

## Rotary Disaster Response Grant Opportunity for District 5610 Clubs

What can your Rotary Club do to help lessen the impact that the COVID-19 pandemic has on your community? Would some funds make that idea a reality?

The Rotary Foundation (TRF) has granted District 5610 \$25,000 in Disaster Response Grants to disperse to Rotary Clubs across the District. The streamlined, online application can be found at: <https://forms.gle/zAfxdjKscHdbNQyT6>. Only one application per Club will be considered, so please work with club leadership to develop one strong application.

Proposals are due by Nov. 30, 2020. Grant awardees will be notified by Dec. 10, 2021. Funds must be used by April 1, 2021, and a grant report is due no later than April 15, 2021.
