Club Service Narrative for the Rotary Club of: POIPU BEACH

It was important to President Milani and the 2017-2018 Board that Rotary Club of Poipu Beach strengthened its club by improving operations and weekly meetings, fun activities, becoming more involved with the four other clubs on island.

In club operations and weekly meetings, President Milani created a practice where members would begin the weekly club meeting by reciting the Four Way Test and explaining it to any non-Rotarians attending. During her first meeting a club president, President Milani explained to the club that in order to model the way as Rotarians, it is important to not only put our actions to test using the Four Way Test, but to exhibit it each week when the club meets as a wonderful way to start the day and keep in mind the Four Way Test as we interact during the meeting.

Another practice that was put into place in an effort of providing clear communication, was sending in advance an agenda for the weekly club meeting which would reflect special recognitions (birthdays, wedding anniversaries, Rotary anniversaries, work achievements); information on club business; special announcements; speaker information. In addition, the club also started holding one club assembly per month to keep members informed of board member actions, club business, and district information.

What has also helped improve operations was the addition of a customized Rotary Club of Poipu Beach app for mobile devices. This app is similar in structure to Facebook and provides a way for club members to communicate internally and celebrate all things Rotary and events that are important to our members. It enables easy messaging and phone calls at the touch of a button. Many members have expressed their satisfaction with the app after having had a series of brief trainings at our weekly meetings and monthly assemblies.

Speaker recruitment was once a cumbersome task, but the process has become much smoother due to assigning board members the responsibility to solicit speakers. Board members are encouraged to engage the club members when possible.

Our fellowship activities this year have been wonderful. On 8/23/17, we had a Pin Ball Pau Hana at Kauai Island Brewery and Grill. It was a fun afternoon where members could relax and talk story over beer, pupu, and pinball. On 10/18/17, we held an event called Raise a Glass to End Polio where members and friends came to Merriman's to have fun at pau hana time and sip delicious craft beer while raising money to end polio. 11/4/17 was our annual Harvest Moon BBQ and potluck. It was a great evening at CJM Stables in Poipu as our club members, family, and friends got to know one another while grilling steaks and talking story. We even were able to witness our club member's rodeo crew in action while prepping for the event. On 12/9/17 our newest member Michelle and a small committee organized our annual progressive holiday party. 3 members hosted the club at their homes, starting with pupu, moving on to main entrees, and concluding with dessert. It was a wonderful way to celebrate the holiday and give cheers to a successful 2017.

Another highlight this year was the opportunity to work together with the four other Rotary clubs on Kauai to plan and host a Women In Rotary High Tea event on March 16, 2018. It was a great way to spend an afternoon with each other and hear about the achievements of PDG Laurie Yoshida and DG Nalani Flinn and the history of women in Rotary.

Club Service Narrative for the Rotary Club of: EAST HONOLULU

The Club strategic plan was updated to include working with homeless issues this past year.

Speakers were vetted via committee of three members with the Club President to assure quality and timeliness of message and topic. Several of our speakers were introduced to other Clubs and they were able to speak there as well.

Our Sake Sushi event was a success! We nearly sold out, had a silent auction that brought in almost as many dollars as the tickets sales. Our MC was Augie T. The best part about the event, although Rotarians attended, many of the attendees were non-Rotarians. This offered another chance to brand Rotary and recruit new members. Two attendees joined the E-club and I believe one joined the Waikiki Club.

Through a renewed relation with our daughter-club Kahala Sunrise we had two fellowship events. The Halloween Party and the Christmas Party. Both events were well attended by both clubs as well as friends from other Rotary Clubs on the island. The 2018-2019 Induction dinner will be a joint event with the E-Club in June.

RCEH taught members about the Club Runner App for the Club Directory. We also provided a printed directory to all new members. Club Runner is also utilized more this year by the entire club to stay up to date.

New Member Orientation was done with each new member brought into the club by the Membership Chair, Jamie Apuna with the sponsor in attendance.

The three new members brought into the club to date are females. All are under 50 but over 40 years of age. Their names are Dailyn Yanagida, Mele Green, and Tanny Waters. Of the three Dailyn stepped into the role of Vocation Chair immediately upon joining the Club. Her expertise in HR and having PhD in education helped round out the Board with fresh ideas. Tanny Waters, accepted the role of Treasurer in the coming year and has served as Treasurer in training upon joining the club. She has experience as a branch manager for a large Federal Credit Union and worked as an accountant. Mele Green, although new has assisted in the planning a project within 3 weeks of joining. She has since been involved in every volunteer project since her induction in February.

Club Service Narrative for the Rotary Club of: KAHALA SUNRISE

Our Club has really grown from when I first joined back in Dec 2014. Since then, we have inducted over 10 new members, founded an Early Act Club at Niu Valley Middle, and started a Satellite E Club- all of which has contributed tremendously to the energy in the room or event that we hold. I'm proud to say that we are one of, if not, THE youngest in average age of the all of the Rotary Clubs in Hawaii. We no longer embody the age old perception that Rotary is "a bunch of old, white guys doing community service." We come from all backgrounds and age in range from 29 to 90! I really feel that this age thing alone has brought us new vitality and energy. With that, we now have an Instagram and Facebook to keep us relevant in Social Media, plus we have been in various articles in the paper for our Murder Mystery Fundraiser and other community service events like our School Supply Drive and Rice Rally. We've also been able to make various Community Service videos to showcase what we've been doing all year (that we will again show at our Fundraiser in April), and also started a Gofundme campaign to also help us grow our money. We've surely come a long, long way!!

My main goal for my year was FUN. It may sound cliché and overrated, but when I really think about the WHY, it became so apparent that the main reason I've stayed, became involved, and eventually became President, was because of the passion I felt while doing good in our community with the people that I call my second family. So how do we keep members? How do we approach and entice new members? First, I wanted to have more socials, more events with the Clubs in my district. We kicked off my year with a Pau Hana in September, where I felt a lot of prospective members could come and casually meet our club. The casual and informal ambiance was much less intimidating than a 730am morning meeting. At the end of my year, we will have had 3 Pau Hanas. We also had a very fun Halloween Party at Waialae Nui Rec Center with lots of decorations, costume competition, games and prizes! We ended 2017 with a bang with a multi-club Christmas Party with East Honolulu, Diamond Head, E Club, and Hawaii Kai. What this multi-club event taught me was that Rotary is always stronger in numbers. We have all grown extremely close and supportive of each other due to the once a month meetings our AG Laine holds. It has been one of my favorite parts about this year.

Secondly, for our weekly meetings, I felt that each AM meeting was so busy and rushed with announcements, club business and a speaker, that our club had barely any time for fellowship. In accordance, there was a lot of fundraiser planning to be done, and I felt half of the AM meeting could be used for those kinds of things/getting together with the committees to get stuff done. I held 3 assemblies, and each month, there would be a "Fundraiser Planning Day," in which there would be no speaker and we could catch up on any details and planning for our big upcoming fundraiser. The time has been priceless in my opinion. As you can see, each month has been filled with fun and much more balance- there are morning meetings, Fundraiser Planning Days, and either a Pau Hana or Club Assembly. The Pau Hana takes place of a wednesday morning meeting- we are dark on the wednesday and hold our Pau Hana that Thursday instead.

Another outstanding change that we've made comes from the Speaker Chairs. We had a Speaker Chair that was organizing our speakers for at least the last 2 years. I know it became hard for her to keep signing up interesting and new speakers each year that would keep our members engaged. I let her off the hook and had 2 Co chairs for the speaker committee this year. They've done an exceptional job! We've had everyone from a Sexual Harrassment lawyer to a Dementia UH Professor to my favorite of the year- local performers, Honoka and Azita! At 730 in the morning, it is crucial for our members to be engaged and interested in the speakers, so this was SUCH A TREAT. They are local ukulele players with some of the fastest fingers you will ever see play a uke! They are just teenagers, but are so popular that they travel all over the world to perform!! If you don't know who I'm talking about, check them out on Instagram, Youtube or just google them! Since we did have a Dementia UH Professor, I am also proud to say we've held a training on Jan 20 and became a Dementia-friendly Club! We've done so much this year, and I know many other clubs have, but we really deserve this award. If I can meet with you in person, I can more thoroughly go over EVERYTHING we've accomplished this year. This is also our second year that we've supported Make A Wish Hawaii's Jingle Rock Run where we had over 30+ participants from our club, family and friends, and also participated in The American Cancer Society's Relay for Life that our very own Alicia Devoll organized.

And if we seem like all fun and no substance, I'll tell you that in 2017-18, we will have participated in and organized over 15 community service projects. I think we are pretty well rounded if you ask me!

Club Service Narrative for the Rotary Club of: Kapolei Sunset

1. Strategic plan developed to reflect club, district and RI goals. Met all goals and have qualified for District and President's Citations.
2. Conducted Club assemblies to update on goals and survey results; to elect officers; to begin developing goals for next Rotary Year and to induct three new members.
3. Have a committee that coordinates speakers for each month with the President; tried to reflect Rotary monthly theme in our speaker choices.
4. Had a social or Pau Hana every month including an Oktoberfest, a Holiday Party and a Pool Party.
5. Held both a silent auction and a Rotaritaville Cruise, which resulted in the club exceeding its fundraising goals for the year.
6. Participated in Marco Polo Social for residents, contributing a bouncy house, gift bags for children and event workers; participated with Kapolei in the Thanksgiving Outreach at US Vets contributing clothing, gift cards, toiletries and workers for the event; and provided supplies for one of the new homes at Kahauiki Village.
7. Utilized the online ClubRunner app to provide a membership directory to all users. Provided an Excel membership directory to all members that included address, phone and birthday information.
8. Conducted new member orientation sessions with three members. These occurred over breakfast or lunch. These were informal conversations, anchored in getting to know each other and in Rotary information (using our brochure and our Member Guide.)
9. All new members are assigned to committees based on their professional experience and their preferences. Before becoming members, prospective members choose service projects to participate in. This helps the club know their interests and their seriousness about "Service Above Self."
10. Three new members were added to the D5000 ClubRunner database this year by our secretary, within one week of being inducted.
11. This year the club recruited a young woman, Erica Keeley, who is a banker/investments professional.
12. This year the club recruited a woman, Sharon Charbonneau, who is a retired CFO and Director of Information Services.
13. A club member, David Lunday, is our Quiet Rotarian award winner. He is the club photographer and a Public Image committee member.
14. A club member, Christie Samson, who has been in our club less than a year, is our Rotary D5000 Spirit Award winner; she has been active in community service projects and sponsored a new member this year!
15. Three members are registered for the D5000 Conference as of March 31, 2018.

Club Service Narrative for the Rotary Club of: Kona Mauka

Our club held numerous fellowship activities this year, including 3 multi-club events. A multi-club social at Fish Hopper Restaurant on July 21, 2017; Palettes for Polio multi-club fundraiser in October, 2017, 18 local artists painted on artist palettes and were auctioned off with all proceeds going to Polio Plus. Debroah Beaver of the Hilo Bay Club and owner of One Gallery in Hilo, coordinated the east side of the Island and Laura Kniffin coordinated on the West side. The event raised over \$500. Participated and coordinated a multi-club Wine Tasting event at Volcano Winery, members from Kona Mauka, Hilo, Hilo Bay, Volcano and Kona Sunrise clubs, 40 Rotarians attended. Great time had by all. Halloween Party at the Kona Elks Lodge, attended by 23 members. Multi-club social at the Kona VFW Post, supporting Kona Sunrise's efforts to raise monies for Polio Plus. Club Christmas Party, attendance at 85% plus spouses. Participated in Tahiti Festival with Kona Sunrise Club, prepared food for visiting Tahitian dancers. Had a net growth in membership of 4 new members. Held our 16th Annual Valentines Wine Tasting, an evening of fine wines, heavy pupu's, entertainment and silent auction. This is our main fundraiser, all members participated in all aspects of putting on a huge event like this. It is the most anticipated Valentine event in the area and has sold out for the last 10 years. We anticipate raising in excess of \$50,000 for scholarships this year.

Club Service Narrative for the Rotary Club of: Lahaina Sunrise

We have weekly meetings and allow for ten minutes after business meeting for social and networking. Every birthday is announced and celebrated monthly. Happy Dollars are collected weekly to allow for bragging rights and just updates on news then are applied to our weekly drawing. This money collects until someone draws the winning marble out of the bag and applies the amount to any charity in Rotary or Local.

Our club has been very successful at fundraising with two major events every year. Oktoberfest and Christmas Tree sales. We also have had a great fellowship support by cleaning the local Chinese cemetery, joining other clubs in cleaning the beaches and picking up trash in our streets. Our spirit of giving is demonstrated yearly when we donate ornaments and trees to the Homeless Shelter. For Mother's Day we give baskets to all the women in the shelter and for Easter we help donate baskets to the kids. This year we also delivered flowers and cards to all the clients of Meals on Wheels for Valentine's Day. We try to combine service projects with our nearby clubs such as Food Drives, support their projects.

Our new members were appointed as speaker chair, one as secretary and another is training for treasurer.

There is an appreciation dinner held every year to recognize our members and welcome new ones.

Club Service Narrative for the Rotary Club of Upcountry Maui:

The Rotary Club of Upcountry Maui is proud of their 4th Annual Golf Tournament Fundraiser at the Pukalani Golf Course, once again raising funds for the Women's Shelter Maintenance Funds. Our Title Sponsor was the Pukalani Superette – keeping it local! Our Club members spent many hours preparing for the tournament and working the day of the tournament. We sold tickets to our ball drop that took advantage of a Club member's fork lift. It was great fun to see the balls drop from the blue painted bucket and see who "won!" Donating \$7000 to the Women's Shelter was very exciting.

During PETS last year, the 2017-18 President's of the Rotary Clubs of Maui, Kahului, Wailuku and Upcountry decided we wanted to work together – and what better way to start than having a Wine Fellowship. We have had 3 events – in August, October and December – and our last event for St. Paddy's Day included a fundraiser for the Kihei Charter School Tree Planting. It was wonderful to spend time with Rotarians of other Clubs and encouraging everyone to invite guests.

RCUM had a holiday dinner at the home of Lynn Rasmussen. It was hilarious to see our members be decorated like a tree! In February, we honored long-time Rotarians Joe and Claire Schopen. The Rotary Foundation is very important to them so we used Club member points to donate 3000 Foundation points to each of them. We also used Club member points to give each Club member their first Paul Harris Fellowship. It was an exciting time for our members.

Our Club is very lucky to have a speaker chair who knows "everyone." We've had County Council Members, County Department heads, the Maui County Mayor as well as non-profit members speaking about their business. We've had Club members speak about their trips to Asia and to the Philippines.

Rotary Club of: Waianae Coast Rotary Club

Club Division: Large Club ☒ Medium Club ☐ Small Club

Club Service Narrative for the Rotary Club of: Waianae Coast Rotary Club

Club Service Committee was very active and planned activities according with the club's strategic plan. Committee continued its signature projects such as the annual Christmas Parade and Calendar Contest Scholarship fundraiser which are recognized throughout the Waianae Community. WCRC worked closely the Waianae Military Civilian Advisory Council with the soldiers from Schofield Barracks; the Waianae Coast Disaster Readiness Team; and the Waianae Economic Development Council' Youth Leadership Program; Honolulu Police Department community policing with the Live and Let Live safe traffic program; pedestrian safety. that will increase your club's recognition in the community. Waianae was recognized by the Mayor for out involvement in Disaster Preparedness with the Waianae Coast Disaster Readiness Team. Waianae was also recognized by HPD for involvement in traffic safety.
