### Tags

Using tags tells people more about your projects. Tags also help arrange your project in a group with similar ones, which helps people who are interested in a related topic find your project.

To choose tags, think about what words you'd search for to find this kind of project. You can also review the tags that people have already used on similar projects. For example, you can add "RYLA" and "Youth" as tags on a RYLA project if you notice that projects like yours tend to use those.

Mark the boxes if these statements describe your project:

- ☐ This project is a response to COVID-19.
- ☐ This project is part of the Rotary Days of Service initiative.
- ☐ This project is part of the [Empowering Girls initiative](#).
- ☐ This project is in response to the crisis in the Ukraine.
- ☐ This is a [joint service project](#) between Rotary, Lions, Kiwanis, and Optimist clubs.
