PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

We are working with various partners on the following projects:

Educator of the Month — The Club recognizes an educator from TISD and BISD for their excellence in the classroom.

Canine Companions for Independence — The Club raises money to support the training of a service dog for a local disabled Veteran.

Lakewood Elementary Service Club -- Since 2010, our Club has sponsored an elementary school club that is actively involved in helping others and developing young leaders.

Temple College -- Our club foundation provides scholarships every year to students attending Temple College.

College Visitation Days -- This program takes potential first generation college attendees on campus visits to local colleges.

Water for Life — The Club has supported the establishment of over 20 water wells in Ethiopia.

Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

I joined Rotary in 1977 to associate with respected leaders in our community - which I soon learned was the reason Rotary was founded. I remain an active member because of all the wonderful things Rotary does to improve our communities and the world.
— Bill Stokes, Past President

I'm a new member and it's inspiring to see the involvement and dedication this club has towards leadership and service! Please consider joining.
— Kim Langston, New Club Member
