

Rotary Club of Taylor

Rotary International exists because of people like you working together, to accomplish extraordinary things in the community and across the world.

All it takes is being willing to get involved.

Rotary works hard to give back.

We strive to create a better future and make a difference. The biggest benefit you'll find from Rotary is the great feeling of knowing you're making a difference.

Rotary fights polio, promotes literacy, provides clean water and works to protect women and children across the globe.

As an added bonus, you get to network with business, professional, executive and community leaders -- locally and abroad.

Join us for one meeting and see if you can make Rotary work for you. It's time to experience Rotary for yourself!

ROTARY DUES are \$60/month -- invoiced monthly to you or your company. They include your meals at the Thursday Rotary lunch and dues to Rotary International, Rotary Foundation and the local club.
