few options for clean water, the majority of families are forced to drink contaminated water. The endemic result is children and families suffering from waterborne diseases, including cholera.

Pure Water for the World has launched a major initiative to tackle this excessive suffering by delivering safe water solu-

tions to the residents of Cité Soleil. Pure Water for the World, founded by the Brattleboro, VT Rotary Club, is a 501(c)(3) organization whose mission is to improve the health of children, families and communities in the developing world by providing them with sustainable water solutions, sanitation and hygiene education.

The Rotary Club of Scarsdale has committed to joining Pure Water for the World in their efforts by generously donating \$4,350 toward the initial phase of reaching 1,000 homes this year. This multi-club project is being spearheaded by the Amherst, MA Rotary Club. A clean water solution costs just \$300 per home and includes an in-home use bio-sand filtration system, community agent training, hygiene education, and monitoring and follow-up to ensure the long-term efficacy of the systems and practices. This 1,000 home portion of the longer-term initiative will reach an estimated 6,000 people, including 3,600 children.

## Peekskill Rotary Stands Out Again!

October 2nd was the official visit for the District Governor at the Rotary Club of Peekskill. To honor the visit of the governor they ordered a 'Welcome' sheet cake to be served for dessert and offered a warm greeting by rising and applauding at the introduction. (A Rotary traditional honor for the office not the person.) President Don Feldman followed the tradition set in recent year by achieving 100% EREY Club again. (100% of the members contributing to the Annual Giving campaign, EREY.) His challenged was that if his club achieved 100% EREY he would dye his hair blond. Note the wig! President Don and Peekskill Rotarians, congratulations and thank you. Now please apply for a grant to fund a Rotary Club of Peekskill future project. Note: Peekskill had more guests of Rotarians that any other club I have visited this year...about 9 guests. Peekskill, you're the BEST! <http://peekskillrotary.com/>.

## Cortlandt Rotary First Pancake Breakfast

On Sunday, October 5th the Cortlandt Rotary Club held it's first Pancake Breakfast at the Muriel Morabito Community Center in Cortlandt Manor. Supported by Supervisor Linda Puglisi, Asemblywoman Sandy Galef, along with Ossining, Yorktown and Peekskill Rotarians a successful event was held with all proceeds going to the local chapter of Make A Wish. The pancake mix and syrup was donated by member Evan Liaskos of Cortlandt Colonial and Dunkin Donut Coffee by honorary member, Paul Sardinha.

Shoprite had volunteers there to help serve up the pancakes, eggs and sausages for all who attended to enjoy! Peoples United Bank had even displayed a table with flyers in front of their bank in the Beach Shopping Center Stop & Shop. Place mats were sold helping to raise funds as well.

*Cortlandt Town Supervisor Linda Puglisi talks with Ossining Rotarians in attendance.*

## Rotary Community Corps of Keon Raise Funds at IHOP!

Members of The Rotary Community Corps of Keon brought housemates, friends and family to our local IHOP in Mohegan Lake on Wednesday, October 8th to raise funds for another project. Smiles were all around the restaurant as they enjoyed dinner knowing that 20% would be given back to their club. Shown on left front of this photo is Past President of the RCC of Keon, Carolyne!

## Dr. Larry Severino 'Hits the Air Waves' for PolioPlus

Dr. Larry Severino

District PolioPlus Chairman Dr. Larry Severino 'hits the air waves' of Westchester County on October 16th. Good Morning Westchester radio personality John Marino, on Rotary WVOX 1460 AM interview Larry about PolioPlus campaign and the 'the last inch' of polio eradication.

From 350,000 cases each year in 1985 to 209 in 2014 (to October 1st) great strides have been made

by joint efforts of Rotary, The William and Melinda Gates foundation, the World Health Organization, the United Nations and the benefiting countries. Rotarians have contributed about \$1 Billion dollars of the \$11B expended so far. It is estimated that another \$5-6 Billion will be needed to close the gap of "the last inch."

Several of our members have gone on NIDs (National Immunization Days) that inoculate the entire country in 1 day—lots of volunteers. PDG George Camp, Ossining Club, has attended several NIDs and Metro NYC member Nadine Holmann has attended 1 NID so far. She will be a speaker at the Valley Forge District Conference.

## What are Rotary Peace Fellowships?

Each year, Rotary selects individuals from around the world to receive fully funded academic fellowships at one of our peace centers. These fellowships cover tuition and fees, room and board, round-trip transportation, and all internship/field study expenses. Two types of peace fellowships are available. (Peace and Conflict resolution is one of the 6 areas of focus for our Rotary Foundation.)

### Master's Degree

We offer master's degree fellowships at premier universities in fields related to peace and conflict resolution and prevention. Programs last 15--24 months and require a practical internship of 2-3 months during the academic break. Each year we award up to 50 master's fellowships from these institutions:

- Duke University and University of North Carolina at Chapel Hill, US
- International Christian University, Japan
- University of Bradford, UK
- University of Queensland, Australia
- Uppsala University, Sweden

### Professional Development Certificate

For those with more extensive experience in peace-related fields, we offer a 3-month program in peace and conflict resolution at Chulalongkorn University in Bangkok, Thailand. This program incorporates 2-3 weeks of field study. We award up to 50 certificates each year.

**NOTE:** Peace Scholar Candidates are selected and vetted by Rotary Clubs, vetted by the Districts and selected by The Rotary Foundation Selection Committee. The funding comes from a \$125,000,000 endowment that is targeted to reach full funding by June 30, 2015.

## Meet the RYLA Team from 2013-14!

If they look like a fun loving group, it is because they are! They also take RYLA, our Youth Leadership Camp, very seriously, too. Last year, 60 10th grade students attended and left with new friendships

and memories that will last a lifetime. Of course, our youth leadership program was embraced and enjoyed, too.

Watch for applications coming out in December for the April 17-19 Camp held at the Alpine Boy Scout Camp. Cost is \$250 per student and covers all meals, lodging and activities. Change the life of a child! Send them to RYLA.

Hands on opportunities for your club, too. Run an activity or commit to be a Rotary adult leader. For info: [RYLA@Rotary7230.org](mailto:RYLA@Rotary7230.org).

## The Great Adventure for Cortlandt Healthcare Residents

On a beautiful, sunny October 3rd some of the members of the Cortlandt Rotary Club went to the local Cortlandt Healthcare Facility and took some residents out for a day. They boarded a bus and went to the Peekskill Riverfront Green where the "Evening Star Cruise Boat" was waiting for them. Some of these residents had not been out of the facility in many years so the excitement was high.

They proceeded to board the boat for a cruise up the Hudson River. Captain Mary Pat, was the tour guide giving a talk about all the important on shore they were seeing as they cruised. They went

as far as the Bear Mountain Bridge and returned watching the foliage which was starting to turn. When they returned to the dock, a box lunch was served onboard for all to enjoy!

The smiles on this excursion were priceless!
