

About our District 5610

Annually, the District Governor convenes a **District Conference** to further Rotary's program within the district. The conference provides a venue for fellowship, for exchange of information and ideas, and for opportunities to help shape the direction and activities within our District. The conference/assembly also legislates on matters of concern to the district and may consider special matters submitted to it by the RI Board. It is empowered to propose legislation for consideration by the triennial Council on Legislation. Each spring, the district provides **Club and District Leadership Training**. This is a great time to learn more about how Rotary International operates, get updated information, and meet leaders from all around our District. A **District Assembly** is also held during this time to update operations of the district.

Our District belongs to **Zone 29 of Region 36**. Additional training is offered by Zone leadership at various locations for district governors' nominee and elect, and all other District leaders, each year. Zone website <http://rizon29.org>
