**International Service Narrative for the Rotary Club of: Ala Moana**

**Participation in a Global Grant:** The Club partnered with other D5000 Rotary clubs in a global grant to provide hemodialysis equipment for hospitals in Thailand totaling \$6,000.00.

**Sponsorship or Participation in District Grants:** The Club is proud to have participated in three district grants:

- Hawaii Food Bank (\$2,000 to purchase new handling equipment)
- Aloha Medical Mission (\$2,000 to purchase a solar suitcase and medical supplies)
- US VETS Waianae (\$1,400 to purchase “move out” kits used for moving into transitional or permanent housing)

**Participated in a Sister Club/Friendship Relationship Activity:** Since the Club celebrated its 45<sup>th</sup> anniversary in this 2017-18 term, the Club was fortunate to have participated in three Sister Club activities with the Club’s four Sister Clubs and to have continued the Club’s participation in an annual event with one of the Sister Clubs:

- 45<sup>th</sup> Annual Celebration Kickoff Golf Outing – the Club participated with Sister Clubs Rotary Club of Abiko (Japan), Rotary Club of Feng Yuan (Taiwan), Rotary Club of Hiroshima Jounan (Japan), and Rotary Club of Osaka Southwest (Japan)
- 45<sup>th</sup> Annual Celebration Welcome Party – the four Sister Clubs joined the Club at a Welcome Party featuring a “Taste of Hawaii” theme showcasing flavors of Hawaii in honor of the Sister Club’s attendance of the Club’s 45<sup>th</sup> annual celebration
- 45<sup>th</sup> Annual Celebration Formal Dinner – the Club’s 45<sup>th</sup> annual celebrated culminated with a formal dinner with the four Sister Clubs
- Annual Dinner with Sister Club – Sister Club Rotary Club of Osaka Southwest makes an annual visit to Hawaii and the Club was pleased to host a dinner event for both clubs to join in fellowship; the dinner was held following the Sister Club’s visit at the Club’s weekly club meeting

**Club Participation in PolioPlus Event:** The Club leveraged the “Ride So They Can Walk” campaign to raise funds for PolioPlus. A Club Member registered for the Honolulu Century Ride, a 100-mile century ride in Honolulu. The Club Member encourage the membership to participate by using his ride a way to raise funds for PolioPlus. Members were encourage to donate funds (\$/mile or flat amount). The Club Member raised a total of \$3,000 for PolioPlus on behalf of the Club.

### **International Service Narrative for the Rotary Club of Hanalei Bay**

Our club is currently supporting **three global grants** supporting **water/sanitation, child welfare and education**

Global Grant # 1765534 **Puerto Vallarta Mexico.**

This **\$98,050 grant** involves two of Rotary six area of focus including **Water and Sanitation** and **child welfare** through the distribution of over 1500 **portable water filtration systems** in and around the city of Puerto Vallarta. Initially conceived in 2016 and approved in 2017, we have been working diligently with boots on the ground in Mexico alongside the Puerto Vallarta club to distribute, educate and sustain the program.

Global Grant # 1865715 **Poona, India.**

This **\$37,550 grant** involves two of Rotary six area of focus including **Water and Sanitation** and **Education** . Along with **5 clubs in India, we partnered with Rotary Club of Cochabamba Tunari (Bolivia) and Rotary Club of Blackstone Valley USA)** to supply and install a **sewage treatment plant and a Reverse Osmosis water treatment plant** at a boys hostel for the health and welfare of the students. This grant **has surpassed the draft stage** and is in progress.

**Global Grant # xxxxxxx. Cochabamba, Bolivia**

This **\$41,281 grant** is currently in the **draft stage** and being prepared for posting on the RI global grant website for initial approval. As **principal international partner**, we are working closely with the Rotary Club of Cochabamba Tunari in Bolivia. It involves **education and child welfare**. A school operated by St. Vincent DePaul is the educational facility for over **150 street kids** that have been **abandoned** by their parents either due to drug abuse or extreme poverty. The school is in terrible disrepair and the grant involves **roofing, paint, blackboard, educational materials, books, desks, chairs and tutors**. Partners in this grant include **two clubs in Bolivia** at this time while we currently pursue other **partners in Canada, USA, and Japan**.

Our Sister Club from Kyoto came in November to visit us for three days. We welcomed them to our meeting and then took them to the Kilauea Agricultural Community Center where donated \$1,000 of trees planted there. The following day they were our guests to a Napali Coast tour. Great fun had by all.

We had a Clothing Swap in October where people donated their better clothing and all were displayed. On a Friday after all friends and neighbors celebrated with finding new treasures and celebrating their finds with wonderful donation for Polio Plus.

Our club had a Small Change for Big Change meeting where all members brought their small coins and we had a counting party . We raised over \$1,300 for Polio. We also had three members take part in the Bicycle Ride for Polio for our district and raised over \$1,000.

International Service: HILO

Our Rotary Club unfortunately lost our club service chair, long time member and past President Stewart Hussey. He passed away last month and we are saddened by this devastating loss.

While Stew is not here to write an account of all the accomplishments his group achieved this rotary year, we will try our best to list them below:

August 6<sup>th</sup> – Memorial flowers sent to Hiroshima as a token of goodwill and friendship remembering the 1945 bombing.

October 17<sup>th</sup>- Rotary International challenge to all clubs to plant a tree.  
40 trees planted at Kai Wa Farms

November 11-18 2017 End Polio Bike Ride

February 23<sup>rd</sup>- Joined Kihei-Wailea Club to support a Rotary International Global Grant to help with health camps and needed eye surgery in India.

Achieved 327% of our stated club goal to help support Rotary International's campaign to end polio.

Our Club President Steve Handy Jr. Is in Fiji this week working on our Fiji International service project. Report to follow.

## **International Service Narrative for Rotary Club of Honolulu Sunrise:**

**Thailand Global Grant:** The Rotary Club of Honolulu Sunrise and the Rotary Club of Silom along with a host of other clubs in D5000, Japan and Taiwan garnered over \$ 212,000 as the proud sponsors of the Thai hemodialysis machine/medical equipment global grant. The purpose of this grant is to improve and expand low cost health care in underserved communities through the enhancement of health infrastructure. It also provides training to local healthcare professionals and supports ongoing preventative health education. The grant is to assist rural hospitals to become full-service treatment facilities, which can help patients remain closer to their homes. The grant was featured in D5000 newsletter and “The Rotarian” magazine. Dr. Eberhard Mann visited the grant project site in November 2017.

**Fukushima Exchange with Visually Impaired** - This is the 3<sup>rd</sup> Annual partnership with the Rotary Club of Atago, Tokyo to sponsor 7 visually impaired young adults and students from Japan. This event provides these visually impaired individuals with new experiences and a renewed confidence that they wouldn't experience if they stayed in Japan. During the homestay, the Japanese guests experienced beach outings, camping at Bellows, hiking, massage training at a massage school in Hawaii and a visit to Ho`opono to learn techniques and methods of how visually impaired people in Hawaii learn to find their independence.

**Cambodia Hepatitis B Immunization Campaign** – The Rotary Club of Honolulu Sunrise continues their efforts with our second District Grant for over \$3,500 to provide Hepatitis B immunizations for the children and staff at Future Light Orphanage in Phnom Penh, Cambodia. Several members and friends of our club have visited FLO to supervise the work and to assure that the money was spent correctly.

**Sister/Friendship Club Activity** - 5 members of Honolulu Sunrise attended the D2560 District Conference in Niigata, Japan which was hosted by our friendship club the Rotary Club of Niigata Bandai. The Rotary Club of Niigata Bandai rolled out the red carpet for the member's visit to Niigata. The club's gracious hospitality was overwhelming...a traditional Japanese dinner (including dazzling Geisha), lunch at a winery, tea at the Saito Historic Residence and a tour (plus tasting) at a Sake distillery. New friends await in every corner of the world with Rotary!

**World Polio Day Social Event** – Sunrisers celebrated World Polio Day on October 24<sup>th</sup> at Bakery & Table. Friends, visitors, and other Rotary clubs were invited. Attendees included 12 members, 7 other Rotarians (including Present & Past District Governors), 8 Non-Rotarian Guests. The event not only provided an opportunity to fundraise for polio but also network with other Rotarians & guests. The World Polio Social Event was not only featured on the D5000 website but on the RI website as well.

**NID participation:** One RC Honolulu Sunrise member joined a NID tour in North India in March 2018. Door to door oral polio vaccinations were offered in Amritsar; Polio projects were visited in New Delhi – at Stephan Hospital and Kusumpur Pohari. In Jaipur we were able to visit a not-for-profit foot factory which offers lower leg prostheses and is ready to test new hand prostheses.

**Supporting Future Light Orphanage** – Honolulu Sunrise and its members have proudly supported Future Light Orphanage in Cambodia for a number of years. This December Sunrisers donated almost \$500 to ensure the children didn't go without for the holidays.

## **International Service Narrative for Rotary Club of HONOLULU SUNSET**

### **International Service Narrative for Rotary Club of Honolulu Sunset**

Our club's International Service Program had another exciting and rewarding year. We continued our common focus to engage Rotarians across the globe, challenging them to improve the lives of those living in different corners of the world, while fostering continuing partnerships to ensure sustainability of new and ongoing programs.

**Global Grant-** Our club initiated and participated in one new global grant this Rotary year. GG1419174: Improving Access to Safe Water and WASH Education in Lahan and Siraha District (Nepal). Co-sponsored with RC of New Road City (Kathmandu, Nepal), the budget of \$61,000 will be used to reduce morbidity and mortality from water-borne illnesses and unsanitary hygiene practices in the urban and rural communities of Lahan Municipality and rural Siraha District by (1) installing durable high-quality water filtration systems at four schools (two urban, two rural), and (2) creating awareness and education programs to improve WASH practices at the schools and community at large. To ensure maximum effectiveness and sustainability, this project has been built upon partnerships with the Nepal-based water filtration company Lucen Drop Nepal and volunteers from the Hawaii-based NGOs Aloha Medical Mission and Water Hands Hope.

**Fellowship-** Our club hosted visiting Rotarians from several countries. Members of our club, likewise, visited many foreign clubs again this year. Rotarians from New Zealand, Australia, Canada, Japan, and Europe visit our club on an annual basis. One of our most treasured associations is with the Langley Ukelele Ensemble from British Columbia, Canada. In tradition, our club hosted their annual performance and provided transportation for sightseeing and another performance at the Sheraton Waikiki.

**International Project/Visit/Sister Club-** Our club was involved in a unique opportunity with Little Dresses for Africa and the RC of Mount Hagen (Papua New Guinea) to bring over fifty dresses and shorts, sewn by members of our club from donated materials and fabric, to girls and boys living in the rural highlands of Papua New Guinea. During their visit in September, our members James Ham and Constance Williams were able to deliver the dresses and shorts to children at a local orphanage and the pediatrics wards of two hospitals. James and Constance also met with RC of Mount Hagen President Matthew Galman to discuss future projects, and on 9/19/18 they served as guests of honor for the grand opening ribbon cutting ceremony of the women's community toilet/WASH center built from funds from global grant GG1419174. From this visit, our club was able to create an official Sister Club Relationship with the RC of Mount Hagen.

**Ride So That They Can Walk. (Polio Plus Project)** Financial donations from club & friends + 15 hours. Club members participated and collected money in support of the **Polio Plus Project**.

**Sunset Rotarians International Visits** Rotarian **Dr. James Ham** visited projects in Nepal. Rotarian **Dr. Daniel Marariu** visited our projects in Romania.

**Sunset Rotarians** donated books that were delivered to the Philippines for several schools that needed books to furnish libraries.

**Former Ambassadorial Scholar** sponsored by our club, is now a Peace Corp member in a remote place in the Philippines. During her short break from the Peace Corp, she came to our club meeting and shared how Rotary helped her to "give back to the community." She teaches in a remote town in the Philippines and with her own expenses, introduces various cultural experiences to the children. She started a library for the school where she teaches. Sunset members provided support to fund that library.

## **International Service Narrative for Rotary Club of Kihei Wailea**

GG 1867855 Cataract Surgeries and Health Camps: An \$110,000 Global Grant with the Rotary Club of Delhi Nirvana and Shroff's Charitable Eye Hospital (an IAPB affiliate). This grant will expand the activities of our new Rotary Eye Center at Karol Bagh in New Delhi, GG1524827, which was the pilot project for the new Strategic Partnership between RI and the International Agency for Preventable Blindness and received support from the Rotarian Action Group for Blindness Prevention. Club member Mark Harbison is Vice-Chair of the RAG. The new grant will fund mass enrollment cataract camps where up to 3,000 potential patients from the slum areas near Karol Bagh will receive screening for cataracts and free surgeries. Camps will also screen for other health issues, including diabetes and Ears, Nose, and Throat (ENT) problems. These camps are modeled on Rotary Club public outreach drives during SNNIDs (Social Network National Immunization Days) in Delhi for PolioPlus.

GG1864829 VTT Children's Orthopedics Education for Developing Nations- Tanzania: A \$47,700 VTT Global Grant with the Rotary Club of Dar-es-Salaam Oyster Bay. This Volunteer Training Team Grant will fund a team of 5 US-based doctors with team leaders Dr. Mark Barry and Kelly Trang of our Club to train Tanzanian doctors in advanced surgical techniques for children. Dr. Barry and Ms. Trang have done extensive work in Tanzania and traveled to Dar-es-Salaam in December to meet with Oyster Bay Club Rotarians and negotiate the training program with a government-run teaching hospital there. Dr. Barry and Ms. Trang will travel with the team and lead the training program.

GG174433 Nepal Education Project: An \$89,000 Global Grant with the Rotary Clubs of Panauti and Kona Sunrise. This grant will fund a literacy project and a WASH water and sanitation project in a poor district elementary and intermediate school. The International Partners are led by the Rotary Club of Taipei and many clubs from District 3480 (Taiwan) are also participating. Our Club has been involved in designing the project, grant writing, and coordinating funding with District 5000 partners, including the Rotary Clubs of Honolulu, Kona Sunrise, and Kahului.

PolioPlus: On World Polio Day, we sponsored a Beach Walk for Polio in support of the District 5000 Ride of Polio. In March, we helped our new Interact Club at Lokelani Intermediate School organize a Pennies for Polio event at their school, which raised over \$200. We promote PolioPlus at all of our public functions, including our Blue Hawaii fundraiser, food drives at Kihei Safeway in during the holiday Hawaii Food Bank drive and in the Spring for Rotarians at Work Day.

Rotarian Action Group for Blindness Prevention: Club member Mark Harbison is the Vice-Chair and coordinates the RAG's booth at Rotary International Conventions. Harbison was the Primary Contact for the International Partners in GG 1867855 Cataract Surgeries and Health Camps.

Rotarian Action Group for Peace: Club member Mark Harbison is the Membership Committee area coordinator for District 5000, attended the Presidential Peacebuilding Conference: Environmental Sustainability and Peace February 10-11, 2018 in Vancouver.

Sister Club and Rotary Friendship Exchange: We have been in close touch with our Sister Club, the Rotary Club of Kashihara in District 2650 as they celebrate their 50<sup>th</sup> Anniversary this year.

### **International Service Narrative for Rotary Club of Metropolitan Honolulu**

Thailand Hemodialysis Grant Project - This project enhances local communities' health infrastructure and increase their access to life-saving medical equipment & low-cost treatment by providing:

- Hemodialysis (HD) machines as an artificial replacement for lost kidney function in patients with chronic kidney disease (CKD)
  - Defibrillators to treat life-threatening cardiac arrest and to reestablish normal heart contraction rhythms
  - Prenatal ultrasound to diagnose fetal health conditions and determine if any abnormalities exist in high-risk pregnancy, warranting timely medical intervention to save lives of mother & their child.
- It provides ongoing & onsite training to transfer technical know-how to medical staff at benefiting hospitals. This project supports continuing preventive health education for local communities to drive behavioral change & sustain the right preventive health care.

Tacloban Philippines Sanitation Project - Metro members constructed three toilets for the 300+ students and faculty members of New Hope Elementary School in the Philippines. The school was constructed for the children who survived the most powerful hurricane to hit land in the Philippines, Hurricane Haiyan. This project was in partnership with the Rotary Club of Lahaina.

Pathway International Project Rural Cambodia - Pathway International has worked very hard to build schools serving some of the neediest children on the planet in Cambodia. These innocent children live each day with crippling hardship. Just one educated child can lift an entire family out of poverty. As each family is uplifted, then an entire community can be transformed. Hawaii Also Reaps Big Benefits. Our program also touches the lives of Hawaii's youth. We sponsor them to go and help the kids in their same age group living on the other side of the globe, who suffer unimaginable hardship and learn valuable life lessons. They witness firsthand how books, clean drinking water, a toothbrush and even toilet paper are luxury items to children, in the third world countries like Cambodia. As Hawaii's youth improve the lives of Cambodian children, at the same time their own lives change when they return to Hawaii with renewed appreciation and become productive members benefitting of our Hawaii ohana.

Teacher Training Yangon, Myanmar - Educational opportunities in Myanmar are limited, with monastic schools serving students not able to attend government schools. Teachers have limited training and resources and serve classrooms of 40 or more students. Traditional teacher-centered practices lead to student rote memorization. An objective is to provide project-based, hands-on and experiential approaches to teaching. Trained teachers will help improve student test scores on annual government testing. They will also provide a better teaching environment, encouraging students to attend school and actively participate in classroom sessions. Currently, financing for the schools come primarily from local donations and whatever the monks can gather, teacher training is not a priority. With this grant, Rotary will provide long-term teacher training. A primary objective is also to establish a template that can be used in future additional schools. The TExT program, developed over the past 4 years, has sent Hawaii teachers to Myanmar each summer to help with teacher training and improved student-based education. Hawaii teachers go to Myanmar to teach best methods to monastic school teachers.

Ride So They Can Walk - Metro Members got sponsorship to ride for Polio in support of polio eradication. Rotarians, individual community members, biking groups and clubs riding bikes, and those on stationary bikes in health clubs and gyms all ride in the support of eradicating polio.

## WAIKIKI ROTARY - INTERNATIONAL SERVICE REPORT

10/6/17

We organized a golf tournament at the Hoakalei Golf Club, followed by a Sister Club Reception at the Hawaii Yacht Club. 9 Sister Clubs participated, including 7 from Japan and 2 from Taiwan.

10/7/17

We held the annual International FoodFest with nearly 300 guests in attendance, including approximately 60 guests from Japan and 20 from Taiwan. A new Sister Club Signing Ceremony was done at the event with the Rotary Club of Taipei Fortune.

10/8/17

A Sister Club event was held at The Pacific Club with the guests from Taiwan.

11/11/17

Polio Plus fundraising event. President Steve bicycled in his spinning class and solicited several hundred dollars of donations from his fellow Rotary members and others in the community.

We participated in 2 Global Grants this Rotary Year.

## International Service Narrative for Rotary Club of West Honolulu

- . Global Grant - We donated our global grant funds to the Nareshwadi Tribal School Project. The main objectives of the project are to:
  - A. Improve teaching methodologies so as to enable better student performance in the School Board exams (SSC), which had slipped with enrollment going up 49% over 5 years.
  - B. To extend the skills training of the senior school students in carpentry, computer hardware/software, electrician, garment making, plumbing, beauty and wellness and Warli Painting. The training will result in improved employability of each graduating class of students.
  - C. To provide hands-on experience for all students in basic agricultural concepts. This training will help the students and their families to better cultivate their traditional tribal lands.
  - D. To remove current hardships at the school by improving the functionality of the kitchen and dining areas.
  - E. Providing kitchen and dining hall equipment including dough kneaders, pulverisers, grinders etc. for fast preparations of meals.
  - F. Dining hall refurbishment including interior and exterior painting, repairing windows for better light, fixing leakages, repairing flooring of kitchen and dining hall, creating more storage areas and creating more sitting capacity for increasing number of students every year.
- . District Grant Project - We ordered dictionaries for all of the third graders at Kalihi Uka, Kaewae and Fern Elementary Schools. When we distribute the dictionaries, we provide an overview of Rotary and discuss the projects that our club has participated in. We teach the children how to use the dictionaries, go over the Table of Contents, and point out interesting facts within the dictionary. We also teach them Rotary's Four Way Test. We also purchased books to donate to Kalihi Elementary School because they have no budget to purchase books. At each weekly meeting, we have our speaker sign the book and write a personal message. We then donate the books to the school.
- . Kyoto West 60th Anniversary Celebration - 20% of our club's members went to Kyoto for our sister club's 60th anniversary celebration. We visited one of their museums with our sister club, Tokyo West, were treated to a 10-course traditional Japanese lunch, tea ceremony, attended an event with 3 of our sister clubs (Kyoto West, Tokyo West and Taipei West) and went to Kyoto West's anniversary celebration.
- . PolioPlus Event - We had several members that registered and collected donations for the Ride for Polio event.
- . NID - One of our members and past district governor went to Delhi to administer the Polio vaccine. He said it was moving to see the village people bring their children to receive the polio vaccine and that administering the vaccine to the children has been a memorable experience he will never forget.
- . Projects in India - One of our members went to Bhagvan Mahaveer Viklang Shayate Samiti (the Jaipur Foot factory.) This is an internationally known Rotary program that provide limbs to post-polio victims and those in need. He also went to St. Stephen's Hospital to visit the post-polio ward, which has received significant support from Rotary, and Kusumpur Pahari, which is a project of the Rotary Club of South Metropolitan. The project is a vocational training program for one of Delhi's ghettos.
