In thinking of the times we are living in, I would like to share a prayer written in England in 1941 during the fighting of World War 2.

Let us pray: O God, you have called your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage, not knowing where we go, but only that your hand is leading us and your love supporting us, through our Good Shepherd. Amen
