*Notice: Speakers with authorized Rotary messages will be compensated for mileage.*

### Membership

**Carmen Hansen**, [carmenhansen@rushmore.com](mailto:carmenhansen@rushmore.com) 605-484-6056

Club Membership Recruitment, Engagement, Retention. How to develop a Club Membership Plan. This presentation can be during a club meeting or club assemblies. Contact Carmen to discuss dates and particular needs.

### Polio

**Willis Sutliff**, [sutliff@midco.net](mailto:sutliff@midco.net)

Willis would speak on Ending Polio Now, what polio is and where we are in our fight against it. He can talk for 10 to 30 minutes depending on the wishes of the club. The club would like him to talk because Ending Polio Now is Rotary's number 1 priority. He would need a projector, screen, video connection and microphone for his presentation and would need probably a month notice to schedule.

### Service Projects

#### Rotary Exchanges: Youth/Friendship

**Loren C. Boyens**, [lboyens@midco.net](mailto:lboyens@midco.net) 605-366-1976 (C) 605-331-3699 (O) 605-334-1090 (H)

I am willing to speak to clubs about recruiting RYE students or finding host families. (We have hosted 5 RYE students.) I would also be available to speak about Interact/Rotaract. (We had 6 Interact & 4 Rotaract Clubs chartered in the past.)

**Pat Sutliff**, [sutliff@midco.net](mailto:sutliff@midco.net)

Pat is the Friendship Exchange Chair for the District, in charge of the District 5610 Four Way Test Essay Contest and works with the District sponsorship of a student at the School of St Jude in Tanzania. Pat would speak on any of the three programs that she is involved with and can speak for 10 to 30 minutes on any one of them or do several of them at one program. The club would like to hear her because she has several different kinds of programs that a club can become involved in and that are a good way to involve members in Rotary. She would need a projector, screen, video connection and microphone for her presentation and would probably need a month notice to schedule. You can get a two for one with Pat and Willis where he talks Polio for 10 minutes and she talks about her 3 programs for the other 20 minutes of a 1/2-hour program.

### Publicity/Public Image

Presentation – Most topics can be covered/reduced to a 20-30 minute presentation. Topics related to Rotary:

1. Public Image – Websites, working with media, social media, etc.
2. Member Communication – email, websites, social media
3. Member recruitment/engagement
4. Opportunities in Rotary – Fellowships, action groups, and structured programs.

Timeframe for notice – several weeks would be best.

Equipment – a projector/screen (or wall) would be important. If it has a computer attached, great, otherwise I'll bring a laptop.

## Program Speakers

**Jeremiah Corbin**, [jcorbin@sdarws.com](mailto:jcorbin@sdarws.com) 605-270-3894

I am available to speak with several weeks' notice, with a presentation on water festivals that occur in communities across South Dakota. My presentation educates Rotary about water festivals, who they target and how Rotary clubs can get involved. I have video and PowerPoint presentations, that would need a projector – I can bring a laptop and projector if one is not provided. I recommend 20 minutes minimum, plus time for Q&A.

**Bruce Nearhood**, [bruce.nearhood@SDStateFoundation.org](mailto:bruce.nearhood@SDStateFoundation.org) 605-484-8916 (C)

I do presentations on scuba diving for clubs.

**Ina Winter**, [kristine.ina.winter@gmail.com](mailto:kristine.ina.winter@gmail.com) 605-890-3692

PolioPlus, NID Trips, and Just about anything Rotary

I can work with or without each club's PowerPoint capable equipment.
