*Mark your calendars and advise your Board and Chairpersons to attend District Assembly / Club Leader Orientation on **Saturday, April 5th** @ 9am in the Boys & Girls Club of Georgetown. There will be separate learning tracks for each position so officers and chairpersons can learn about the specific role they are about to assume, and it will be a great refresher for those returning to these roles. Special Note: ALL Rotarians are invited to attend if interested in learning about these roles.*
