

Waco Rotary Club

The Rotary Club of Waco provides community leaders an opportunity to build lifelong relationships, promote integrity, and advance goodwill through service to our community and the world.

Our club is comprised of 200+ outstanding business/professional members of the Waco community. United in the spirit of service, our members join together each week at the club's meetings to enjoy fellowship and participate in the club's activities.

Our club supports education in several ways:

- Student Recognition
- Scholarships
- Leadership Awards
- Literacy Projects

Waco Rotary meets every Monday
from 12:10-1:00pm at:
Waco Lions Den
1716 N. 42nd St.
Waco, TX 76710

Some of our activities include:

- **"Students of the Week" program:**
Honors top students from a local high school or college.

- **Literacy promotion:**
To promote literacy our club purchases and distributes personalized books to every 2nd grader in Waco ISD.

- **Youth Citizenship Awards:**
Waco Rotary and the Waco Tribune Herald recognize stellar local high school seniors who exemplify "Service Above Self." Top students are awarded a total of \$12K.

- **Rotary Challenge:**
We organize the locally televised Rotary Challenge quiz competition for local high schools (a program with a 52 year history!)

- **Waco Rotary Scholarships:**
We award money to college juniors and seniors who are McLennan County residents so that they can further their education.

- **Global Grant Scholarship:**
A \$30,000 grant made possible by member contributions to the Rotary Foundation. The Global Grant funds international graduate-level study for a student seeking a career within a specific area of focus.

- **Local and Worldwide projects:**
We partner with other local organizations such as Salvation Army, the Boy Scouts or Make a Wish Foundation to perform local service activities. We also partnered with other Rotary Clubs to pursue projects such as a water well project in Cameroon.
