March 2015

Rotary International

RI Pilot Club Program

Deadline to apply is March 31, 2015 for Pilot Club Applications.

Become an innovative and flexible Rotary Club. Innovative and flexible Rotary clubs are fun, dynamic, diverse, resilient, tolerant, interested in trying new things, proactive, member driven, results oriented, resourceful, inspirational, and relationship rich. They support and strengthen their members, focus on and increase their humanitarian service, and enhance their public image and awareness. The RI Board of Directors has approved expanding the Innovation and Flexibility pilot from 200 to 1,000 clubs, effective 1 July 2015 through 30 June 2017.

For Innovative and flexible Rotary Club pilot guidelines that include the purpose statement, demonstrated results and measures, implementation plan, eligibility, selection, terms of reference and frequently asked questions and answers. You will find the entire guidelines at www.clubrunner.ca/7230. Call DGE Marilyn Masiero for more information at (914) 824-3101.

Brooklyn Bridge PolioPlus Walk

Sunday, May 31, 2015

Permit anticipated by March 15th
More info soon on District Website.
Dr. Larry Severino, District PolioPlus Chair

New District Website to Launch

Welcome to our new District Website on a Clubrunner platform at www.Rotary7230.org. Our district site is also a 'gateway' for frequently needed information on Rotary.org. It is being developed as both a functional tool and resource for needed information. The goal is to make it 'one stop shopping' (OSS) with its capability to integrate with Rotary.org. If your club is NOT a Clubrunner website club, you are still able to maintain club membership records on the District Website and update Rotary.org at the same time. With or without a club level clubrunner website, the district records will be updated with

RI...and no additional cost to your club.

Explore all the links and you will find the NEW website to be an easy 'gateway' to Rotary.org information as well as District events, news and other resources for your club. Check out "Contact Us" for handy phone numbers - (OSS). All member can update their own profiles, find information needed, send in and read stories about your good work, make suggestions to improve our website plus register and pay for events they wish to attend. All membership and attendance records must be updated online regularly to insure proper billing by RI and the District. (RI's new policy is "No more adjustment due to inaccurate club membership records.")

At this time, I would like to thank Dr. Ted Nygreen who has been so valuable to the district by creating and operating the District Website. As I have told many others, in my opinion Ted is the best volunteer in the District. He is talented, proactive and reliable. He always accomplished the tasks at hand timely. We will miss his expertise and congeniality because he chooses not to continue with webmaster responsibilities on the Clubrunner platform. Thank you Ted.

The next Clubrunner How To Webinar is March 18th at 3:00 PM.

District Awards Program Benefits Clubs

Every Nominee, Individual or Project, will be recognized in a dignified and meaningful manner. All Projects applications will be assembled, copied and distributed to all clubs for new ideas. (See Awards Categories on page 8 and full applications on the District Website, left Column, AWARDS 2014-2015 button).

Save \$\$\$ Use Sound Membership Management

Rotary International no longer will be making adjustments to your reported membership numbers. Here are tips to avoid paying unnecessary RI or district dues for non-dues paying individuals.

1. RI uses your membership numbers as of June 30th and December 31st.
2. Update your membership records on the new district website by June 25 and December 24th before the 2nd RI dues invoice is prepared.
3. Make it a practice to immediately add your new members (so they get the *Rotarian Magazine*) and remove members who have resigned, passed, moved or

who you determined will not be paying dues. This membership record can be done on your club version or the NEW district version of Clubrunner. Clubrunner integrates with Rotary.org.

4. Plan ahead and send club invoices 45 days before July 1st (if you collect dues bi-annually, 45 days before January 1st.
5. Communicate with non-payers timely and make a deliberate decision to either remove a member(s) from club rolls or to hold them depending the anticipated likelihood that dues will be collected.

Continued on page 2

PDG Bob Benson Passes Rotary Will Miss You Bob!

Bob was born in Baltimore, MD, where his father was a naval officer. The family moved around the country every two to three years with one new assignment after another. Bob loved the opportunity to meet new people, adapt to different situations, and learn to be flexible in making new friends and settling into new communities and cultures.

Bob graduated from the University of North Carolina and subsequently served his Naval ROTC obligation with two years in Japan. Upon leaving the service Bob joined IBM, his only employer, where he spent the next thirty-odd years in sales both in the United States and abroad (five years in Germany).

The first contact Bob had with Rotary was through his father, who was a Rotarian for 50 years both overseas and in Carlisle, PA. His father's example installed in him the importance of public service, and in both Baltimore and Bronxville, he became involved in numerous community activities such as food delivery to AIDS patients and the Project Selection Committee of the Community Fund.

Bob joined Rotary in Bronxville in 1993 and held numerous offices both at the local and district levels. He served on the UN Committee and the District Foundation Committee.

As District Governor in 2002-2003, Bob focused on the needs of the children of South Africa. He asked each club in the district and other districts to contribute to the Friendly School Project Humanitarian Grant. The grant, which exceeded \$100K, refurbished multiple schools in the Pretoria area. The primary focus was on the Kungwini Early Learning Center. The center was begun out of necessity to help the older siblings (middle school) who were now the caretakers of their preschool brothers and sisters. The

children played outside the school as their siblings attended classes. These children had lost their parents to AIDS. The center was given a fresh coat of paint, books, computers, a stove, refrigerator and most importantly a playground. Bob was most proud that our Group Study Exchange Team was in SA at the time and were able to work hands on at the center. Bob was also able to send a container with needed school desks along with other supplies that were donated.

As PDG, Bob was part of the Bronxville Rotary Club team that implemented two matching grants to help alleviate poverty and poaching of animals around the South Luangwa National Park in Zambia. In partnership with Community Markets for Conservation, farmers were trained in beekeeping techniques, and given beehives. The honey was then purchased and packaged for sale in local markets. A video about the project can be found at url....

Bob is survived by his wife, Rotarian Doris Benson, a daughter, Sandy Hill, a son, Howard Benson, and two grandchildren, Rachel Hill and Ken Hill.

FYI: Bob and Doris Benson were very much involved with making a 'difference in the world.' Together they spearheaded the Comaco project in Africa for the Bronxville Rotary Club. As a tribute to Bob, and of course Doris, Andrew Stein Videography, 914-671-3760, provided the video at: <https://www.youtube.com/watch?v=Ca2Spzv2alQ>.

The 2nd Meeting of every Month is "Bring a guest Day." When we focus together, we always enjoy the best result.

Membership Management

Continued from page 1

Non-paying members can be reinstated.

Note: As of January 2015, RI Dues payment rules are more stringent. Non-payment of dues for 90 days past the due date and brief grace period will result in revocation of the club charter. Revocation means the club name is gone forever.

A Recurring Column for the District Light Up Rotary Newsletter

Gerri Schwalb Yorktown Rotary Club

Born and raised in the Bronx, I even went to college in the Bronx. Now Lehman College, I was the last graduating class from that school still named Hunter College. My senior year, during Christmas break – I got married. After graduation I became a second grade school teacher at PS 66 in Richmond Hill, Queens. How different and how much less sophisticated 7 year olds were some 50 years ago! After teaching for several years, I had my first child and opted to become a stay at home Mommy. Within two years we had a brother for daughter, Amy. When both Amy and Adam were old enough to be in school full time, Mommy embarked on her second career – I ran for political office in my home town. In 1976 I won the full time position of Town Clerk for the Town of Yorktown.

I loved the job and the flexibility of the position in terms of being able to see my children's school plays and after school sports activities. And finally after 7 success-

ful campaigns I'd had enough, and was ready for new horizons. Having spent 14 years in that position and having interacted with almost everyone in my town, I strongly believed that becoming a realtor would be a good "fit" for me. So began my real estate career. It certainly was scary not getting a pay check on a regular basis, but I persevered, and built my real estate career into a very profitable business.

Between work and family, I always found the time to give back to my community and when invited to a Yorktown Rotary lunch I was thrilled. The warm welcome and comradery of the group convinced me that this was a very special group of people. We are a small club, do lots of projects within our community, and serve as officers often. But the group is like an extended family and would miss it terribly

if it weren't in my life. My biggest hope for our club is that it will grow and grow and grow, without losing its personality.

White Plains Rotary Feeds the Homeless

Warm and caring hearts prevailed on Saturday, January 31st as 25 members of the Rotary Club of White Plains braved biting, bitter winds and tempera-

ture below 10° for a day of service at the Thomas H. Slater Center. Held in conjunction with One Sandwich At A Time (OSAAT) and thanks to the coordination of RCWP member Libby Hollahan, we made, served and delivered food to the homeless. We were joined by spouses and friends of Rotarians, youth from St. Christopher's and staff of the Slater Center. OSAAT, co-founded by RCWP member George Kontogiannis, was named by the Today Show as one of the 25 Inspirational Stories for 2014.

RCNY Supports Scholarship

The NYC Rotary Foundation presented Debra Cantoni, Executive Director of the Miss New York Scholarship Organization a check for \$10,000. This grant will be awarded to Miss New York 2015 at this year's pageant on June 6th. Also pictured is Jillian Tapper, Miss New York 2014 and Rotarian Jim Thompson. Jim Thompson is Chair of the NYRF Foundation. Jillian spoke to the club about her focus on mentoring children as the possibilities of life. The important message is very simple, "You can accomplish anything you want to achieve." <http://missny.org/>

DG Meets Sandys Student Exchange's Rebekka Sunderbruch

In the Photo are President Stephen Todd, Rebekka and DG David.

Rebekka says: I come from a small village in northern Germany, two

hours western of the city of Hamburg. I am attending Warwick Academy in Bermuda and I will attend High school in Germany for two more years before I graduate in 2017. I plan on studying either Global Economics and Management or Marketing after graduation.

Our Bermuda Clubs enrich their Rotary mission by utilizing the wonder Exchange Student program. Don't miss the Student Exchange Panel at the District Conference. *PS. Sandys is pronounced Sands.*

Rotary Networking Meetings

Charles DiBartolo

Al Lambert

Attention Staten Island Rotarians!

Drop into your own RMB charter meeting on the 2nd Tuesday each month at the Unicorn Diner, 2944 Victory Blvd from 8:30 to 9:30 am. Paul Harris began Rotary with a networking benefit idea. People do business with people they know and trust. RMB on Staten Island is for Rotary members only. Non Rotarians can join Rotary and participate in RMB plus all the Community Service work and social activities of Rotary.

For information call **Charles DiBartolo**, (973) 390-4719 or **Al Lambert** (718) 351-4200 or email Charlie.dibartolo@gmail.com.

Bill Fishman

A Rotary Networking Meeting is scheduled for Thursday, March 19, 2015 at 8 a.m. Please RSVP by March 17.

Our mission is "Promoting networking in Rotary, and promoting Rotary in the business community."

Begun in the Rotary Club of White Plains, we invite Rotarians from every Club and prospective members who a Rotarian thinks may be a good candidate for a Rotary Club. We begin and end promptly so people can get to work; cost is only \$5 and includes breakfast – great deal!

Meetings are scheduled for the third Thursday of each month at the law offices of Bill Fishman, 11 Martine Avenue, 12th Floor, White Plains, NY 10606, but please contact **Bill Fishman** at: lvf7471@gmail.com to confirm the time and place and for more information.

Learning More About Cuomo's Opportunity Agenda at a North Shore Rotary Club Meeting

After unveiling his 2015 Opportunity Agenda in his first-ever joint State of the State address/budget presentation on Wednesday, Gov. Andrew Cuomo is dispatching members of the his Cabinet to meet with various community organizations across the state to further educate them on the plan. To that end, Audrey Zibelman, chairwoman of the Public Service Commission, spoke at a meeting of the North Shore Rotary Club Thursday night at Li Greci's Staaten,

The governor's agenda encompasses many areas of interest to Staten Island residents, from education reform and student loan forgiveness, to a statewide reconciliation commission to address police/community relations.

Ms. Zibelman also addressed the governor's plans to allow for more property tax cuts and to increase the state's disaster preparedness.

Thank you to the North Shore Rotary Club and their President Christine Dehart for hosting Governor Cuomo's 2015 Opportunity Agenda. The Agenda was presented by Chairwoman Audrey Zibelman. Mrs. Zibelman is Chairwoman of the Public Service Commission. Should you have a group that is interested in hearing this presentation, please let me know.

Peekskill Club Installs 2 New Members

Pictured (l. to r.): Vice President Linda Murphy and President Elect Ronald Worth with newly inducted members Chris Thomas and Ester Rosamilia. New members have to wear white hats at Peekskill RC meetings and events until they accumulate enough member's signatures to request permission from the club to remove the hat. This ensures a conversation with almost all of the 80 members of the club.

District Rotarian Attends World Freedom Day

MetroNYC Rotarian, Kelly Roberts was invited to attend the 61st anniversary of World Freedom Day in Taipei, Taiwan. She emails us a photo and "I had a great trip to Taiwan. I tried my best through my contacts in Taiwan to get in touch with a Rotary meeting while in Taiwan. Gary Huang's Rotary Club is the first English speaking club in Taipei. They met at lunch on the Thursday I arrived and was unable to attend. However, I did take the photo opportunity while I was in Taipei attending World Freedom Day 2015 at the iconic Grand Hotel to snap a photo with the Rotary Metro NYC Club flag in Taiwan.

Meet Our Presidents

Continued from page 3

Vito Foto, Eastchester Rotary Club

Vito was born on June 27th, 1961 in Brooklyn, NY and lived in Brooklyn until 1972 when his family moved to Yonkers, NY. His parents owned and operated a food service business where my 2 brothers and I worked growing up.

After graduating from Sacred Heart High School in 1979, he earned a Bachelor of Science degree in Biology from Fordham University. After graduation from Fordham in 1983, Vito went to NYU and graduated in 1987 from dental school. Following dental school he did his dental residency at Mt. Sinai Hospital. In 1988, Vito opened his dental practice in Yonkers and 5 years later, moved his practice to current location on Pondfield Road, Bronxville.

Vito and his childhood sweetheart

Lisa, were married in 1987. Vito and Lisa have two children, Marc, who is 24 and a second year law student at Washington and Lee University in Lexington, VA and Amanda, 19, who is a second year student at Bucknell University in Lewisburg, PA.

When Vito is not working or serving as President of the Rotary Club of Eastchester, he likes to play golf. His hobbies include Formula one racing (as a spectator) and go-karting as participant.

Vito shares, "When I was asked to join the Eastchester Rotary Club, I didn't know what Rotary was about. I soon learned was that the Rotary was a group of individuals with a passion and dedication to make a difference in the world. The words Service above Self certainly described what the Eastchester Rotary Club is all about. Our Rotary Club's

dedication of time and enthusiasm to reach out into the community and help the less fortunate was something that I am proud to be part of. I certainly support our international effort to eradicate polio and I feel that as the Gift of Life Program continues expanded, it will further personify our motto "Service above Self".

Pleasantville Rotary Uses Global Grant in Tandem with District 1880 in Kosovo

Raspberry Farms Project Description

The area Srebrenica was particularly devastated during the Yugoslavian civil war.

Our Rotary Project „Raspberry Farms“ is considered one of the most important activities to help the local population cope with the still lingering results of this war.

The project supports

- Widows and their children
- Families taking care of their handicapped family members
- Jobless refugees returning to the area after the war

• Young families striving to make a living in the area (rather than emigrating)
The area Srebrenica offers excellent conditions for the Project „Raspberry Farms“

• Type of soil, climatic conditions and a population experienced in the business result in some of the best raspberries grown in Europe

• An initial investment of approx. USD 1800 is usually sufficient to give a family of 4 – 5 an income which will cover their basic needs for years to

come - the life span of raspberry bushes is considered at least 10 years (usually much more)

• Virtually all communities in the area Sreberenica are involved in the Project, which makes for excellent controlling and coordination of the project activities

Since the end of the civil war (some 20 years ago) there has never been a project in the area that could, even remotely, be compared with the „Raspberry Farms“ in terms of the investment-earning ratio and in terms of widespread benefits for the local population.

Enclosed see pictures of raspberry bushes after planting and fully grown.

DG Visits Sandys

At the February 11th DG visit to the Rotary Club at Sandys (pronounced Sands), DG David filled in for a reschedule guest speaker. In addition to a Rotary Exchange student, we recognize President Stephen Todd, Visiting Rotarian Ron Lancy, a frequent Bermuda visitor from the US, members Sir John Swan, the only known person in the District to have been knighted, Past President Tracy Adams, an officer in the Bermuda Police. Meeting new and interesting fellow Rotarians is one the big perks of Rotary Membership. How special it is!

The Leader Inside

By Don Nelson,
LCSW

Don Nelson

At the end of a recent presentation in NYC I gave the audience a two-tip take-away designed to prevent disagreements and fights from escalating in our personal and business life. Relationships with significant people in our lives need protection from hurtful comments that can fracture trust made in the grips of strong painful emotions.

Afterwards some people shared with me how they have tried to do this, sometimes with success and sometimes not. I was struck again by the fervor in which they spoke and how important a subject this is. Crucial in fact.

Here are the key questions:

How do we disagree without without sounding so disagreeable ?

And how do we argue or fight with someone close to us without having the conflict escalate ? (Note- any close ongoing relationship will have its differences. That's a given.)

Remember, we may not resolve the issue so quickly, but it's important to use strategies to protect the important relationship and not cause a breach in the trust.

Here are two tips to help disagree, argue or fight fair with each other:

1. Stay focused on the *specific current issue* that triggered the problem. Try to understand what might be going on now. Don't do what is called "gunny-sacking" or having a "kitchen-sink" fight.

For example. If two parents are disagreeing about how to handle one of the children who acted out in school we *don't want to say* something like: "you always let him get away with things, like that time when we visited your folks and you didn't say anything" , or avoid: "your mother let you get away with things when you were a kid and now you're doing the same thing."

Another example of *what to avoid* would be: "You don't say anything about her breaking the plate just like you didn't do anything about your drunken brother at our wedding" (10 years ago)

Note- Stay in the present and focus on what might have caused the problem and what can be done to make adjustments.

2. Speak from *personal reactions and feelings*, not from a critical-attacking mode.

For example. "When you don't get back to our clients/customers right away it worries me that we're going to lose them." That's better than saying: "You're lazy and don't care about getting back to people and it has to stop." Or avoid saying: "I don't trust that you'll get this project done on time. You always run over budget."

Another example of a better way to relate in a "fight" would be to say: "When you talk to me that way it makes me feel pushed away and I want to get out of here." (Note- That's better than trying to use logic to defend irrational criticisms or worse, attacking them back.)

Let's emphasize a closing important point. If we value an important relationship and wish for it to continue and flourish then we need to protect it. Every ongoing relationship will have it's bumps and rough patches. How we navigate those times is the key to our personal growth and the further development of our important relationships. Visit my website: www.challengetheleaderinside.com for other blogs and video clips with more tips on self-awareness and con-

A Look at St. George's Rotary

Each week, the Grotto Bay Resort prepares this printed menu for every Rotary member. Such a nice touch and dinner is only \$35 including wine. Not everything in Bermuda is expensive! Enjoy attending this meeting at our next "On to Bermuda" typically in October and meet President Donnie McLaughlin & President Elect Madeline Hayward.

People are Awesome

Watch this inspirational video and realize, while most of us cannot accomplish what we view, we can make our clubs stronger by focusing and planning membership development and training leaders. Rotarians are Awesome. <https://www.youtube.com/embed/VWf8CXwPoqI>

Two District Rotarians Honored by Staten Island Chamber

Bernard Del Rey

On February 25th, Rotarians Bernard Del Rey, Mid-Island Rotary and Ron Victorio, Staten Island Rotary were honored at the Business Leadership Awards Breakfast.

Each year, selected leaders of the business community receive The Louis R. Miller Award. This award was named after Louis R. Miller who was a tireless community activist who view volunteering as a way of giving someone back to his neigh-

Ron Victorio

bors. He was a longtime judge for the Staten Island Advance Women of Achievement program. Miller believed in volunteering as a way to repay everyone for the love of America

he found after immigrating to America. The event was held at the The Excelsior Grand.

Many District Rotarians attended this event including DG David Del Monte & DGE Marilyn Masiero to show support for our fellow Rotarians.

McFadden Running for LLS Man of the Year

Pictured (l. to r.): Team Captain Peg Caniff, LLS Candidate 2015 Man of the Year JT McFadden, LLS National Director of Philanthropy Laura Buckley and LLS 2011 Man of the Year Kevin Morgan from the Elmsford Rotary Club.

JT McFadden is running for 2015 Man of the Year for the Leukemia and Lymphoma Society; he is the third District 7230 Rotary President to run following Eric Lebenson (Briaircliff) and Kevin Morgan (Elmsford).

LLS has been able through the Man of the Year Event provide critical improvements to the quality of life for all blood cancer survivors. In fact thanks to these types of campaigns LLS has been able to change the survivor rate of childhood leukemia from 4% in 1955 to 91% today.

Help JT to reach his fundraising goal by clicking this link: <http://www.mvoy.org/pages/ctwhv/ctwhv15/jmcfadden>

An Afternoon at the Academy Awards

The Seniors from around the entire Town of Cortlandt got all dressed up last week on February 18th to walk the "Red Carpet", be photographed and predict the winners of the Oscars televised on Sunday, February 22.

There were prizes for the best dressed woman, best dressed man and best dressed couple who walked the Red Carpet before entering the gold and black decorated Academy Welcome Center. Being handed a glass of sparkling cider in fluted glasses by a Rotarian, having a catered lunch from our local delicatessen Sarasota's, special desserts by Cortlandt Colonial Restaurant and watching the trailers of all the nominated films with popcorn provided by Regal Entertainment at Cortlandt Town Center. They all made their predictions on ballots provided for them by Cortlandt Rotary. The top three predictors will get tickets to go to the

local theaters to see a movie of their choice!

The Supervisor Linda Puglisi, stopped by to join us for lunch and address the group of almost 100 attendees. The Supervisor also provided a "sweet" farewell to each person attending in the form of 2 heart-shaped cookies decorated as a tuxedo and a red gown.

A glamorous time was had by one and all as they for next year's event!

Metro NYC Recognizes 3rd NID Member

Former Rotary Ambassadorial Scholar and current member of the Rotary Club Metro New York City, Thomas Kraehenbuehl, had joined a multinational team of Rotarians to help vaccinating kids against Polio in India. "I was inspired by my previous

Club Presidents Nadine Homann and Stefan Jekel who participated in India's National Immunization Days some some years ago," Thomas explains. "Greatly touching to give these two vaccine drops into the little mouths of the kids. Absolutely enriching to see the thankfulness in the young mothers' faces. Very satisfying to realize in a major hospital with Polio patients near Delhi, that not a single patient was under age 25. Rotary's efforts pay out. India was once world's largest polio-endemic country. Today, India is officially off the list of endemic countries.

1. Rotarian of the Year

- a. Nominated by any Rotarian within the district, and signed by the President, or any Assistant Governor.
- b. The District Past District Governors will serve as the Screening Committee, selecting the most deserving candidates, if necessary.
- c. The Presidents vote.
- d. **Recognition:** Winning Nominee will receive special recognition:
 - d1. All nominated Rotarians will receive a District Governors Citation for Excellence of Service.
