**Community Service Narrative for Rotary Club of KAHALA SUNRISE**

The Rotary of Kahala Sunrise  
Community Service Narrative  
2017-2018

The Rotary of Kahala Sunrise made a difference in our community with 15 community service projects in 2017 – 2018. Over 60% of our projects were hands-on where we rolled up our sleeves and worked on the front lines to improve the lives of others. We performed two new community service projects: Hope Lodge where we provided dinner and fellowship to cancer patients and their families at the American Cancer Society Hope Lodge facility in Honolulu and our Rotary Gives Thanks Day – Weeding and Native Hawaiian Tree Planting at Hamakua Marsh in Kailua.

Our Rotary Gives Thanks Day was extremely successful because it was a project that our club organized and turned into a multi-club project with members from East Honolulu, E-Club of Honolulu, Rotary of Diamond Head, and Niu Valley Middle Early Act Club participating in the event. There were over 50 people including our family, friends and non-Rotarians who came out to help. We partnered with a local non-profit called Healthy Climate Communities who coordinated the worksite and manages the land where we cleared out invasive species and replanted the area with native Hawaiian trees and shrubs. This project is also sustainable, as we will go back for periodic maintenance to keep the area weed free and to checkup on the trees. We were able to accomplish the RI President's wish of having every Rotarian plant a tree. This project is also publicized on Rotary Showcase. This accomplishes "Economic and Community Development" as one of the 6 areas of focus.

Our Rotarians At Work Day and Spam Drive put us on the front lines to help the homeless population in Hawaii. We provided food and clothing for the River of Life Mission, a non-profit that provides services for the homeless in downtown Honolulu. We helped to serve hot meals to about 300 homeless individuals. Our Spam Drive is ongoing until April 26. We are currently at 200 spam cans collected, but are aiming for 1000.

We conducted several literacy and education projects including our annual Dictionary Project to Ali'iolani, Liholiho, and Aina Haina Elementary Schools. This totaled over 300 dictionaries given out to third graders. We also had a First Book Project in which we gave a reading book to every single student at Palolo Elementary School which is a Title I school (economically disadvantaged). This totaled to nearly 300 books given out to Grades K through 5. We learned that for some of these students, it's the first book that they own. This accomplishes "Basic Education and Literacy" for one of the 6 areas of focus.

Our School Supply Drive was highly successful because it was hands on and we had a high percentage of members who participated in this project. Some collected money and supplies estimated at \$1500 to \$2000 and others helped sort and distribute the much needed supplies to 9 different elementary and intermediate schools in our area touching the lives of hundreds of students.

In other areas of service, we raised money for the Hawaii Make-A-Wish Foundation, served meals at the Salvation Army Thanksgiving Dinner, and bought Christmas gifts for children for the Salvation Army Angel Tree and the Children's Justice Center of Hawaii. We also continued our Fish Pond Clean up at Waikalua Loko I'a in January, chopping down and getting rid of the mangroves that continue to grow rapidly and inhabit the beautiful windward side fish pond.

## Community Service Narrative for Rotary Club of Kapolei Sunset

For a small club, Rotary Club of Kapolei Sunset (RCKS) members exceeded club leadership expectations by their active participation and enthusiastic support of a number of community service activities that benefitted the State of Hawaii ' s roadside clean-up campaign, populations with support requirements and special needs, and USVETS.

RCKS committed to cleaning a 2-mile portion of the Farrington Highway between Kapolei and Ko ' Olina through the State ' s Adopt-A-Highway program. While this program requires quarterly cleanings, our club members have embraced a bi-monthly schedule with over 50-60% average club participation. Our club was featured in the Highway Division ' s quarterly newsletter and received an award for AAH Club of the Quarter (Oct-Dec 2017). On average, our 10 members collect 40 bags and an assortment of large objects for pickup at each session.

RCKS members have nurtured a close support relationship with Women in Need (WIN), a transition home and support program for abused women and those in transition from imprisonment. RCKS provides toiletry kits or sheets/towels/laundry products on a monthly basis. Club members have donated disposable diapers, furniture, clothing and other household items, as well. Then WIN relocated their Waianae group home to a larger home in Halawa.

At the new home, teams (attendance from 3 to 10 members) have utilized monthly work weekends to plan and transform an overgrown and weed infested yard into a picturesque succulent plant and herbal garden that is being weeded and maintained by WIN residents with WIN gardening assistance. Members provided and spread bulk pea gravel, with help from women and children at the shelter at a Garden Work Day in March.

After the devastating Marco Polo condominium high-rise fire in late 2017, RCKS teamed with Honolulu and other District clubs to schedule a Fun Day for the displaced children who had to evacuate. Our club ' s President Elect contacted High Jump Hawaii and obtained an all-day Bounce House rental for the residents ' children at the parking structure event site. Additionally, members collected items for distributing 80 grab bags to the children ' s delight!

For Thanksgiving, RCKS teamed with the Kapolei morning club to serve meals to over 60 veterans at the US VETS residence facility at Barbers Point. In addition, both clubs donated gently used clothes, hygiene items, bedding, and gift cards, for homeless veterans.

For our projected Rotary at Work Day in April 2018, RCKS and its IPA Interact Club will provide a half-day of volunteer work on the USS Missouri.

For DG Flinn ' s Nimitz Highway Homeless Project, RCKS members donated household items, children ' s clothing and supplies, and other " house warming " items for a designated home that our club was assigned.

Finally, RCKS's President Elect learned that Special Needs students at Nanakuli Intermediate and High School only had access to " old, used, and worn " equipment for their Adaptive Physical Education program. As a result, RCKS decided to provide \$700 in club funds and then with the help of several members, purchased and delivered to the teachers and students new balls, exercise mats, and other requested items. Now these students can participate in exercise programs with pride. In addition our President contacted the KoOlina Sport Club and was able to secure 20 like new floor mats for use in the Adaptive Physical Education program. These were delivered to Nanakuli last week.

All projects are entered in the Rotary Showcase for projects.

### Community Service Narrative for Rotary Club of Lahaina Sunrise

Fourth of July celebration: we feed the marching band, sold hot dogs and flags, worked with other clubs to make it happen every year

Also worked with all of our Island clubs in joint project to Install Rescue Tubes along our beaches-also joined with Fire Department and County officials

One of our major projects was to raise a new flagpole in our town this year.

Our club was well represented in the local Relay for Life, American Cancer Society.

We participated in Clean up the Beach project with Lutheran Baptist Church and Lahaina Action Committee

Our club manned a rest stop and booth along the course of a local Marathon. We supplied water, oranges and lots of encouragement to participants.

Every Halloween our club helps organize a Kelki parade including providing marshals, convertibles and treat bags for the kids

This is the second year that we have cleaned up the local Chinese Cemetery and also a tennis court.

We have a large fundraiser and town party for Oktoberfest which is well attended by locals and the proceeds go to providing scholarships for Vocational programs such as auto mechanics and farming apprenticeships.

This Thanksgiving, we partnered with "A Cool Cup of Water" Lahaina Action Committee and the Episcopal Church to serve dinner to the community at large. Over 200 meals were served.

Our club provides the only Christmas Tree sales in our community we also donate trees and ornaments to the Homeless Shelter and to the Boys' and Girls' Clubs

Every Easter the Homeless Shelter kids get baskets and on Mother's Day all the women get baskets.

This Valentine's Day we partnered with Meals on Wheels to deliver a carnation and card to every client.

Our members joined other clubs to volunteer for the Hyatt Whale Days Celebration

**Community Service Narrative of the Rotary Club of Upcountry Maui**

The Rotary Club of Upcountry Maui participates in Highway Cleanup quarterly. We collected e-cycle in November from the Upcountry Community as well as our Christmas Tree pickup. We participate in the Food Drive, this December at Safeway in Kahului. We are happy to be returning Upcountry to the Pukalani Foodland in April

RCUM joined the Kahului Club in their Weinberg Project at MEO's Headstart Program located at Ka Hale A Ke Ola Homeless Resource Center in January.

Our Service Projects are entered into Rotary Club Central as goals and then as accomplishments. It is an easy way to keep track of volunteer hours as well as money/good earned and donated.

Donating dictionaries to the 3<sup>rd</sup> graders is a valuable literacy activity.
