Traveling Between Venues

General sessions will be held at the Taipei Dome. You can easily travel between TaiNEX and the Taipei Dome using the Metro Taipei (MRT) on the Bannan Line

Departing from TaiNEX

Board the Bannan Line at Taipei Nangang Exhibition Center towards Dingpu. Ride six (6) stops and get off at Sun Yat-Sen Memorial Hall station. Use Exit 5 and there will be staff and signage to guide you to the main entrances.

Departing from Taipei Dome

Board the Bannan Line at Sun Yat-Sen Memorial Hall towards Taipei Nangang Exhibition center. Ride six (6) stops and get off at Taipei Nangang Exhibition Center . Use Exit 1 and there will be staff and signage to guide you.

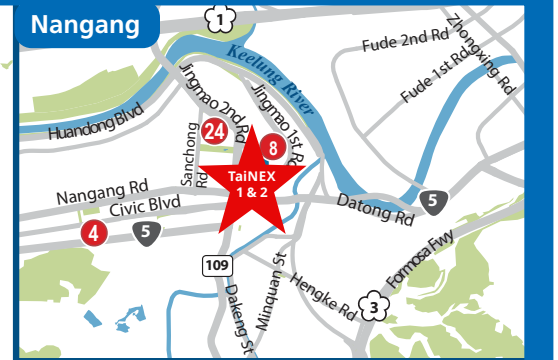

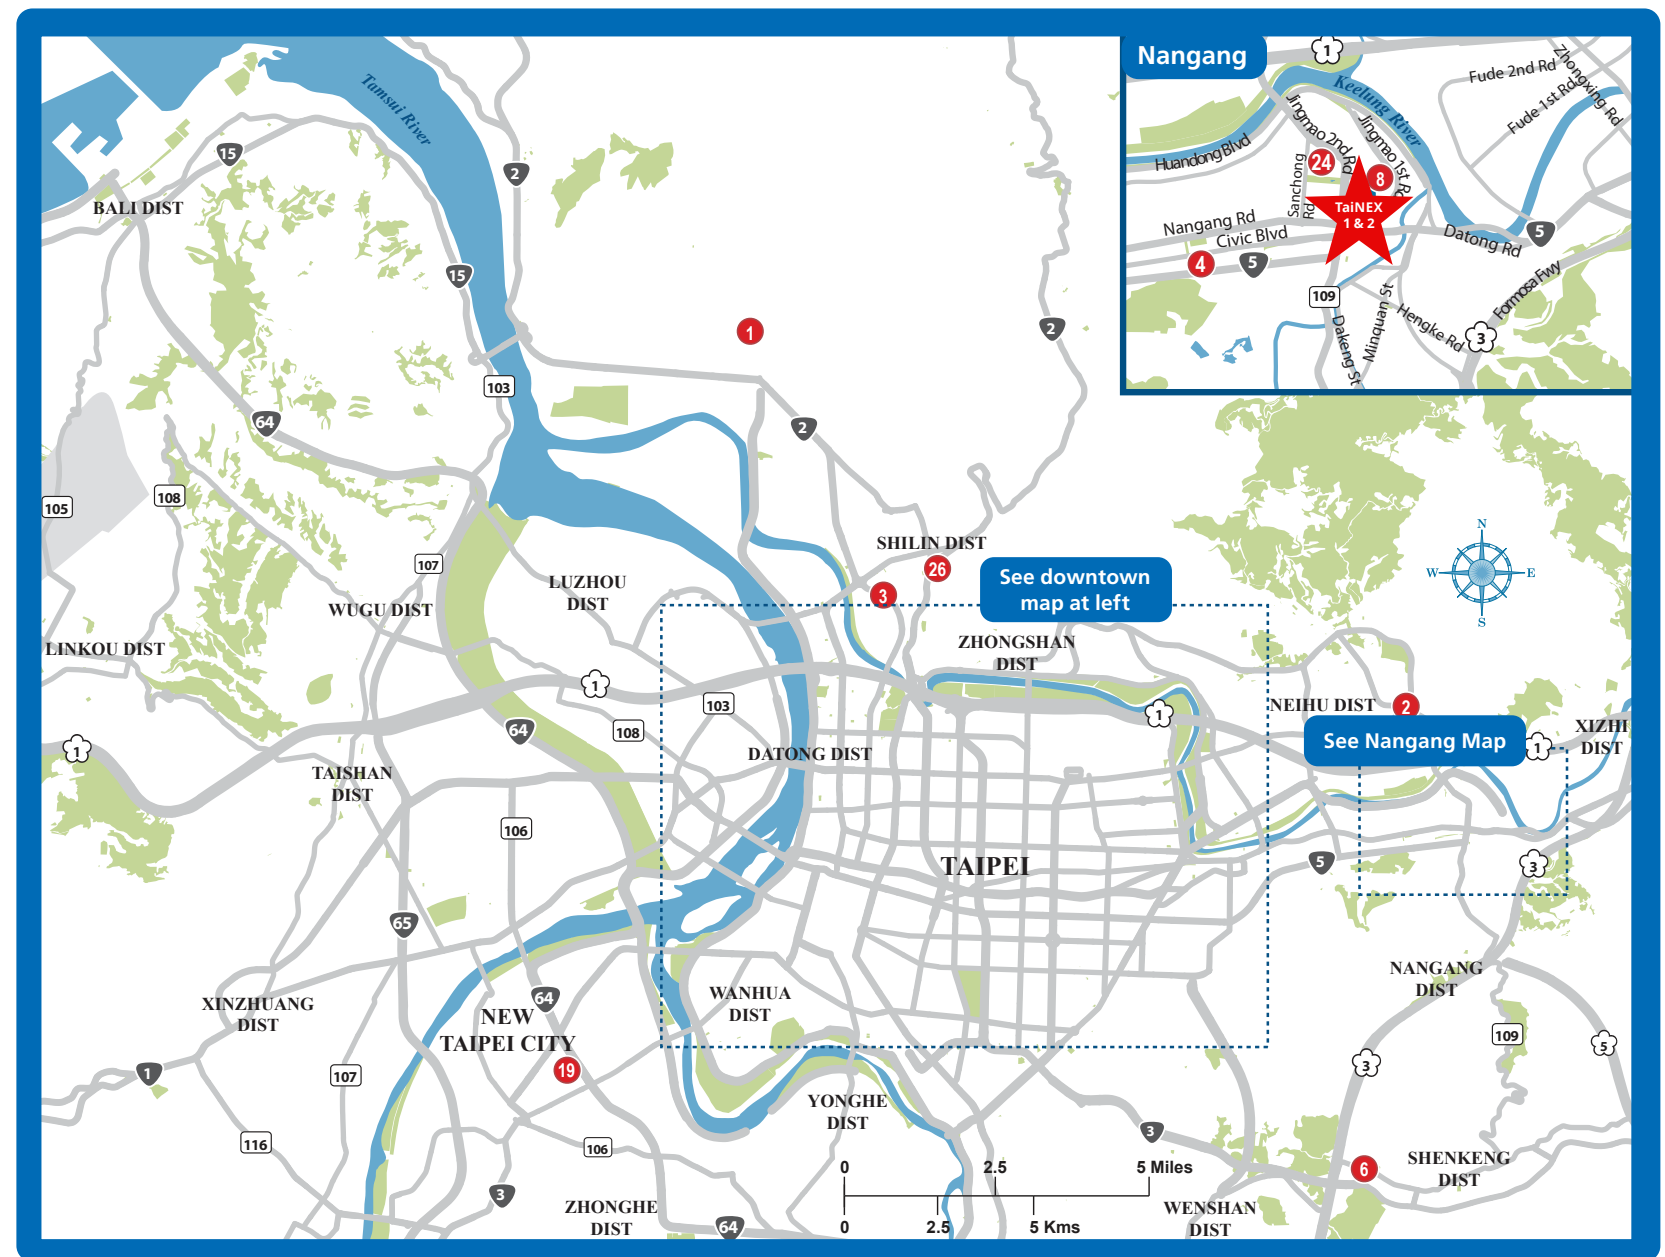

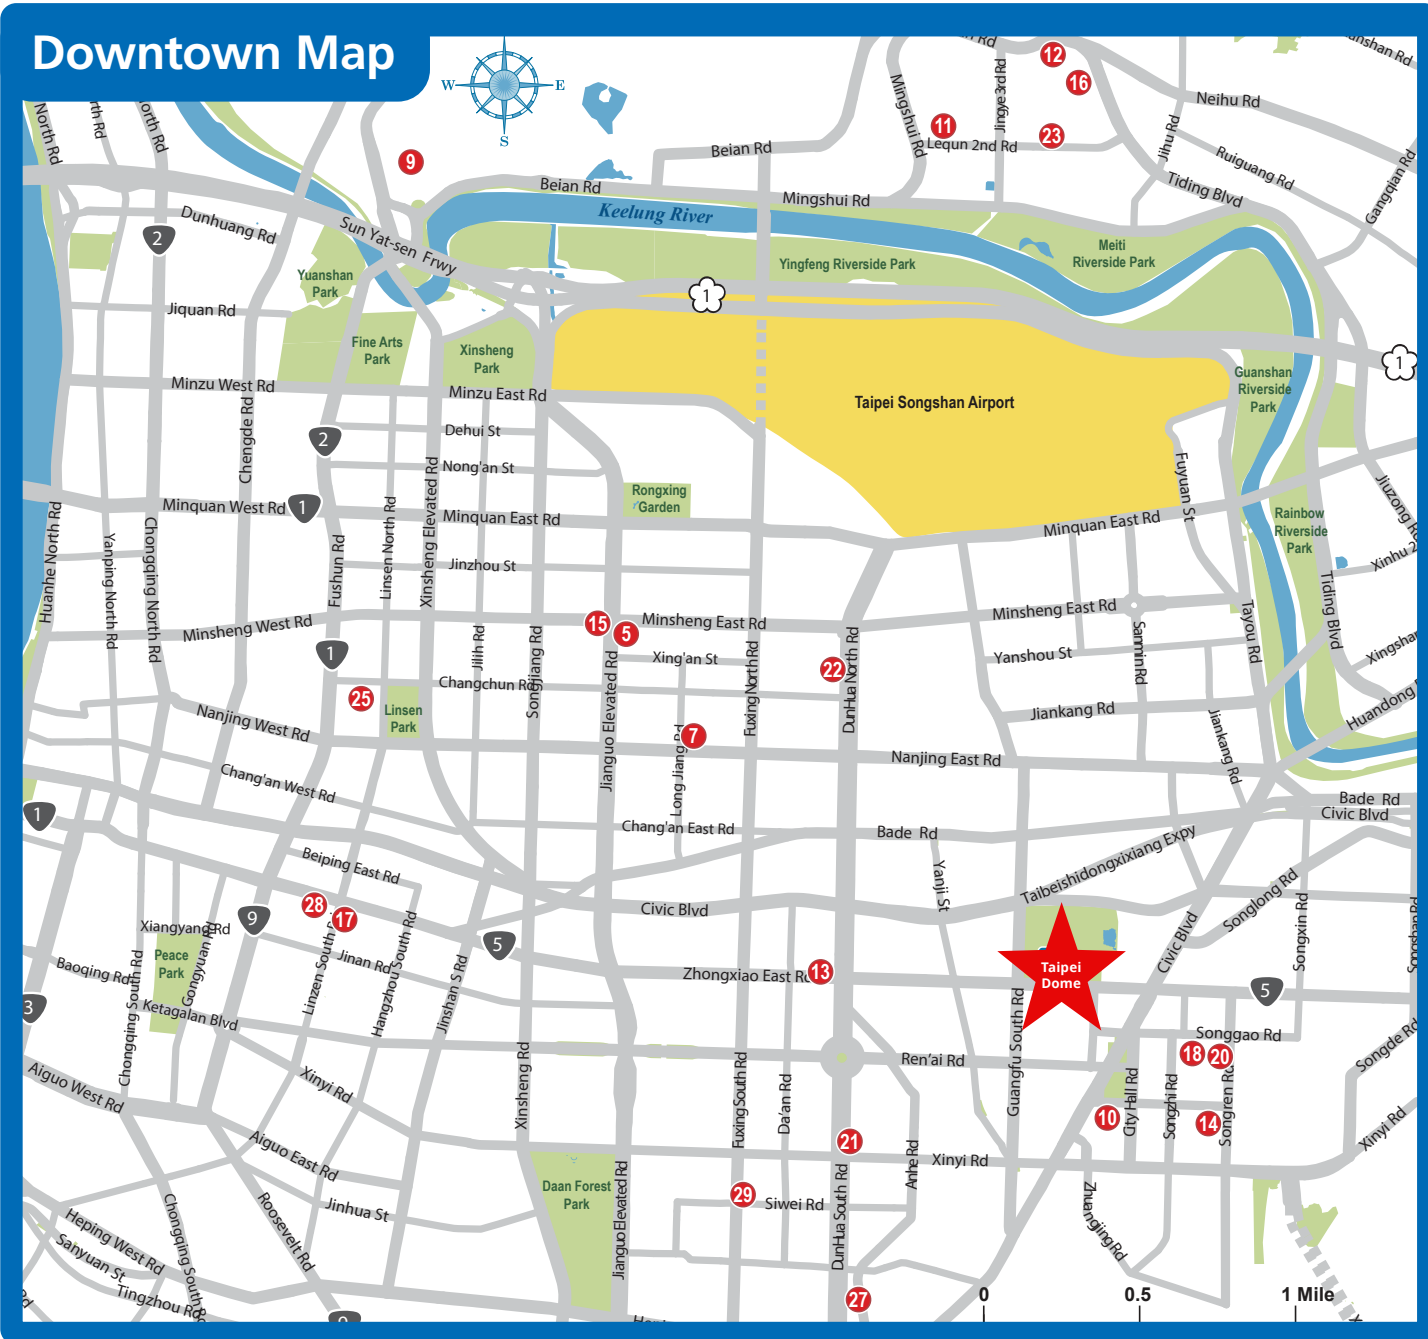

Travel time on the MRT between venues is approximately 20 minutes, which includes 13 minutes on the train.

Accessible Inter-venue Shuttle

To aid attendees in traveling between venues, Rotary will offer a limited mobility inter-venue shuttle. Space is limited so we kindly ask participants who can use public transportation, to do so.

THIS MAP IS FROM THE TAIPEI DEPARTMENT OF INFORMATION AND TOURISM - SEE THE FULL UNDISCOVERED TAIPEI MAP AND DETAILS IN THE MOBILE APP.

Transportation Information

Parking

Paid daily parking is limited near the convention venues; there is no free parking. Parking lots are shown on the map with a **P**. We recommend using public transportation instead of driving.

Taxis

Taxis are available from the designated stands at the convention venues and are operated by Rotary's official taxi provider, Taiwan Taxi.

Taxi stands are located at TaiNEX 1 & 2 on level B1. At the Taipei Dome, a taxi stand will operate only during general session times in the parking lot on street level at Sun Yat-Sen Memorial Hall.

If you prefer to travel around Taipei by taxi, we recommend downloading the **55688** mobile app as it lets you book and schedule rides on demand.

Accessible Transportation

Rotary provides an accessible transportation service between the official Rotary-contracted hotels and the convention venues. Visit the transportation information booth or the mobility loading area for details on how to book this service. If you need to rent a scooter or wheelchair, consult the mobile app for more information.

To aid attendees in traveling between venues, Rotary will offer a limited mobility inter-venue shuttle. This service is available for attendees who use mobility aids such as walkers, canes, or rollators. It is also intended for individuals who have difficulty standing for long periods, walking longer distances, or managing physical exertion. This includes attendees with breathing or respiratory conditions that make extended walking or standing challenging.

Space is limited so we kindly ask participants who can use public transportation do so.

Public Transportation

Rotary provides transit cards that you can use to travel to and from the convention venues on Taipei's public transportation system. These convention-branded EasyCards are issued to all full convention registrants. They come with NT\$450 of credit that can be used on Taipei Mass Rapid Transit (MRT) trains and city buses.

Each official convention hotel will have a sign with turn-by-turn directions for navigating from there to the convention venues. Transportation staff from Rotary will also be available in the official hotel lobby on 13 and 14 June to answer questions.

Using the Metro Taipei (MRT) and single-journey tickets

For your first trip from your hotel to Taipei Nangang Exhibition Center (TaiNEX) before you receive your convention transit card, we recommend purchasing a single-journey ticket, which is issued as a token. This will allow you to travel on the MRT until you receive your EasyCard in the registration hall.

To purchase a single-journey ticket, you will need cash in the local currency (coins or paper bills). Taipei's public transportation system calculates fare prices based on the distance you travel, so shorter trips cost less than longer trips. The minimum fare is NT\$20. You can purchase the token by using the kiosk at the MRT station and following the prompts for "Single-journey ticket."

To use the token for the MRT, tap it on the front of the entry gate, where it shows a token icon. While you are in transit, keep the token in a secure spot such as a front pocket or wallet. At your destination station, insert the token in the slot on the exit gate to open the doors.

Using your convention EasyCard

You will receive your card with NT\$450 of fare credit on it at registration. This should be enough to travel between your hotel and the convention venues each day of the convention if you are staying in the official hotel block. Trains operate 06:00 to 24:00. Peak hours are 07:00-09:00 and 17:00-19:30 on weekdays. Peak service is every 2-4 minutes; off-peak is every 5-10 minutes.

To use the card, tap it on the card icon, either at the MRT entry gate or when you board a bus. During your trip, keep the card secure but easy to access, because you will need it when you exit. As you exit, simply tap the card on the card icon located near the door or at the exit gate. The fare will be deducted from your card.

To check your balance or add value, use the kiosks in MRT stations or at many convenience stores.

Be mindful of etiquette. Smoking, spitting, littering, eating, or drinking on public transportation is not allowed.

Hotel Shuttle Transportation

Select hotels will have a supplementary shuttle service to help attendees get to and from the convention venues. These hotels have been divided into 3 routes. Each route can be identified by number and color.

Check to see when the next bus will arrive by using the tracking link found in the Rotary Event app, or by scanning the QR code below:
